A wooden box holds the buttons of three generations of women in Lynn Knight's family - each one with its own tale to tell... Tracing the story of women at home and in work, from the jet buttons of Victorian mourning, to the short skirts of the 1960s, taking in suffragettes, bachelor girls, little dressmakers, Biba and the hankering for vintage, *The Button Box* lifts the lid on women's lives and their clothes with elegance and wit.

[You Are the Mother of All Mothers](#) Farrar, Straus and Giroux

This novel of love in the world of 1950s vaudeville is a masterwork of literary magic from the Booker Prize-winning author of *Last Orders* and *Mothering Sunday*. It is 1959 in Brighton, England, and the theater at the end of the famous pier is having its best summer season in years. Ronnie, a brilliant young magician, and Evie, his dazzling assistant, are top of the bill, drawing a full house every night. And Jack is everyone's favorite master of ceremonies, holding the whole show together. But as the summer progresses, the drama among the three begins to overshadow their success onstage, setting in motion events that will reshape their lives. Vividly realized, tenderly comic, and quietly shattering, *Here We Are* is a masterly work of literary magic.

Toni Morrison and Motherhood Vintage Books

From the bestselling author of *The Little Angel*; perfect for fans of *Dilly Court* and *Katie Flynn*. 'Rosie writes such heart-warming sagas featuring believable characters and well-researched backgrounds and eras' Lyn Andrews 'An absorbing story in the grand tradition of the best saga authors' Margaret Dickinson 'The new Catherine Cookson' *Coventry Evening Telegraph* Tuesday's child is full of grace . . . Warwickshire, 1910. Grace Kettle lives a happy life with her beloved mother and reliable old Mrs Batley - happy, at least, as long as Judge Kettle, her formidable and threatening father, is away from home. As she grows into a gentle and pious young woman the atmosphere at home darkens. Knowing that she cannot protect her mother, Grace eventually flees to rural Wales, following her heart's desire to train as a nun. But when she meets the dashing and devout Father Luke her world is turned upside down. She is driven to make a scandalous choice - one she may well spend the rest of her days seeking forgiveness for . . . *A Mother's Grace* is the third book in Rosie Goodwin's *Days of the Week* Collection. Why not try the rest, *Mothering Sunday*, *The Little Angel*, *The Blessed Child*, *A Maiden's Voyage*, *A Precious Gift* and *Time to Say Goodbye*?

Traces Morrison's theory of African American mothering as it is articulated in her novels, essays, speeches, and interviews. Mothering is a central issue for feminist theory, and motherhood is also a persistent presence in the work of Toni Morrison. Examining Morrison's novels, essays, speeches, and interviews, Andrea O'Reilly illustrates how Morrison builds upon black women's experiences of and perspectives on motherhood to develop a view of black motherhood that is, in terms of both maternal identity and role, radically different from motherhood as practiced and prescribed in the dominant culture. Motherhood, in Morrison's view, is fundamentally and profoundly an act of resistance, essential and integral to black women's fight against racism (and sexism) and their ability to achieve well-being for themselves and their culture. The power of motherhood and the empowerment of mothering are what make possible the better world we seek for ourselves and for our children. This, argues O'Reilly, is Morrison's maternal theory—a politics of the heart.

By Way of the Heart Canvas

From the author of the #1 New York Times bestsellers *Small Great Things* and *My Sister's Keeper*, a novel exploring the story of a young woman overcome by the demands of having a family. Paige has only a few vivid memories of her mother, who abandoned her at five years old. Now, having left her father behind in Chicago for dreams of art school and marriage to an ambitious young doctor, she finds herself with a child of her own. But her mother's absence and shameful memories of her past force her to doubt whether she could ever be capable of bringing joy and meaning into the life of her child, gifts her own mother never gave. *Harvesting the Heart* is written with astonishing clarity and evocative detail, convincing in its depiction of emotional pain, love, and vulnerability, and recalls the writing of Alice Hoffman and Kristin Hannah. Out of Paige's struggle to find wholeness, Jodi Picoult crafts an absorbing novel peopled by richly drawn characters, and explores motherhood with a power and depth only she is capable of. "A brilliant, moving examination of motherhood, brimming with detail and emotion." —*Richmond Times-Dispatch* "Jodi Picoult explores the fragile ground of ambivalent motherhood in her lush second novel. This story belongs to... the lucky reader." —*The New York Times Book Review*

Day-votions for Mothers Multnomah

Even good things can become idols if we give them central importance in our lives. Having children changes everything, and as mothers, we risk looking for life, purpose and meaning in motherhood. While being a mother brings its unique set of challenges, these years of raising children and helping them grow in the nurture and admonition of the Lord provide an opportunity to grow in our own Christlikeness as well. Writing from her own personal experience as a mom, Christina Fox encourages mothers to prayerfully and thoughtfully examine their own hearts, and to let God use motherhood as a means of sanctification. Split into three sections, the first chapter looks at the meaning motherhood; chapters 2-4 are about idolatry; chapters 5-9 focus on a few different idols

that mothers might worship (not an exhaustive list, but a common few); and the final chapters are about facing idols, dethroning them, and turning our heart back to the One true God. Chapter titles include: Part I 1. The Sanctifying Work of Motherhood 2. Made for Worship 3. What is Idolatry? 4. Identifying Idols in Our Lives Part II 5. The Idol of Children 6. The Idol of Achievement and Success 7. The Idol of Comfort 8. The Idol of Control 9. The Idol of Approval Part III 10. Turning from Our Idols 11. Turning to Christ

Tapping Your Body's Natural Energy for Pregnancy, Birth, and Parenting Simon and Schuster

Liz Scheier's darkly funny and touching memoir—with shades of Jeannette Walls's *The Glass Castle* and Mira Bartók's *The Memory Palace*—of growing up in '90s Manhattan with a brilliant, mendacious single mother Scheier's mother Judith was a news junkie, a hilarious storyteller, a fast-talking charmer you couldn't look away from, a single mother whose devotion crossed the line into obsession, and—when in the grips of the mental illness that plagued every day of her life—a violent and abusive liar whose hold on reality was shaky at best. On an uneventful afternoon when Scheier was eighteen, her mother sauntered into the room to tell her two important things: one, she had been married for most of Scheier's life to a man she'd never heard of, and two, the man she'd told Scheier was her father was entirely fictional. She'd made him up. Those two big lies were the start, but not the end; it took dozens of smaller lies to support them, and by the time she was done she had built a farcical, half-true life for the two of them, from fake social security number to fabricated husband. One hot July day twenty years later, Scheier receives a voicemail from Adult Protective Services, reporting that Judith has stopped paying rent and is refusing all offers of assistance. That call is the start of a shocking journey that takes the Scheiers, mother and daughter, deep into the cascading effects of decades of lies and deception. Never Simple is the story of learning to

survive—and, finally, trying to save—a complicated parent, as feared as she is loved, and as self-destructive as she is adoring.

Who decides how, when, and where Americans fall in love and get married? Virginia Wexman's acute observations about movie stars and acting techniques show that Hollywood has often had the most powerful voice in demonstrating socially sanctioned ways of becoming a couple. Until now serious film critics have paid little attention to the impact of performance styles on American romance, and have often treated "patriarchy," "sexuality," and the "couple" as monolithic and unproblematic concepts. Wexman, however, shows how these notions have been periodically transformed in close association with the appearance, behavior, and persona of the stars of films such as *The Maltese Falcon*, *The Big Sleep*, *Way Down East*, *The Man Who Shot Liberty Valance*, *Sunset Boulevard*, *On the Waterfront*, *Nashville*, *House of Games*, and *Do the Right Thing*. The author focuses first on the way in which traditional marriage norms relate to authorship (the Griffith-Gish collaboration) and genre (John Wayne and the Western). Looking at male and female stardom in terms of the development of "companionate marriage," she discusses the love goddess and the impact of method acting on Hollywood's ideals of maleness. Finally she considers the recent breakdown of the ideal of monogamous marriage in relation to Hollywood's experimentation with self-reflexive acting styles. *Creating the Couple* is must reading for film scholars and enthusiasts, and it will fascinate everyone interested in the changing relationships of men and women in modern culture.
