WALKER DAUGHERTY

Training Hearts, Teaching Minds Oxford University Press
Understand Foundations of the Christian Church through These
Historic Statements of Faith For centuries, followers of Jesus have
used creeds and confessions to express their Christian beliefs.
Summarizing key truths from Scripture into succinct statements,
these words have shaped the church for generations and continue
to teach and inspire believers today. Creeds, Confessions, and
Catechisms gathers 13 historic statements of faith—including the
Apostles' Creed, the Belgic Confession, and the Heidelberg
Catechism—into one beautiful collection. Each text includes an
introduction from editor Chad Van Dixhoorn that explains its
origins and significance to the early church. By learning and
revisiting these timeless confessions of faith, readers can grow
spiritually and learn more about Christian history. Great Resource
for Daily Reading and Study: Includes early church creeds and
major Protestant statements, historical context from editor Chad
Van Dixhoorn, and a Scripture index Accessible: Useful for pastors
and laypeople, seminary students, church groups, or anyone
seeking to learn about the foundations of Christianity 13 Christian
Creeds and Confessions: Includes The Apostles' Creed, The Nicene
Creed, The Athanasian Creed, The Chalcedonian Definition, The
Augsburg Confession, The Belgic Confession, The Thirty-Nine
Articles of Religion, The Canons of Dort, The Westminster
Confession of Faith, The London Baptist Confession, The
Heidelberg Catechism, The Westminster Larger Catechism, and
The Westminster Shorter Catechism Adapted from the ESV Bible
with Creeds and Confessions

God at Work Catholic University of America Press
Introduces young readers to Catholic beliefs as expressed in the
Catechism of the Catholic Church.

Dynamic Catholicism Ignatius Press

Jesus said, "The truth will set you free." Father Spitzer lays bare
the theological and philosophical roots of Catholic morality, and
also uses secular statistical studies to demonstrate that these
teachings, even from a scientific standpoint, help human beings
to flourish. Gathering data from universities, general psychiatry,
medical institutes, and general survey organizations such as Pew
Research, Gallup Research, and Harris Poll, this book shows that
going against foundational Christian doctrines, from marriage to
the sanctity of unborn life, leads to significant increases in
depression, anxiety, substance abuse, familial tensions, suicidal
contemplation. The numbers speak for themselves. Many people
today, particularly the young, are embarrassed by the Church's
moral teaching. For them, it is only an outdated expression of
hatred or disgust. Yet nothing could be further from the truth. Sin
is what degrades man and kills his joy, and a moral life is a life of
love. If we tell the truth about destructive lifestyles, we can
rescue our loved ones from a life of darkness, helping to bring
about a shift in our culture. With scientific clarity, this work
provides readers everything they need to know to speak credibly,
effectively, and persuasively about the most controversial moral
issues. Imprimatur: +The Most Reverend Kevin J. Vann, J.C.D.,
O.D. Bishop, Diocese of Orange February 28, 2021
The Moral Wisdom of the Catholic Church Ignatius Press
Formerly *Essential Catholicism*, this book has been retitled to
reflect how, through the centuries, the Roman Catholic Church
has evolved in many aspects of its teaching. The new title also
reflects how theologians today grapple with ever new ways of
understanding many facets of Catholic belief and practice. Who is
Jesus? Or Mary? Who are the saints? How are theologians trying to
understand such topics as marriage, divorce, homosexuality?
What of social justice? The relationship of conscience to papal
authority? Thomas Bokenkotter masterfully shows how these
questions and many others have been answered in different ways
through the centuries. He also translates the latest theological

writings on these topics into plain language. "My aim," he says,
"has been to sift through and select what seems most helpful and
enlightening for those who seek an understanding of the
essentials of Catholicism today." Here, then, is a book for all
Catholics -- those assured in their belief and those questioning it.

Arranged according to themes from Scripture and the liturgical
seasons, these meditations provide a wonderful source of
inspiration and prayer. Cardinal Ratzinger emphasizes the
importance of uniting charity with truth to help awaken in each
reader the courage and generosity to become co-workers with the
Gospel.

[A Catechism for Business](#) Scepter Publishers

This much-needed anthology contains historically informed
insights and analysis about Christian just war thinking and its
application to contemporary conflicts. Recent Christian reflection
on war has largely ignored questions of whether and how war can
be just. The contributors to *Just War and Christian Traditions*
provide a clear overview of the history and parameters of just war
thinking and a much-needed and original evaluation of how
Christian traditions and denominations may employ this thinking
today. The introduction examines the historical development of
Christian just war thinking, differences between just war thinking
and the alternatives of pacifism and holy war, distinctions among
Christian thinkers on issues such as the role of the state and
"lesser evil" politics, and shared Christian theological

commitments with public policy ramifications (for example, the priority of peace). The chapters that follow outline—from Catholic, Orthodox, Lutheran, Reformed, Anglican, Methodist, Baptist, and Anabaptist denominational perspectives—the positions of major church traditions on the ethics of warfare. The contributors include philosophers, military strategists, political scientists, and historians who seek to engage various and distinctive denominational approaches to the issues of church and state, war, peace, diplomacy, statecraft, and security over two thousand years of Christian history. *Just War and Christian Traditions* presents an essential resource for understanding the Judeo-Christian roots and denominational frameworks undergirding the moral structure for statesmanship and policy referred to as just war thinking. This practical guide will interest students, pastors, and lay people interested in issues of peace and security, military history, and military ethics. Contributors: John Ashcroft, Eric Patterson, J. Daryl Charles, Joseph E. Capizzi, Darrell Cole, H. David Baer, Keith J. Pavlischek, Daniel Strand, Nigel Biggar, Mark Tooley, and Timothy J. Demy.

Hard Times HarperCollins

"In the heart of this world, the Lord of life, who loves us so much, is always present. He does not abandon us, he does not leave us alone, for he has united himself definitively to our earth, and his love constantly impels us to find new ways forward. Praise be to him!" – Pope Francis, *Laudato Si'* In his second encyclical, *Laudato Si': On the Care of Our Common Home*, Pope Francis draws all Christians into a dialogue with every person on the planet about our common home. We as human beings are united by the concern for our planet, and every living thing that dwells on it, especially the poorest and most vulnerable. Pope Francis' letter joins the body of the Church's social and moral teaching, draws on the best scientific research, providing the foundation for "the ethical and spiritual itinerary that follows." *Laudato Si'* outlines: The current state of our "common home" The Gospel message as seen through creation The human causes of the ecological crisis Ecology and the common good Pope Francis' call to action for each of us Our Sunday Visitor has included discussion questions, making it perfect for individual or group study, leading all Catholics and Christians into a deeper understanding of the importance of this teaching.

Creeds, Confessions, and Catechisms Image

In *Faithful Careers* Peter M. Smudde contends that God calls us to live an "integrated life" that unifies both the spiritual and the secular aspects of life. As an introduction to integrating the Catholic faith with one's work, this book answers, in the Catholic context, basic questions of what work is, why work is important, who we are as workers, how may we have fruitful careers, where may we find help about faith-work integration, and when we should take next steps toward better integrating our work and the Catholic faith. Smudde demonstrates how the Catholic faith truly does apply to our labor, and that our lives depend on that labor, by putting forth particular matters of the faith that pertain to faithful careers. He then puts into real-world context, pertinent teachings, concepts, principles, practices, and other means the Catholic Church provides for us, so that those lessons can be practically applied on a daily basis. Sources such as the Bible and writings of the saints, popes, contemporary Catholic spiritual writers, apologists, and scholars are applied to strengthen the support made about the book's content. Catholic professionals at all stages of their careers will welcome this insightful book, which explores the call to put spirituality in the foreground—to obtain ever-deeper faith and, thereby, greater integration of faith in everyday life and career.

Virtuous Leadership Veritas Co. Ltd.

"Following Jesus is hard enough without having to navigate the rocky terrain of church culture all by yourself. The Lutheran Handbook is the indispensable companion for anyone trying to become a well-informed church-goer and have a chuckle now and then. Timeless biblical truths stand alongside everyday life situations that everyone meets, with step-by-step instructions that make the going easy" -- BACK COVER.

Faithful Careers InterVarsity Press

"Going back to the Puritans, Protestant orientations to work and economics have shaped religious practice and wider American culture for several centuries. But not all strands of American Protestantism consistently yielded frameworks that elevated secular work to the highest echelons of spiritual significance. This book surveys the efforts of a religious movement within White Protestant Fundamentalism and their Neo-Evangelical progeny that steer tremendous resources and energy toward "making work matter to God." Today bearing the name the "Faith and Work movement," this effort puts on display the creative

capacities of religious and lay leaders to adapt a faith system to the changing social-economic conditions of advanced capitalism. Building from the insights and theory of Max Weber, *Saving the Protestant Ethic* draws on archival research and interviews with movement leaders to survey and assess the surging number of new organizations, books, conferences, worship songs, seminary classes, vocational programming, and study groups promoting classically Protestant and Calvinist ideas of work and vocation with American Evangelicalism. Such efforts are traced back to early 20th century business leaders and theologically trained leaders who saw a desperate need for a new "work ethic" for religious laity occupying professional, managerial, and creative class work"--

To be a Christian Image

What it means to be a man or a woman is questioned today like never before. While traditional gender roles have been eroding for decades, now the very categories of male and female are being discarded with reckless abandon. How does one act like a gentleman in such confusing times? *The Catholic Gentleman* is a solid and practical guide to virtuous manhood. It turns to the timeless wisdom of the Catholic Church to answer the important questions men are currently asking. In short, easy-to-read chapters, the author offers pithy insights on a variety of topics, including • How to know you are an authentic man • Why our bodies matter • The value of tradition • The purpose of courtesy • What real holiness is and how to achieve it • How to deal with failure in the spiritual life

Amusing Ourselves to Death P & R Publishing

The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." – Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous

peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*

[The Spirit of Conscious Capitalism](#) Ignatius Press
Thoroughly revised, updated, and expanded, *The SAGE Encyclopedia of Business Ethics and Society, Second Edition* explores current topics, such as mass social media, cookies, and cyber-attacks, as well as traditional issues including accounting, discrimination, environmental concerns, and management. The new edition also includes an in-depth examination of current and recent ethical affairs, such as the dangerous work environments of off-shore factories for Western retailers, the negligence resulting in the 2010 BP oil spill, the gender wage gap, the minimum wage debate and increasing income disparity, and the unparalleled level of debt in the U.S. and other countries with the challenges it presents to many societies and the considerable impact on the ethics of intergenerational wealth transfers. Key Features Include: Seven volumes, available in both electronic and print formats, contain more than 1,200 signed entries by significant figures in the field Cross-references and suggestions for further readings to guide students to in-depth resources Thematic Reader's Guide groups related entries by general topics Index allows for thorough browse-and-search capabilities in the electronic edition

[Modern Moral Problems](#) Courier Corporation
This book provides a constructive criticism of the emerging practice of conscious capitalism from the perspective of world

religions and spiritualities. Conscious capitalism, to many of its adherents, represents an evolutionary step forward beyond the dominant neo-liberal paradigm, where it often appears that just about everything is for sale. Is conscious capitalism consistent with the values inherent in religious and spiritual world-views and does it provide a better fit for bringing out the best that business has to offer? This book answers these questions and many more. An appealing read for researchers in business ethics as well as any reader critical of the excrescences of capitalism.

[St. Thomas Aquinas](#) Penguin

"The recent reprint of *The Baptist Catechism* has given families and study classes a helpful tool for memorizing the great doctrines of the Christian faith. Now, a hidden jewel, Benjamin Beddome's 'A Scriptural Exposition of the Baptist Catechism,' takes its place alongside the Catechism to give much needed assistance to the same families and classes. Beddome shows how the doctrines contained in the Catechism are founded upon Scripture, and explains them for all to understand. This is indeed a wonderful instrument to make skilled craftsmen from apprentices!" - Dr. James M. Renihan

[Five Years in Heaven](#) Crossway

"A treasure...a wise and entertaining book that should appeal to the spiritual pilgrim in all of us, no matter what the faith and no matter whether believer or nonbeliever." - Chicago Tribune
The New York Times bestselling author of *The Jesuit Guide to (Almost) Everything* and *Jesus: A Pilgrimage* turns his attention to the relationship between LGBT Catholics and the Church in this loving, inclusive, and revolutionary book. A powerful call for tolerance, acceptance, and support—and a reminder of Jesus' message for us to love one another. In this moving and inspiring book, Martin offers a powerful, loving, and much-needed voice in a time marked by anger, prejudice, and divisiveness. On the day after the Orlando nightclub shooting, James Martin S.J. posted a video on Facebook in which he called for solidarity with our LGBT

brothers and sisters. "The largest mass shooting in US history took place at a gay club and the LGBT community has been profoundly affected," he began. He then implored his fellow Catholics—and people everywhere—to "stand not only with the people of Orlando but also with their LGBT brothers and sisters." Father Martin's post went viral and was viewed more than 1.6 million times. Adapted from an address he gave to New Ways Ministry, a group that ministers to and advocates for LGBT Catholics, *Building a Bridge* provides a roadmap for repairing and strengthening the bonds that unite all of us as God's children. Martin uses the image of a two-way bridge to enable LGBT Catholics and the Church to come together in a call to end the "us" versus "them" mentality. Turning to the Catechism, he draws on the three criteria at the heart of the Christian ministry—"respect, compassion, and sensitivity"—as a model for how the Catholic Church should relate to the LGBT community. WINNER OF THE LIVING NOW BOOK AWARD IN SOCIAL ACTIVISM/CHARITY.

[Laudato Si](#) Crossway

Drawing on the lives of some of the greatest political, intellectual and religious leaders of modern times, and the author's personal experience, *Virtuous Leadership* demonstrates that leadership and virtue are not only compatible, they are actually synonymous. *Virtuous Leadership* defines each of the classical human virtues most essential to leadership - magnanimity, humility, prudence, courage, self-control and justice. It demonstrates how these virtues promote personal transformation and the attainment of self-fulfillment. It also considers the Christian supernatural virtues of faith, hope and charity without which no study of leadership can be complete. The book's final section, *Towards Victory*, offers a methodology for the achievement of interior growth tailored to the needs of busy, professional people intent on imbuing their lives with a transcendent purpose. Thus, the aim of *Virtuous Leadership* is ultimately practical. It is meant to be your guidebook in the quest for excellence.
