Maths Plus is a leading mathematics program for F-6 that delivers results. Practise, with a view to mastery, underpins the spiral approach used in the Maths Plus program, allowing students to build on and re-visit mathematical content throughout the year. This helps students develop robust recall of information, consolidate their learning and increase their mathematical fluency.

11+ Plus Maths Model Papers for Grammar School Exams GL ...

And when you explore such a personally fascinating subject within certain regulations of the IB, you will be writing your mathematics internal assessment. As you can deduce, the IB math internal assessment is all about exploring mathematically a subject of personal interest. How well you do that and present your process determines how many marks out of the total 20 you will receive. However, most students live in mortal fear or both the IB math exam and the internal assessment.
