TORRES CHAIM

The Little White Horse Crosslink Publishing

On the borderlands of the Kingdom of Deran, a young forest scout named Dar Cabot fights off an attack by goblin warriors and finds the ruins of a village, its homes burned and people slain. Eager for justice for the townsfolk, he enlists the help of an unlikely combination of allies: a halfling spy with a hidden past, the adopted son of a famous wizard, two half-elven sisters from an enemy land, a widowed priestess of the Elven god and a seemingly laid-back warrior with secrets of his own. Together the new-found companions battle against the shadowy cult of the Ja'al and its inhuman allies in the dark caverns and green woodlands of the frontier. Their search leads them on a journey to powerful magic, long-lost ruins, and chilling discoveries of evils from a bygone age. Dogged by an ancient prophecy that seems to call them out by name, the companions find friendship, romance, intrigue, and startling revelations as they race against time to thwart the Ja'al plans and solve the mystery of Whitehorse Peak.

[An Irish Historical Love Story](#) Vintage

A girl rallies her community in obtaining materials to finish construction on a beautiful ship that, due to lack of funds, is slated to be destroyed.

[The Lost Twin](#) Harper Collins

In 17th-century Oxfordshire, Margaret waits in the manor for news from her husband who's fighting for the cause of Parliament. At Fronigas hearth sits the wise woman whose moral clarity brings life to the community. Goudges novel explores the cost of zeal and the power of healing when village life is ruptured by national conflict.

The White Horse Talisman Simon and Schuster

Emmy Award-winning actress Sharon Gless tells all in this laugh-out-loud, juicy, and touching memoir about her five decades in Hollywood, where she took on some of the most groundbreaking roles of her time. Anyone who has seen Sharon Gless act in *Cagney & Lacey*, *Queer as Folk*, *Burn Notice*, and countless other shows and movies, knows that she's someone who gives every

role her all. She holds nothing back in *Apparently There Were Complaints*, a hilarious, deeply personal memoir that spills all about Gless's five decades in Hollywood. A fifth-generation Californian, Sharon Gless knew from a young age that she wanted to be an actress. After some rocky teenage years that included Sharon's parents' divorce and some minor (and not-so-minor) rebellion, Gless landed a coveted spot as an exclusive contract player for Universal Studios. In 1982, she stepped into the role of New York Police Detective Christine Cagney for the series *Cagney & Lacey*, which eventually reached an audience of 30 million weekly viewers and garnered Gless with two Emmy Awards. The show made history as the first hour-long drama to feature two women in the leading roles. Gless continued to make history long after *Cagney & Lacey* was over. In 2000, she took on the role of outrageous Debbie Novotny in *Queer as Folk*. Her portrayal of a devoted mother to a gay son and confidant to his gay friends touched countless hearts and changed the definition of family for millions of viewers. *Apparently There Were Complaints* delves into Gless's remarkable career and explores Gless's complicated family, her struggles with alcoholism, and her fear of romantic commitment as well as her encounters with some of Hollywood's biggest names. Brutally honest and incredibly relatable, Gless puts it all out on the page in the same way she has lived—never with moderation.

Charlotte and The White Horse Egmont Books

Two grieving sisters resolve to break a spell cast by evil fairies after the death of their mother, Olivia and Nellie are shipped off to their great-aunt's house for the summer. Nine-year-old Olivia is not excited about the trip—she has to keep one eye on kind but eccentric Aunt Minty and the other on her younger sister, Nellie, who's been behaving oddly. But the summer takes an interesting turn when Olivia discovers an old fairy tale: the story of a group of children who, at a garden tea party, are turned into flowers. The garden sounds an awful lot like the one at Aunt Minty's house—could the flower children be real? If Olivia and Nellie can only locate the old tea set from the story, they might be able to break the spell.

In a remote mid-nineteenth-century English town, cathedral Dead

Adam Ayscough holds a deep love for his parishioners and townspeople. When an obscure watchmaker strikes up an unlikely friendship with the Dean, it leads to an unusual spiritual awakening in both men, and eventually reaches out to the entire community.

The Valley of Song Createspace Independent Publishing Platform

From the day twelve-year-old Rhiannon spots a lost white Arabian gelding in the woods near her small Pennsylvania mining town, her life finds a focus as she learns to deal with family problems and decides the direction her life will take.

Hendrickson Publishers

** "This memoir seems written directly from Hemp's soul, as she beautifully shares her moving story of learning to love and trust again after loss."--Booklist ** Christine Hemp's debut work of nonfiction, *Wild Ride Home*, is a brilliant memoir, looping themes of finding love and losing love, of going away and coming home, of the wretched course of Alzheimer's, of cancer, of lost pregnancies, of fly fishing and horsemanship, of second chances, and, ultimately, of the triumph of love and family--all told within the framework of the training of a little white horse named Buddy. *Wild Ride Home* invites the reader into the close Hemp family, which believes beauty and humor outshine the most devastating circumstances. Such optimism is challenged when the author suffers a series of blows: a dangerous fiancé, her mother's dementia, unexpected death and illness. Buddy, a feisty, unforgettable little Arabian horse with his own history to overcome, offers her a chance to look back on her own life and learn to trust again, not only others, but more importantly, herself. Hemp skillfully guides us through a memoir that is, despite devastating loss, above all, an ode to joy.

Apparently There Were Complaints Vintage

The author presents a portrait of three generations of her family in the rural West, their links to the family's Wyoming ranch, and the loss of their rural lifestyle

Jesus and His White Horse Bethlehem Books

Writing can open doors to a better life for Raina—but it's up to her not to slam them shut Raina doesn't trust anyone. People either hurt you or leave you—or they die, which is the same thing,

really. She used to trust her mother, until her mother chose heroin and a long series of abusive boyfriends over her. Now, sixteen-year-old Raina panhandles on the streets and sleeps in abandoned buildings with her boyfriend, Sonny. She doesn't tell anyone the truth about her life, at least not out loud, but she can't stop it from coming out in the poems and stories she writes for her teacher Miss Johnson. Miss Johnson knows that Raina is smart, perceptive, and utterly locked inside of herself. The concerned teacher reaches out again and again, but Raina's dreams have been crushed by reality too often. What will it take for Raina to ask for help?

THE CHILD FROM THE SEA Open Road Media

Continuing a two-year program to bring back twenty-two Maurice Sendak treasures long out of print, our second season of publication highlights one of the most successful author-illustrator pairings of all time. A pioneer of great children's literature, Ruth Krauss published more than thirty books for children during a career that spanned forty years. Krauss and Sendak collaborated on eight books, and we are delighted to reintroduce four of these gems in brand-new editions, together with a favorite Maurice Sendak picture book.

Linnets and Valerians Morgan James Publishing

An exploration of one of England's great ancient monuments: the 360-foot-long chalk White Horse at Uffington.

Who Rides the White Horse Lion Children's Books

For a fleeting instant Maria thought she saw a little white horse with a flowing mane and tail, head raised, poised, halted in mid-flight, as though it had seen her and was glad.' The beautiful valley of Moonacre is shadowed by the memory of the Moon Princess and the mysterious little white horse. When Maria Merryweather comes there on a visit she finds herself involved with an ancient feud. She is determined to restore peace and happiness to the whole of Moonacre Valley. And Maria usually gets her own way

By Elizabeth Goudge Random House Books for Young Readers

When Nan, Robert, Timothy, and Betsy's father went off to explore in Egypt, he left the children with their grandmother who lived in the English countryside. Unfortunately she did not much like children, much less their dog, Absalom. So the children ran away to stay with their Uncle Ambrose, an eccentric, strict, and loveable retired school teacher who was determined to give them

an Education, but in addition to Greek, Latin, and Literature, the Linnet children learned much more — about nature and magic, the power of the past and Pan, and, of course, the importance of the bees. They used their knowledge to find the lost Valerians, undo some very wicked, ancient spells, and reunite a divided family. The word "enchanted" is overused, but in this case it applies.

Cole, The Little White Horse Lion Children's

Captured by pirates while sailing from Maine to Genoa in the years following the American Revolution, Sally and Andrew plan their escape after being sold to the sultan of Morocco.

To Ride a White Horse Lion Fiction

Who Rides the White Horse Hi my friend, after you've read this book you may not want to consider me a friend. I'm learning to accept that. There was a time that when I met someone like me the way I am now. I felt the same way as many of you will. Even though you won't be able to prove me wrong, you're going to hate me for the way I tell the truth. Yes I know I seem to act and sound cocky. I'm hoping that some one can knock old Ray off his high horse with a stronger sense of truth than mine. It's been a few years now and no one yet has done that. My pledge is that should some one prove anything that I have said to be a lie at the very least I'll have to publically apologize. If my word is worth anything it's now on the line. My name is Ray Ralph. I'm the author of Christ, Christianity, and Christians Welcome to the real world. For most of you who are about to read this book, It will most likely not live up to your expectations. The majority of you who read these types of books will be expecting more of the same old same old. These days preachers of all faiths prepare their sermons for their next worship day. You will attend the service out of tradition, and habit more than anything else. It's your responsibility, your duty to honor God with your presence. You'll show up at the church dressed in your Sunday best whether you have services on Sunday, Saturday, or any other day. You'll find your seat, make yourself as comfortable as you can, some of those seats are as comfortable as easy chairs, and some are bring your own pillows. Then you muddle through the next few hours give or take. Whatever the sermon is about, you usually don't have a say, and yet you'll suppose ably accept it as Gods Word. What was said actually didn't make sense but hey, the sermon was good the pastor who told it is your friend. Gods chosen representative.

They don't make mistakes and if they do there so insignificant it doesn't matter. Like many of you I was raised a Christian and as I was growing up I heard the word of God told to me the same way, over and over for over 50 years. Myself I had never read a book of the Bible in my life. I used the same excuse as many of you; it's just too hard to understand. All those years I just took for granted that what my preachers were telling me was Gods Word. My preachers wouldn't lie. I stood up for my faith whatever the consequences. Now that I think back upon many of my conversations with other faiths it didn't matter that what I was saying was totally wrong, as far as I was concerned I was right and they were wrong. What I couldn't figure out was why everyone else couldn't see that my faith was the true faith. I could see their faiths short comings, but I couldn't see mine. Then one morning it happened, TheReallyTruth. You are now about to read Christ, Christianity, and Christians. This Roller Coaster Ride I call TheReallyTruth is rolling, ride with your eyes and mind wide open. Remember to show this book to your pastor's asking them to put Ray in his place. Should you and or your faith disagree with what I say, they should be able to do that? Thank You and Enjoy!...

Sincerely Ray Ralph ...

A Western Family Album Simon and Schuster

Based on a real-life revelational experience that is described in the substantial "Afterword" section, *The White Horse* teaches that one should not judge another by superficial characteristics. In a rural setting whose exact time and setting are purposely undefined, a family of four young children and their parents rejects a horse because of his skin color. The horse initially resigns himself to his outcast status, but when the children find themselves in danger, he emerges as a confident rescuer. The horse's heroic act proves to the family, and to the horse, himself, that their preconceived prejudices about him were, for many reasons, entirely wrong.

The Dark Horse Speaks Candlewick Press (MA)

A post-apocalyptic thriller chronicling one woman's quest to nurture those she holds dear against the backdrop of a shockingly changed world When I wake the world is gone. Only fragments remain. And then I remember . . . Before: Her life may have taken a couple of wrong turns but Zoe is trying to make the best of what she has. A part-time cleaning job to pay for college, a weekly appointment with her therapist to straighten out the problems in

her life. The same problems that any thirty-year-old would have. Nothing major. Nothing life-threatening. A few bad dream, that's all. After: The only thought that remains is survival. Survival in a desolate, post-apocalyptic world. For herself. For her unborn baby. But help is scarce in a world where untold horrors exist around every corner, where food and water are in desperately short supply, and the only chance of happiness is half a world away. Adams has an excellent sense of timing, delivering gasp-inducing moments that punctuate her nightmare with verve. But it's Zoe's clear-eyed sense of self-preservation that will keep readers waiting for Adams' follow-up.- Kirkus

FINALLY, A CHILDREN'S BOOK ABOUT THE RETURN OF JESUS. In his pursuit to motivate and prepare children to hold on to their faith, as well as, tell the WHOLE story of Jesus and the Bible, highly-regarded prophecy teacher Jake McCandless teamed with breakout-illustrator Tyson Ranes to produce one of the only children's picture books that tells of Jesus' return. Children know about Jesus and the manger, the cross, and the empty tomb, but they do not know about Him returning on the White Horse. Through this ground-breaking picture book, children not only hear the missing ending of the Biblical story, but through the skillful retelling of this neglected and often controversial Biblical truth, children and the parents who read the story to them will gain a

clearer understanding and renewed excitement in the second coming. Jesus and His White Horse will have everyone cheering "HOORAY" for the returning King.

Not on a White Horse Open Road Media

This is the story of Cole - a little white horse - and Sally, the girl who loved him. The story starts with how they met, how they grew to love each other, and then how they managed to get through a rather scary adventure together. The story comes to an end - as all stories do - but Sally and Cole were both better for having met. Although this is only a story, it is inspired by a real little girl and a real little horse. That girl, who is not little anymore, is Alexa Kullberg. And the little white horse really is Cole....
