### Publishers

For the past twenty years, I have thought and developed an interest in what I call the mystery mission of salvation in Christ Jesus. This curiosity has intensified over the past three years, and I am compelled by the divine spirit of Christ Jesus to put my belief and faith in ink on paper. Apostle Paul, the greatest theologian, stated, "Yet when I preach the gospel, I cannot boast, for I am compelled to preach" (1 Cor. 9:16). Like Paul, I am writing this book not of my own choice but of necessity. I believe I have been entrusted with this assignment to unveil the mystery mission of salvation in Christ Jesus. Paul stated, "For Christ's love compels us, because we are convinced that one died for all, and therefore all died" (2 Cor. 5:14). The love shown by Christ Jesus (Gal. 2:20, Rom. 8:35-38) is the model of authentic existence and compels believers like Paul, who thought that he had no choice but to imitate the selflessness of Christ Jesus to preach the Gospel of salvation in Christ Jesus. As a believer in the Savior, our Lord, and God Christ Jesus, I am obliged to write this book about the Son of God who

wrought salvation to the universe through his birth on the first Christmas Day, his mission on earth for about three years, his cruel death on the cross on the first Good Friday, and his ultimate resurrection on the first Easter Sunday morning. My purpose in this book is not to boast on human intelligence or ability; on the contrary, it is to show the love of Christ Jesus who condescended and descended humbly from his divine heavenly city to this sinful earthly city in order to bring eternal salvation to all those who believe in him. I do hope and pray ardently and fervently that this book might help just one person to come to know salvation in Christ Jesus for the first time or open the spiritual eye and mind of a believer to have a deeper and more holy understanding of the amazing grace and love of Christ Jesus, who brings salvation to humanity by his wonderful and mysterious mission of salvation, which is unveiled in this book. That person in either situation could be you.

Kregel Academic & Professional  
A classic, one-volume commentary written with an uncompromising commitment to the inspiration, authority, and integrity of the Scriptures.  
*New Testament Commentary: Mark Moody Publishers*

It seems unlikely that a chained prisoner would write a paper on triumph, but in his letter to the Philippian believers, the apostle Paul did exactly that. John F. Walvoord's refreshing analysis of this popular New Testament

epistle combines an unusually fascinating style with a careful exegesis of the original Greek text. After discussing the epistle's authorship, date, character, and relevance to modern Christianity, Walvoord moves to a consideration of prominent phrases in the Pauline writings. Additionally, cross-references and historical background help to explain the text to the layman or student. Learn how the principles expressed by the apostle Paul can help Christians today to consistently experience peace in Christ.

*New Testament Commentary: Mark Baker Academic*  
The Book of Revelation is a work of profound theology. But its literary form makes it impenetrable to many modern readers and open to all kinds of misinterpretations. Richard Bauckham explains how the book's imagery conveyed meaning in its original context and how the book's theology is inseparable from its literary structure and composition. Revelation is seen to offer not an esoteric and encoded forecast of historical

events but rather a theocentric vision of the coming of God's universal kingdom, contextualised in the late first-century world dominated by Roman power and ideology. It calls on Christians to confront the political idolatries of the time and to participate in God's purpose of gathering all the nations into his kingdom. Once Revelation is properly grounded in its original context it is seen to transcend that context and speak to the contemporary church. This study concludes by highlighting Revelation's continuing relevance for today.

**New Testament Commentary** Baker Books

G. K. Beale's monumental New International Greek Testament Commentary volume on Revelation has been highly praised since its publication in 1999. This shorter commentary distills the superb grammatical analysis and exegesis from that tome (over 1,300 pages) into a book more accessible and pertinent to preachers, students, and general Christian readers. As in the original commentary, Beale views Revelation as an integrated whole, as a conscious continuation of the Old Testament prophetic books, and shows that recognizing Revelation's nearly constant use of Old Testament allusions is key to unlocking its meaning. Interspersed throughout the volume are more than sixty sets of "Suggestions for Reflection" to help readers better grasp the relevance of Revelation to their lives and our world today.
