A Volcano in My Tummy: Helping Children to Handle Anger presents a clear and effective approach to helping children and adults alike understand and deal constructively with children's anger. Using easy to understand yet rarely taught skills for anger management, including how to teach communication of emotions, *A Volcano in My Tummy* offers engaging, well-organized activities which help to overcome the fear of children's anger which many adult care-givers experience. By carefully distinguishing between anger the feeling, and violence the behavior, this accessible little book, primarily created for ages 6 to thirteen, helps to create an awareness of anger, enabling children to relate creatively and harmoniously at critical stages in their development. Through activities, stories, articles, and games designed to allow a multi-subject, developmental approach to the topic at home and in school, *A Volcano in My Tummy* gives us the tools we need to put aside our problems with this all-too-often destructive emotion, and to have fun while we're at it. Elaine Whitehouse is a teacher, family court and private psychotherapist, mother of two and leader of parenting skills workshops for eight years. Warwick Pudney is a teacher and counsellor with ten years experience facilitating anger management, abuser therapy and men's change groups, as well as being a father of three. Both regularly conduct workshops.

Understanding Personification Orbit

This appealing title helps children identify and understand the meaning of metaphors. Examples familiar to children are used to help them learn how to decode this often tricky figurative language form and distinguish it from a simile. Understanding metaphors will expand children's reading comprehension and give them skills to add creativity to their writing.

Take Charge of Anger Free Spirit Publishing

When things don't go right. When it's not fair. When someone doesn't do what they promised they would. Losing or breaking

something, being scared or hurt. Not understanding or being able to make something work. Any of these things can trigger anger in children. In response, they may scream, shout, or lash out. This book helps children learn how to deal with their anger. It explains how and why we get angry, and why we think, feel and do the things we do when we're angry. It explains how children can use up their angry energy safely, in ways that don't hurt anyone or make things worse. *Take Charge of Anger* understands what's going on for an angry child. It suggests ways in which a child can learn to manage their anger and get help if they need it. With this book, children can learn solutions that really work so that they feel less overwhelmed and upset and more in control.

Batting Order Crabtree Publishing Company

Who has the most power to stop and prevent bullying? Teachers? Parents? The Principal of the Universe? No, no, and no way! When it comes to changing bullying behavior, nobody has more power than upstanders--all the people who see bullying or know it's happening...and decide to do something about it. How strong are upstanders? Stronger than a snarling seventh grader. More powerful than a petty put-down. Able to delete Internet rumors with a single click. When BYstanders choose to act as UPstanders, they are real superheroes!

Bullying Carson-Dellosa Publishing

As an unabashed dog lover, Alexandra Horowitz is naturally curious about what her dog thinks and what she knows. As a cognitive scientist she is intent on understanding the minds of animals who cannot say what they know or feel. This is a fresh look at the world of dogs -- from the dog's point of view. The book introduces the reader to the science of the dog -- their perceptual and cognitive Abilities -- and uses that introduction to draw a picture of what it might be like to be a dog. It answers questions no other dog book can -- such as: What is a dog's sense of time? Does she miss me? Want friends? Know when she's been bad? Horowitz's journey, and the insights she uncovered from studying her own dog, Pumpernickel, allowed her to understand her dog better, and appreciate her more through that understanding. The

reader will be able to do the same with their own dog. This is not another dog training book. Instead, Inside of a Dog will allow dog owners to look at their pets' behaviour in a different, and revealing light, enabling them to understand their dogs and enjoy their relationship even more.

When I Am Angry New Society Publishers

All Violet Parker wants is a day off. Better yet, just a "normal" day. But things never go as planned, especially in Deadwood. Someone—or rather something—broke into the local taxidermy shop and took bites out of the critter displays before racing off into the dark. But this is no random crime and Violet knows it. With a bounty on her head and troublemakers zeroing in on her, she soon goes from being the hunter to the hunted. "Burly muscled and rawhide tough don't matter. Never tangle with a Scharfrichter!" ~Violet Parker

How to Take the GROAN Out of Grown-Ups (and Get Along!) Self-Regulation Skills

She doesn't see dead people, but... She senses when someone near her is about to die. And when that happens, a force beyond her control compels her to scream bloody murder. Literally. Kaylee just wants to enjoy having caught the attention of the hottest guy in school. But a normal date is hard to come by when Nash seems to know more about her need to scream than she does. And when classmates start dropping dead for no apparent reason, only Kaylee knows who'll be next...
