A.C.J. for solo guitar Hal Leonard Corporation

A parody of the beloved worldwide television phenomenon Downton Abbey—with cats. Welcome to Downton Tabby Here, the aristocrats of the animal kingdom dwell in stately splendor, sleeping, grooming, sleeping some more, and being fed by their downstairs cats, unaware that their way of life—providing work for others—is about to be swept away by the tides of history...and runaway cars. The fur will fly. This humorous parody provides essential information for preserving their Golden Age, including How to Keep a Secret at Downton Tabby, How to Argue with Lord Grimalkin About His Most Deeply Held Beliefs, and some Uninvited but Necessary Words from the Dowager.

Authentic Brazilian Bossa Nova Guitar Arrangements Chicago Review Press

Looks at timeless songs which have remained popular, living on in the hands of many artists who include them on their records or in their stage repertoire, and in the hearts and minds of the public.

*Bossa Nova* Simon and Schuster

Bossa nova is one of the most popular musical genres in the world. Songs such as “The Girl from Ipanema” (the fifth most frequently played song in the world), “The Waters of March,” and “Desafinado” are known around the world. Bossa Nova—a number-one bestseller when originally published in Brazil as *Chega de Saudade*—is a definitive history of this seductive music. Based on extensive interviews with Antonio Carlos Jobim, Jo+o Gilberto, and all the major musicians and their friends, Bossa Nova explains how a handful of Rio de Janeiro teenagers changed the face of popular culture around the world. Now, in this outstanding translation, the full flavor of Ruy Castro’s wisecracking, chatty Portuguese comes through in a feast of detail. Along the way he introduces a cast of unforgettable characters who turned Gilberto’s singular vision into the sound of a generation.

**Stan Getz** Simon and Schuster

**The Girl from Ipanema (Sheet Music).** Hal Leonard Corporation

Some may only know the jazz legend Stan Getz, tenor saxophonist, for his bossa nova hits

"Desafinado" and "The Girl from Ipanema." However, Getz, born in 1927, began to play professionally at age 15, and his rich musical career lasted until shortly before his death on June 6, 1991. He played in a wide variety of musical settings such as big band, orchestral, quartet, and duo. The incredible beauty of his sound sparked the late jazz great John Coltrane to say, "We would all play like Stan Getz, if we could." When Getz died, jazz trumpeter Dizzy Gillespie said, "He was sheer genius. And there's one thing about this man, he was the most melodic player on the jazz scene." This bibliography, the first of its kind, contains a total of 2,576 bibliographic citations with 2,292 of them annotated. It includes references to periodical literature, articles from news wire services, books, dissertations, films, videos, television programs, radio broadcasts, and Web sites. The citations are primarily from English-language sources. Materials in English and French as well as a handful of items from other languages are annotated. This work includes a preface that contains the scope of the work, a user's guide, and a list of more than 340 periodicals cited. The main body of the work is divided into the following sections: album reviews, performance reviews, discographies and discographical information, transcriptions, biographical and critical works, filmography, and appendix. Album reviews are provided for 240 albums, along with the discographical details for each of these albums. The appendix contains unannotated citations to materials in Danish, Dutch, German, Italian, Norwegian, Spanish and Swedish.

The Definitive Antonio Carlos Jobim Collection (Songbook) Chicago Review Press

A heart-stopping story of love, death, technology, and art set amid the tropics of a futuristic Brazil. The lush city of Palmares Tres shimmers with tech and tradition, with screaming gossip casters and practiced politicians. In the midst of this vibrant metropolis, June Costa creates art that's sure to make her legendary. But her dreams of fame become something more when she meets Enki, the bold new Summer King. The whole city falls in love with him (including June's best friend, Gil). But

June sees more to Enki than amber eyes and a lethal samba. She sees a fellow artist.

Early '70s Radio focuses on the emergence of commercial music radio "formats," which refer to distinct musical genres aimed toward specific audiences. This formatting revolution took place in a period rife with heated politics, identity anxiety, large-scale disappointments and seemingly insoluble social problems. As industry professionals worked overtime to understand audiences and to generate formats, they also laid the groundwork for market segmentation. Audiences, meanwhile, approached these formats as safe havens wherein they could re-imagine and redefine key issues of identity. A fresh and accessible exercise in audience interpretation, *Early '70s Radio* is organized according to the era's five prominent formats and analyzes each of these in relation to their targeted demographics, including Top 40, "soft rock", album-oriented rock, soul and country. The book closes by making a case for the significance of early '70s formatting in light of commercial radio today.
