In *The Nectar of Pain*, Zebian sheds light on the feelings and experiences that emerge from a painful heartbreak. She writes that the process of cleansing oneself of that pain—day by day, hour by hour, and second by second—is the real work of healing. With uncommon warmth and wisdom, Zebian empowers all who have lost to let go of anger and transform their suffering into the softness, sweetness, and beauty of nectar. She holds her readers by the hand as they heal.

One young woman.
Seven brothers. When

she falls in love with two, which brother will she choose? When orphan Sakura Princeton once again meets her gorgeous adopted brothers, Sebastian and Darcy Princeton, forbidden feelings are awakened and old flame ignites. Orphan Sakura, with no last name, is accustomed to being rejected, hated, bullied, and unloved. When she is adopted by the wealthy Princeton family, her seven brothers refuse to accept her, and her two sisters constantly bully her. Instead of admitting defeat, she gladly takes on her new life with a brave face, working hard to earn her new siblings' trust and love. Her endeavor, however, ultimately leads to a series of unfortunate

incidents. Now years later, the twenty-three-year-old beauty dreads the moment she once again has to meet the drop-dead gorgeous brothers, due to arrive for their cousin's wedding. Dodging their very presence is next to impossible since the brothers, who have forgotten who she is entirely, are attracted to her like moths to a flame and thwart her escapes at every turn. This, of course, leads to ungodly, tempting situations, awakens forbidden feelings, and ignites old flames that have been suppressed and laid dormant for many years. When she finds them competing for her-NOT for her sisterly affection, which she still deeply craves, but for her love as a woman-she is torn between Sebastian

Princeton, the brother who loves her and watches over her from a distance, and Darcy Princeton, the brother who was once her best friend and now secretly yearns for her forgiveness and her love once again.

Can I surrender to the searing ardor of these alpha titans while holding tight to the fragile embers of my independence? Or will the scorching blaze of their ravenous need reduce my identity to ashes on the altar of their obsession? I have no choice but to try, for they have claimed and own me, body and soul, three kings staking their territory with a ferocity that allows no retreat. The question is, can I learn to claim and own them

in return? Alpha Billionaires: Yearning Hearts, a contemporary billionaire reverse harem romance set in an omegaverse universe is a tale of passion, obsession, and the delicate balance between love and control. Alexia Praks Media Dive into this thrilling FREE first installment of the Apparently, I'm the Infamous Earl's Legendary Bride Series, a transmigration/time travel (isekai) romantic fantasy with a powerful heroine, badass hero warrior, arranged marriage, action and adventure, and kingdom-building by Alexia S. Praks What's a girl to do when she finds herself in a medieval-like world of magic and monsters

and is forced to wed an infamous earl? Marries the hunky warrior, of course! Plus saves his citizens, feeds them delectable food, and builds a grand kingdom in the process. Quinn Chen has her life planned out after university graduation—working in one of the biggest medical research companies and then maybe dating again after a bad breakup. The only problem is on the day of her graduation, she is hit by a truck and wakes up to find herself as eighteen-year-old Quinn Fairchild in a war-torn medieval-like fantastical world full of magic and monsters and is forced to become a bride to an infamous, ruthless, cold-blooded warrior of an earl. Swept not only

into the isolated, strangely beautiful, lush land of Norsewood, but the powerful arms of the piercing blue-eyed Lord Aldric Templeton, Quinn—armed with blessings—must navigate her way through poverty-stricken, dangerous medieval life with a modern mindset and maybe even teach her gorgeous golden-haired husband, who is both kind and gentle and nothing like the merciless character that rumors imply, that having a girl from another world as a bride isn't so bad after all. Apparently, I'm the Infamous Earl's Legendary Bride is a romantic fantasy series featuring a vivacious heroine with a determination to change and improve

the lives of civilians in a medieval-like, war-torn world with the use of her modern knowledge and her magic and a hunky hero hell-bent on protecting his land and people and claiming his bride's love. This series contains romance, magic, kingdom building, and food and cooking. Oh, and enough steam to fog up the other world's medieval-era glass window in later books as the story progresses. A kingdom-building fantasy series usually involves strong, powerful protagonist/s with talent or knowledge that is rare or unknown in the world they are in as they work on building and managing their own village, town, city, nation, or even empire and gathering citizens

and subordinates.

 Elise had about to change into the dress that was lying on the corner of her bed when she heard a knock lightly calling from her door.

Curious, she turned the door knob only to have a tall man towering in front of her. "Master Ian!" She called. Ian smiled with the usual mischievous smirk that he always used. His crimson eyes trailing a little over her room and spotted the black dress over her bed and shifted his eyes over to the woman in front of him. He stepped forward and spoke. "Where did you acquire that dress?" "Mr. Harland gave it to me." Elise replied and strained her neck to see Ian's brows knitted in its elegance. "Do you know why a man would love to give a woman a dress?" He gave the riddle that she always had to think twice before replying. But this time, she found no answer and instead shook her

head. "I don't know." His grin grew bewitching as though something had stirred deep inside the scarlet eyes that he had. He slowly slid his hand over the collar of her dress, sending a cold shiver that startled her for a moment due to its freezing temperature. After unbuttoning the first two buttons on her collar, he tilted his head down, whispering to her ears. "Because they want to be the one to undress the cloth." He paused and kissed her neck, turning the pale skin to red before retracting his move to fix his eyes on her and leisurely replied. "Unfortunately, you can't wear the dress over there with this." He chuckled and passed a box over to her hand. "And the fortunate news is I

prepared a dress for you." Elise was a cursed little girl who could see ghosts. Her family hated her and threw her from one adoptive family to another. However, misfortune didn't act alone. When she was brought up by her aunt, she was sold as a slave. When she had thought she would become nothing but a sacrifice to the sorcerer, she was saved by a man whose identity was far different than a normal mythical being. *** This book is ORIGINAL and it is not Translation Join Author's discord: <https://discord.gg/YPKu eb4> [Baby Be Mine \(Steamy Pregnancy Romance\)](#) Alexia Praks Media Eighteen-year-old Haru Ono has been in love with Aiden Davis since
