The powerful
memory of a
former love
rules
Radhika's
inner world as
she builds a
small-time
practice in

Law, and
attempts
normalcy in a
marriage she
neither
wanted nor
resisted.
Raped at age
ten, raped

again as a young collegiate, she is abandoned twice: first by her father and later by Christy who loved her, but takes her through a wedding ceremony only to leave her later the same day. When Christy returns sixteen years later, shattered and unstable, the burnt and withered roots of love bloom again. Trauma, betrayal, and loneliness are the colours that paint this picture of physical and

emotional violence that Radhika endures. *Property-liability Insurance Accounting and Finance* Chidambaras marana 12Th/Ed.Memoirs of a Malayalam poet. My Life Next Door Perhaps the only novel to have been reprinted nearly every year for over a hundred years, Indulekha (1889) is widely held to be the first Malayalam novel. Often called an 'accidental'

and 'flawed' work, at its core lies a love story. The setting of the novel is the Nair community of Kerala, which had for centuries practised polyandrous matriliney, a most unusual form of inheritance through the woman whom both property and authority flavoured. It gives us glimpses of prevalent social practices much debated amongst a people already under colonial

pressure to change their ways of life. Written by a Nair, Indulekha is not a grandiose outpouring but the author's effort to achieve certain social goals: firstly, to create a novel much like those of the English authors he had read, and secondly, to illustrate Nair society at that time, both of which met with success. The novel influenced the deliberations of the Malabar Marriage Commission

which it predated, and of which Chandum enon was a member. This novel will appeal to general readers interested in Indian writings in translation. Students of literature, history and culture, political and legal theory, and gender studies, will also find it useful. [Agnisakshi](#) Penguin
A restlessness born of guilt and despair leads Ravi to embark on a journey that ends in the

remote village of Khasak in the picturesque Palghat countryside in Kerala. A land from the past, potent with dreams and legends, enfolds the traveller in a powerful and unsettling embrace. Ravi is bewitched and entranced as everything around him—the villagers; their children whom he teaches in a makeshift school; the elders who see him as a threat; the toddy-tappers; the shamans—takes on the

| | | |
|--|---|--|
| quality of myth. And then reality, painful and threatening, begins to intrude on the sojourner's resting place and Ravi begins to understand that there is no escape from the relentless dictates of karma... Often poetic and dark, always complex and rich, The Legends of Khasak, O.V. Vijayan's much-acclaimed first novel, translated into English by the author, is an extraordinary | achievement <u>Review</u> Simon and Schuster Suspended Apocalypse is a rich and provocative meditation on the emergence of the Filipino American as a subject of history. Culling from historical, popular, and ethnographic archives, Dylan Rodríguez provides a sophisticated analysis of the Filipino presence in the American imaginary. Radically critiquing current conceptions of | Filipino American identity, community, and history, he puts forth a genealogy of Filipino genocide, rooted in the early twentieth-century military, political, and cultural subjugation of the Philippines by the United States. Suspended Apocalypse critically addresses what Rodríguez calls "Filipino American communion," interrogating redemptive and romantic |
|--|---|--|

notions of Filipino migration and settlement in the United States in relation to larger histories of race, colonial conquest, and white supremacy. Contemporary popular and scholarly discussions of the Filipino American are, he asserts, inseparable from their origins in the violent racist regimes of the United States and its historical successor, liberal multiculturalism. Rodríguez

deftly contrasts the colonization of the Philippines with present-day disasters such as Hurricane Katrina and Mount Pinatubo to show how the global subjection of Philippine, black, and indigenous peoples create a linked history of genocide. But in these juxtapositions, Rodríguez finds moments and spaces of radical opportunity. Engaging the violence and disruption of

the Filipino condition sets the stage, he argues, for the possibility of a transformation of the political lens through which contemporary empire might be analyzed, understood, and perhaps even overcome. "Me Grandad 'ad an Elephant!" D C Books
In this volume an attempt is made to touch upon the rich contribution by Krishna Menon to various spheres in building modern India. My Life Next

In this
“courageous”

(The Washington Post) memoir of survival, a former captive of the Islamic State tells her harrowing and ultimately inspiring story. Nadia Murad was born and raised in Kocho, a small village of farmers and shepherds in northern Iraq. A member of the Yazidi community, she and her brothers and sisters lived a quiet life. Nadia had dreams of becoming a history teacher or opening her

own beauty salon. On August 15th, 2014, when Nadia was just twenty-one years old, this life ended. Islamic State militants massacred the people of her village, executing men who refused to convert to Islam and women too old to become sex slaves. Six of Nadia's brothers were killed, and her mother soon after, their bodies swept into mass graves. Nadia was taken to Mosul and forced, along

with thousands of other Yazidi girls, into the ISIS slave trade. Nadia would be held captive by several militants and repeatedly raped and beaten. Finally, she managed a narrow escape through the streets of Mosul, finding shelter in the home of a Sunni Muslim family whose eldest son risked his life to smuggle her to safety. Today, Nadia's story—as a witness to the Islamic State's brutality, a

survivor of rape, a refugee, a Yazidi—has forced the world to pay attention to an ongoing genocide. It is a call to action, a testament to the human will to survive, and a love letter to a lost country, a fragile community, and a family torn apart by war.

Walking through Delhi brings Ruskin Bond face-to-face with a host of colourful characters—the formidable Punjabi matriarch 'Bhabiji' of Rajouri who presides over her bustling joint family; Kamla who strikes up an unlikely friendship; Frank Brain of West Patel Nagar, of the curious name and curiuser life; feathered friends who have made the old city their own; and the 'Daryaganj Strangler' who

has a special affection for the city's publishers. In this collection of short stories that is an ode to the spirit of Delhi, Ruskin Bond captures the people and the places with warmth and humour, and brings to life the magic of the city. This is a collection of the best of Ruskin Bond stories written by him over the years. The book captures the spirit of historical cities like Delhi and Agra. Contains a varied

collection
that'll appeal
to kids and
adults alike.

Panikkar, Interrogating Colonialism: Novel As Imagined History. <i>God's Mischief</i> Booktango What's the worst thing that could happen to a blushing bride? To somebody warm, loving, and fun - like | Zoe Moore? When she finds herself jilted at the altar by her fiancé Jason, Zoe knows she doesn't deserve this heartache and humiliation. Unable to face the pitying faces of her friends and family, Zoe takes drastic action: she flees to America. Specifically, to Boston, where she takes up a post as nanny to five-year- old Ruby Miller and her little brother Samuel. Ruby and Samuel have lost their mother in an |
|---|---|---|

accident. They may as well have lost their father, too, for Ryan Miller is so wrapped-up in his grief that he barely notices his two attention-starved children. As Zoe sets about tidying up Ruby and Sam's home, and injecting some fun back into their lives, she finds herself gaining their trust and love. At the same time, Zoe grows more and more frustrated with Ryan's bullying behaviour, and his

shameful neglect. Whatever happened to the loving man she keeps hearing about from his neighbours? Zoe can't find any sign of him. The only thing saving Zoe from despair is the small, close-knit group of British nannies who quickly befriend her. There's boisterous Trudie, man-mad but hiding a painful secret; Sloanie traveller Amber, who sports a Buddhist tattoo that,

unbeknownst to her, reads 'Batteries Not Included'. And chilly, tight-lipped Felicity, whose cut-glass voice gives little away. But will these new friends be able to save Zoe, when she discovers that the past isn't all that easy to escape, no matter how far you go?

Of Contemporary Significance. In The Novel There Is A Subplot With Subhadra At The Centre. Through What She Does Or What Happens To Her, C.V. Is Projecting A Futuristic Vision Of The New Woman In The Indian Context. The Conventional Image Of The Woman Is Replaced By An Imagined Figure That Was To Emerge On The Indian Scene. Another Unique Feature Of This Novel Is

The Introduction, For The First Time, Of Untouchables, The Channans Of South Travancore. Hence Is Fiction Asserting Humanistic Values Over And Above The Taboos And Superstitions Of Yester-Years. **The Nearly-Weds** Penguin UK
WARNING: This is not the actual book Inferno: by Dan Brown. Do not buy this Review if you are looking for a full copy of

this great book. This comprehensive review gives you a complete overview of the plot, key characters, and the author's writing style, both good and bad. Dan Brown's fourth Robert Langdon book, *Inferno*, throws the clever professor into another complex mystery with global consequences. Langdon faces a scientist bent on destruction: a scientist who

finds inspiration in Dante Alighieri's *Inferno*. Langdon awakes in a Venice hospital with no memory of how he got there. He has little time to collect his thoughts or make sense of the visions that tell him to "seek and find" before an assassin arrives. Langdon must set off to put the pieces together. *Inferno* navigates topics such as human overpopulation and social

responsibility while Langdon tries to make sense of his visions and come to terms with the feeling that he is the only person who can save the world. In this review, you'll also find critical opinions of the novel as well as an evaluation of the novel's high and low points. Fans of Dan Brown won't be disappointed by this offering, as it has all the trappings of his previous works. Conversely,

while the action will keep readers turning pages, some may find his prose weak, as his storytelling relies heavily on his common tropes. Nevertheless, Brown's fourth Robert Langdon novel has plenty to offer.

Reflections on Writing and Writers

Greenwood Publishing Group
Memoirs of a Malayalam poet.

Hamish Hamilton

Naalukettu: The House Around the Courtyard is the story of a young boy, Appunni, set in a matrilineal Nair joint family (a taravad) in the author's native village, Kudallur. Fascinated with accounts of the prestigious Naalukettu taravad from which his mother was expelled, Appunni visits the house only to be despised and rejected by all. Appunni grows up to earn enough

money and returns to buy his ancestral home, but his victory soon turns into ashes when his father's murderer turns out to be the same man who was the only sympathetic adult in Appunni's lonely teenage years. *My Story of Captivity, and My Fight Against the Islamic State* Bantam 'But Miss Gamla did not like small boys. Or big boys, for that matter. She placed us high on her list of

pests, along with monkeys (who raided her kitchen), sparrows (who shattered her sweetpeas) and goats (who ate her geraniums). We did none of these things, being strictly fun-loving creatures; but we did make a lot of noise, spoiling her afternoon siesta.' We often look back at our time as children and think about them as the good old days-days full of mischief, wonder, curiosity and

adventure. These are the days when we form lifelong bonds and make memories that become our balm on the hard days that life throws at us. These are the carefree days of galivanting, letting your imagination run wild and formulating grand plans. In *Boys Will Be Boys*, Ruskin Bond puts together a collection of stories and personal essays that capture the magical days of childhood. From

adventures with wild animals and running amuck in ponds to finding ways of surviving algebra, a world of adventure awaits! This is a collection of the best of Ruskin Bond stories and essays written by him over the years. The book captures the spirit of childhood days. Contains a varied collection that'll appeal to kids and adults alike. *Scavenger's Son* Penguin Books India
