*Operations Manual for Smaller Stores*  
Tata McGraw-Hill Education

The ultimate instruction manual for every new CEO The New CEO Corporate Leadership Manual is essential reading for every CEO needing a blueprint for the role of CEO, including an overview of organizational structure, corporate strategy,

management systems and finance. Along with considerable information about the financial systems needed for a modern corporation, with particular emphasis on funds management, going public, and dealing with investors, this important book explains how to select acquisition targets, price them appropriately, and successfully integrate them, as well as how to turn around a

failing enterprise. Gives new CEOs a hard, quantitative view of the systems and techniques needed to run a company. Discusses the CEO's place in the corporation. Explores information technology strategy, tax strategy, outsourcing strategy and more. Filled with pragmatic insights, proactive strategies, and best practices, *The New CEO Corporate Leadership*

Manual is destined to become the desktop companion you employ to be successful in your new position.

desktop companion. This thorough guidebook is essential reading for the CFO requiring an overview of strategies, measurement and control systems, financial analysis tools, funding sources, and management improvement tips. **Franchise Opportunities** Sterling Publishing (NY) Green Spas And Salons: How To Make Your Business Truly Sustainable, by Shelley

Lotz, helps owners and managers develop smart, sustainable practices for long-term business success. This unique guidebook summarizes business practices, sustainability principles, and green building all in one. Even if you are already using green practices, this guide can help you assess your policies and procedures and keep you on track. The book sifts through the

"green hype" to focus on best practices. Planning guides with personalized action plans, how-to steps, and worksheets are included. Tools for evaluating your services, products, supplies, operations, and building elements are given, along with ideas for staff engagement, client needs, and marketing. Review inspiring spa case studies and learn about hospitality, resort, and

industry trends. Guidelines for purchasing, water and energy conservation, waste reduction, and indoor environmental quality are all covered. These practical tools go beyond the spa/salon/hospitality industry-most are applicable to any business and personal lifestyle. The book is described by Mary Bemis (Founder of Insider's Guide to Spas, and Founding Editor of

Organic Spa Magazine) as "an invaluable resource for spa and salon owners." Kristi Konieczny, Founder of The Spa Buzz, says "The most powerful and practical resource for sustainability of spa and salon operations I have ever seen." Shelley Lotz has over 25 years of experience in the spa/wellness/beauty industry as an esthetician, educator, and business owner. She is a major contributing

author of Milady's Standard Esthetics Fundamentals and is a Certified Sustainable Building Advisor.
