An in-depth study of the vital principles from the best-selling *Cracking the Communication Code* now in workbook form. Communication between couples has been dissected in thousands of books and articles, so why does it remain the number one marriage problem? "Because," says Dr. Emerson Eggerichs, "most spouses don't know that they speak two different languages. They are sending each other messages in 'code,' but they won't crack that code until they see that she listens to hear the language of love and he listens to hear the language of respect." Dr. Eggerichs' best-selling book, *Love and Respect*, launched a revolution in how couples relate to each other. Now with the *Cracking the Communication Code* companion workbook, the message of this hardcover trade book can be studied and applied whether for a group or for individual couples. The result will be better communication, mutual understanding, and a successful godly marriage.

God has dreams—just for you *Becoming Myself* is a hope-filled book for anyone who wonders if her life will ever change—if she will ever change. In Stasi Eldredge's most intimate book yet, she shares her own struggles with self-worth, weight, and her past as she shows readers how God is faithfully unveiling who we truly are. Stasi urges you to lay down your past thoughts about yourself and receive God's incredible dreams for you instead. We cannot heal ourselves. We cannot become ourselves by ourselves. But we are not by ourselves. The King of love wants to help us become. God desires to restore us—the real us. As he heals our inner life, he calls us to rise to the occasion of our lives. The most important journey any woman can take is the journey into becoming her true self through the love of God. It's a beautiful paradox. The more of God's you become, the more yourself you become—the "self" he had in mind when he thought of you before the creation of the world. Discover your truest self—the woman God created you to be—in *Becoming Myself*.

Drawing Closer to the Heart of God Thomas Nelson Inc

Cada jovencita sueña con ser rescatada por un héroe, sueña con ser transportada a una gran aventura, sueña con ser la bella princesa. Tristemente, cuando las mujeres crecen, se les enseña a ser fuertes, eficientes e independientes. Muchas mujeres cristianas están cansadas de luchar con el peso de ser "una buena sierva", una proveedora de buena educación o un ama de casa ejemplar. Lo que Salvaje de corazón hizo en los hombres, *Cautivante* lo puede hacer en las mujeres. Este impactante libro le muestra a las lectoras el diseño glorioso de las mujeres antes de la Caída, describe cómo se puede sanar el corazón femenino y arroja luz sobre el poder y la belleza que una mujer debería tener. Al revelar los tres deseos principales que cada mujer lleva consigo: Un romance que compartir, una vida por la cual ser responsable y una belleza por resurgir—John y Stasi Eldredge invitan a las mujeres a recobrar esos corazones femeninos, creados a la imagen de un Dios apasionado. Debemos agregar que este libro animará a los hombres a descubrir el alma de la mujer y a deleitarse en la belleza y la fuerza que las mujeres por naturaleza pueden ofrecer.

Celebrating a Mother's Heart Thomas Nelson

ONCE UPON A TIME... Marriage was forever. It was a covenant that knit one man and one woman together. This weaving made both stronger, nobler, and more vibrant expressions of who they were created to be. They were better together than either had been on their own. The wedding ceremony was but a beginning. It was the gateway to build their happily ever after. Each choice and action was designed to construct the life their union represented. Husband and wife walked into the great unknown with hearts, hands, and voices intertwined to express the love of their Creator. How did we lose touch with this profound love story? In *The Story of Marriage*, John and Lisa Bevere invite you to rediscover God's original plan. Whether you're married, single, or engaged, your story is a part of His. Interactive book includes: - Daily devotionals - Questions for group discussion - Tools for mapping your dream marriage - Steps for writing your story well

Tantra Thomas Nelson

Expanding on themes in the bestseller *Captivating*, Stasi Eldredge wrote this book to encourage mothers. She writes, "Every cry out to God in the midst of weariness and loneliness and sorrow for the strength to love; for the wisdom to discipline well; for the grace to respond with patience; for the help to soothe the ache in your heart, deepens His presence in your soul and changes you ever more into the woman you desire to be; the woman you are becoming . . . the woman you were created to be." *You Are Captivating* celebrates the glorious design and beauty of a mother released to be all she was meant to be. Available for the first time in hardcover and beautifully designed with 2-color interiors, this book is perfect for gift giving and will encourage and inspire every mother with the knowledge that she is truly captivating.

Daring to Do What God Calls You to Do Waterbrook Press

In his book *Wild at Heart*, author John Eldredge thrust a generation of men, young and old, toward a journey to recover true masculinity—the soul of a man as God designed him. If you've already begun the journey, you know how thrilling—and hard—it can be. So you may have longed for a tool to maximize the impact, a guide to show the way. Packed with new information and insights, the *Wild at Heart Field Manual* guides you along "the road less traveled." Filled with probing questions, creative exercises, and space to record personal field notes, this companion volume is designed to transition you from reading about the wild heart to living from it. For too long, the call of Christianity to men has evoked no higher goal, ultimately, than becoming a "nice guy." No wonder many men are bored to tears with church. The hero instinct has been trained out of them. But Eldredge invites men to come alive again, to find their great battle, adventure, and beauty. If you dare . . . keep reading. Your life will never be the same.

Resolving Everyday Conflict Weiser Books

Life, for most of us, feels like a movie we've arrived to forty minutes late. Sure, good things happen, sometimes beautiful things. But tragic things happen too. What does it mean? We find ourselves in the middle of a story that is sometimes wonderful, sometimes awful, usually a confusing mixture of both, and we haven't a clue how to make sense of it all. No wonder we keep losing heart. We need to know the rest of the story. For when we were born, we were born into the midst of a great story begun before the dawn of time. A story of adventure, of risk and loss, heroism . . . and betrayal. A story where good is warring against evil, danger lurks around every corner, and glorious deeds wait to be done. Think of all those stories you've ever loved--there's a reason they stirred your heart. They've been trying to tell you about the true Epic ever since you were young. There is a larger story And you have a crucial role to play.
