"The strong, authentic voices of the women sharing their own narratives and awakenings from life without fathers is the power of this book." —Esme AAMBC Non-Fiction Self-Help Book of the Year AAMBC Breakout Author of the Year He Never Came Home is a collection of twenty-two personal essays written by girls and women who have been separated from their fathers by way of divorce, abandonment, or death. The contributors to this collection come from a wide range of different backgrounds in terms of race, socioeconomic status, religion, and geographic location. Their essays offer deep insights into the emotions related to losing one's father, including sadness, indifference, anger, acceptance—and everything in between. This book, edited by Essence magazine's west coast editor Regina R. Robertson, is first and foremost an offering to young girls and women who have endured the loss of their fathers. But it also speaks to mothers who are raising girls without a father present, offering important perspective into their daughter's feelings and struggles. The essays in He Never Came Home are organized into three categories: "Divorce," "Distant," and "Deceased." With essays by contributors including Emmy Award-winning actress Regina King, fitness expert and New York Times bestselling author Gabrielle Reece, television comedy writer Jenny Lee—and a foreword by TV news anchor Joy-Ann Reid—this anthology illustrates the journey of the fatherless, and provides a space for these writers to express their pain, hope, and healing, minus any judgments and without apology.

The Intentional Father Random House Books for Young Readers

Most dads love their daughters, but they're uncertain how they can show that love in a way their daughters understand...or figure out what their girls really need from them. Jay Payleitner has given thousands of dads great, man-friendly advice in his bestselling *52 Things Kids Need from a Dad*. Now Jay guides his readers into what is unexplored territory for many of them—girl land—giving them ways to... do things with their daughters, not just for them lecture less and listen more be on the lookout for "hero moments" and take advantage of them realize that their daughters are females...and tailor their actions and responses accordingly give their daughters a positive view of the male sex Dads will feel respected and encouraged—not made to feel guilty—and they'll gain confidence to initiate activities that build lifelong positives into their girls. Great gift or men's group resource.

Guard Your Daughters Del Rey

"A good mother does not run from her child's home. She always stays and fights." Titilope Ojo left Nigeria for the United States over a decade ago, but her mother's words remain fresh in her mind. Titilope is married to Tomide, a handsome and charismatic man who she is afraid of. She spends each day anticipating his moods and lives in fear of offending him. She takes great care to try and love him just the way he wants, but will it ever be enough? As life continues to spiral out of control,

Titilope finds herself alone at a crossroad where she must choose between duty and survival.

Gather the Daughters Simon and Schuster

"A beautifully written novel that should be read by everyone who cares about the human condition." —The Philadelphia Inquirer Harvard physiologist Robert Merriwether has four whip-smart children, an attractive and intelligent wife, and a successful, stimulating career. True, he and Sarah have not slept together in years, and when he decides to stay behind in Cambridge for the summer while the rest of the family vacations in Maine, his newfound freedom is deeply unsettling. But that does not mean that Merriwether wants to change his life or feels unloved. To a man of science, desire is nothing more than a biological reaction. And Merriwether's personal philosophy is that once you're in your forties, real love is nothing but lust and nostalgia. Then Cynthia Ryder walks into his life. Twenty years old, she is beautiful, intelligent, witty, and kind. And, to Merriwether's great surprise, she wants to be with him. Initially, he evades her advances, sure that hers is just a passing fancy. But as he gets to know her better, Merriwether realizes that Cynthia is more mature than he first suspected and that the joy he feels when they are together has been missing from his life for a long, long time. When the summer ends and their need for each other does not fade, Merriwether realizes that he is being given a chance at true love. The question is, will he be brave enough to take it? Considered by many critics to be Richard Stern's finest novel, *Other Men's Daughters* is a tender, honest, witty, and life-affirming portrait of a love as transcendent as it is unlikely.

Between Us Girls Little, Brown Books for Young Readers

Two lifesaving books in one! Revolutionary tools and insights for mothers—turn the book over for powerful teachings for teen daughters.

Other Men's Daughters Harper Collins

"Nimura paints history in cinematic strokes and brings a forgotten story to vivid, unforgettable life." —Arthur Golden, author of *Memoirs of a Geisha* In 1871, five young girls were sent by the Japanese government to the United States. Their mission: learn Western ways and return to help nurture a new generation of enlightened men to lead Japan. Raised in traditional samurai households during the turmoil of civil war, three of these unusual ambassadors—Sutematsu Yamakawa, Shige Nagai, and Ume Tsuda—grew up as typical American schoolgirls. Upon their arrival in San Francisco they became celebrities, their travels and traditional clothing exclaimed over by newspapers across the nation. As they learned English and Western customs, their American friends grew to love them for their high spirits and intellectual brilliance. The passionate relationships they formed reveal an intimate world of cross-cultural fascination and connection. Ten years later, they returned to Japan—a land grown foreign to them—determined to revolutionize women's education. Based on in-depth archival research in Japan and in the United States, including decades of letters from between the three women and their American host families, *Daughters of the Samurai* is beautifully, cinematically written, a fascinating lens through which to view an extraordinary historical moment.

Mothering and Daughtering HarperCollins

The girls at Modesta High School feel like they're stuck in some anti-feminist time warp—they're faced

with sexism at every turn, and they've had enough. Sponsored by their new art teacher, Ms. Stark, they band together to form the Daughters of Eve. It's more than a school club—it's a secret society, a sisterhood. At first, it seems like they are actually changing the way guys at school treat them. But Ms. Stark urges them to take more vindictive action, and it starts to feel more like revenge-brutal revenge. Blinded by their oath of loyalty, the Daughters of Eve become instruments of vengeance. Can one of them break the spell before real tragedy strikes?

Daughter of Ireland Candlewick Press (MA)

Daughters Who Walk This Path depicts the dramatic coming of age of Morayo, a spirited and intelligent girl growing up in 1980s Ibadan who is thrust into a web of oppressive silence woven by the adults around her. It's a legacy of silence many women in Morayo's family share. Only Aunt Morenike—once protected by her own mother—provides Morayo with a safe home, and a sense of female community which sustains Morayo as she grows into a young woman in bustling, politically charged, often violent Nigeria.

Absalom's Daughters Harper Collins

"Jean Pendziwol's beautifully written novel captured me from the very first page. Its descriptions of the windswept lightkeeper's station of Elizabeth's and Emily's youth are so crisply rendered I felt I was standing on its shores watching the great ships cross the stormy waters of Lake Superior. Even more than its vivid evocation of a unique time and place, *The LightKeeper's Daughters* is a sensitive and moving examination of the nature of identity, the importance of family, and the possibility of second chances."—Heather Young, author of *The Lose Girls* With the haunting atmosphere and emotional power of *The Language of Flowers*, *Orphan Train*, and *The Light Between Oceans*, critically acclaimed children's author Jean E. Pendziwol's adult debut is an affecting story of family, identity, and art that involves a decades-old mystery. Though her mind is still sharp, Elizabeth's eyes have failed. No longer able to linger over her beloved books or gaze at the paintings that move her spirit, she fills the void with music and memories of her family, especially her beloved twin sister, Emily. When her late father's journals are discovered after an accident, the past suddenly becomes all too present. With the help of Morgan, a delinquent teenager performing community service at her senior home, Elizabeth goes through the diaries, a journey through time that brings the two women closer together. Entry by entry, these unlikely friends are drawn deep into a world far removed from their own, to Porphyry Island on Lake Superior, where Elizabeth's father manned the lighthouse and raised his young family seventy years before. As the words on these musty pages come alive, Elizabeth and Morgan begin to realize that their fates are connected to the isolated island in ways they never dreamed. While the discovery of Morgan's connection sheds light onto her own family mysteries, the faded pages of the journals will shake the foundation of everything Elizabeth thinks she knows and bring the secrets of the past into the light.

Daughters who Walk this Path TOPSELLER

Never Let Me Go meets *The Giver* in this haunting debut about a cult on an isolated island, where nothing is as it seems. Years ago, just before the country was incinerated to wasteland, ten men and their families colonized an island off the coast. They built a radical society of ancestor worship, controlled breeding, and the strict rationing of knowledge and history. Only the Wanderers -- chosen male descendants of the original ten -- are allowed to cross to the wastelands, where they scavenge

for detritus among the still-smoldering fires. The daughters of these men are wives-in-training. At the first sign of puberty, they face their Summer of Fruition, a ritualistic season that drags them from adolescence to matrimony. They have children, who have children, and when they are no longer useful, they take their final draught and die. But in the summer, the younger children reign supreme. With the adults indoors and the pubescent in Fruition, the children live wildly -- they fight over food and shelter, free of their fathers' hands and their mothers' despair. And it is at the end of one summer that little Caitlin Jacob sees something so horrifying, so contradictory to the laws of the island, that she must share it with the others. Born leader Janey Solomon steps up to seek the truth. At seventeen years old, Janey is so unwilling to become a woman, she is slowly starving herself to death. Trying urgently now to unravel the mysteries of the island and what lies beyond, before her own demise, she attempts to lead an uprising of the girls that may be their undoing. *Gather the Daughters* is a smoldering debut; dark and energetic, compulsively readable, Melamed's novel announces her as an unforgettable new voice in fiction.

Daughter of the Forest Wendy Lamb Books

The true story of Betty Mahmoody's escape from Iran with her daughter after her Iranian husband attempted to turn a two-week vacation into a permanent relocation and a life of subservience for Betty and her daughter.

The Dance of the Dissident Daughter Little, Brown

THE INTERNATIONAL BESTSELLER—NOW A MAJOR MOTION PICTURE! "Brilliant....About as good as a thriller can be."—The New York Times Book Review *The Marsh King's Daughter* is the mesmerizing tale of a woman who must risk everything to hunt down the dangerous man who shaped her past and threatens to steal her future: her own father. Helena Pelletier has a loving husband, two beautiful daughters, and a business that fills her days. But she also has a secret: she is the product of an abduction. Her mother was kidnapped as a teenager by her father and kept in a remote cabin in the marshlands of Michigan's Upper Peninsula. Helena, born two years after the abduction, loved her home in nature, and despite her father's sometimes brutal behavior, she loved him, too...until she learned precisely how savage he could be. More than twenty years later, she has buried her past so soundly that even her husband doesn't know the truth. But now her father has killed two guards, escaped from prison, and disappeared into the marsh. The police begin a manhunt, but Helena knows they don't stand a chance. Knows that only one person has the skills to find the survivalist the world calls the Marsh King—because only one person was ever trained by him: his daughter. "[A] nail-biter perfect for Room fans."—Cosmopolitan "Sensationally good psychological suspense."—Lee Child A Michigan Notable Book!

Daughters of the Earth Agate Publishing

When Sarah Carr's husband Jamie drowns, her young life is shattered and takes a turn that she never expected. Pregnant and now widowed, she reaches out to Jamie's family for help but they are unwilling. Instead they devise a plan to have her kidnapped and taken to the Colonies to live a life of servitude. In the wilds of Maryland, Sarah endures the hardships of being indentured and the debasement of being a woman. In despair, she offers up faithful prayers that are answered. But Sarah's new life in the Colonies finds her surrounded by a family's whirlwind of secrets, while she hopes the young doctor she loves will bring her freedom.

Verity Penguin

NEW YORK TIMES BESTSELLER • The disappearance of a beautiful, charismatic mother leaves her family to piece together her secrets in this propulsive novel for fans of Big Little Lies—from the bestselling author of All We Ever Wanted Was Everything and the upcoming Pretty Things. “Watch Me Disappear is just as riveting as Gone Girl.”—San Francisco Chronicle Who you want people to be makes you blind to who they really are. It’s been a year since Billie Flanagan—a Berkeley mom with an enviable life—went on a solo hike in Desolation Wilderness and vanished from the trail. Her body was never found, just a shattered cellphone and a solitary hiking boot. Her husband and teenage daughter have been coping with Billie’s death the best they can: Jonathan drinks as he works on a loving memoir about his marriage; Olive grows remote, from both her father and her friends at the all-girls school she attends. But then Olive starts having strange visions of her mother, still alive. Jonathan worries about Olive’s emotional stability, until he starts unearthing secrets from Billie’s past that bring into question everything he thought he understood about his wife. Who was the woman he knew as Billie Flanagan? Together, Olive and Jonathan embark on a quest for the truth—about Billie, but also about themselves, learning, in the process, about all the ways that love can distort what we choose to see. Janelle Brown’s insights into the dynamics of intimate relationships will make you question the stories you tell yourself about the people you love, while her nifty storytelling will keep you guessing until the very last page. Praise for Watch Me Disappear “Watch Me Disappear is a surprising and compelling read. Like the best novels, it takes the reader somewhere she wouldn’t otherwise allow herself to go. . . . It’s strongest in the places that matter most: in the believability of its characters and the irresistibility of its plot.”—Chicago Tribune “Janelle Brown’s third family drama delivers an incisive and emotional view of how grief and recovery from loss can seep into each aspect of a person’s life. . . . Brown imbues realism in each character, whose complicated emotions fuel the suspenseful story.”—Associated Press “When a Berkeley mother vanishes and is declared dead, her daughter is convinced she’s alive in Janelle Brown’s thriller, calling to mind Big Little Lies and Gone Girl.”—Variety

The Broken Road Random House

Gerald tells of the very unusual animals he would add to the zoo, if he were in charge.

Daughters of the Dust HarperCollins

Spirited and intelligent, Morayo grows up surrounded by school friends and family in Ibadan. There is Eniayo, her adoring little sister - for whose sake their middle-class parents fight stigmatising superstition - and a large extended family of cousins and aunts who sometimes make Morayo's

home their own. A shameful secret forced upon her by Bros T, her cousin, thrusts Morayo into a web of oppressive silence woven by the adults around her. Morayo must learn to fiercely protect herself and her sister as young women growing up in a complex and politically charged country.

Beyond the Valley Penguin

These twenty-six gospel-driven talks guide mothers through a simple, sustainable way to disciple their daughters. Reading God's Word together, asking one another questions, and being honest about their struggles, moms and daughters learn new habits and establish lifelong patterns for communicating about what matters most.

Daughters of Fortune Simon and Schuster

The Harvey sisters are unconventional, unschooled and oddly named they have been brought up at quite some distance from the rest of the world. Living with their famous detective writer father, and their fragile mother, they have been one another's friends - with hardly any experience of people outside their family.

Chasing Butterflies Forge Books

In an ancient Arab nation, one woman dares to be different. Buran cannot -- Buran will not sit quietly at home and wait to be married to the man her father chooses. Determined to use her skills and earn a fortune, she instead disguises herself as a boy and travels by camel caravan to a distant city. There, she maintains her masculine disguise and establishes a successful business. The city's crown prince comes often to her shop, and soon Buran finds herself falling in love. But if she reveals to Mahmud that she is a woman, she will lose everything she has worked for.
