The chilling novella featured in Stephen

King's New York Times bestselling collection *Full Dark, No Stars*, 1922 is about a man who succumbs to the violence within—setting in motion a grisly train of murder and madness. Wilfred James owns eighty acres of farmland in Nebraska that have been in his family for generations. His wife, Arlette, owns an adjoining one hundred acres. She wants to sell her land but if she does, Wilfred will be forced to sell as well. James will do

anything to hold onto his farm, and he'll get his son to go along. Betrayal, murder, madness, rats, 1922 is a breathtaking exploration into the dark side of human nature from the great American storyteller Stephen King.

How did a low-key prison movie which was considered a box-office flop on its original release become one of the most popular movies of all time? Mark Kermode traces

the history of this unexpected audience favourite from the pages of Stephen King's novella 'Rita Hayworth and Shawshank Redemption', through the icy corridors of Ohio's Mansfield Reformatory (whose imposing gothic architecture dominates the film), to the television and video screens on which 'The Shawshank Redemption' became a phenomenon. This study traces the history of 'The Shawshank Redemption' and draws on interviews with writer/director Frank Darabont and leading players Tim Robbins and Morgan Freeman. The book also explores the near-religious fervour that the film inspires in a huge number of devoted fans.

Stephen King's The Dark Tower Longman #1 New York Times bestselling author Stephen King's beloved novella, Rita Hayworth and Shawshank Redemption—the basis for the Best Picture Academy Award-nominee The Shawshank Redemption—about an unjustly imprisoned convict who seeks a strangely satisfying revenge, is now available for the first time as a standalone book. King's most beloved and iconic stories, and it helped make Castle Rock a place readers would return to over and over again. Four novellas from Stephen King bound together by the changing of seasons, each taking on the theme of a journey with strikingly different tones and characters.

This gripping collection begins with "Rita Hayworth and the Shawshank

Befriended by some of America's most successful and wealthy black men, a talented African-American lawyer working out of a Queens storefront accepts their invitation to a weekend getaway only to learn that they are part of a secret organization that would promote white slavery. A first novel.

Road Rage Simon and Schuster Veteran script consultant Jill Chamberlain discovered in her work that an astounding 99 percent of first-time screenwriters don't know how to tell a story. These writers may know how to format a script, write snappy dialogue, and set a scene. They may have interesting characters and

perhaps some clever plot devices. But, invariably, while they may have the kernel of a good idea for a screenplay, they fail to tell a story. What the 99 percent do instead is present a situation. In order to explain the difference, Chamberlain created the Nutshell Technique, a method whereby writers identify eight dynamic, interconnected elements that are required to successfully tell a story. Now, for the first time, Chamberlain presents her unique method in book form with *The Nutshell Technique: Crack the Secret of Successful Screenwriting*. Using easy-to-follow diagrams ("nutshells"), she thoroughly explains how the Nutshell Technique can make or break a film script. Chamberlain takes readers step-by-step through thirty classic and contemporary movies, showing how such dissimilar screenplays as *Casablanca*, *Chinatown*, *Pulp Fiction*, *The Usual Suspects*, *Little Miss Sunshine*, *Juno*, *Silver Linings Playbook*, and *Argo* all have the same system working behind the scenes, and she teaches readers exactly how to apply these principles to their own screenwriting. Learn the Nutshell Technique, and you'll discover how to turn

a mere situation into a truly compelling screenplay story.

She was asking for it. She should have known better. Bekezela (persevere), she was told. It's because I love you, he said. It's not that bad, she told herself. In sharing their experiences from girlhood to the boardroom, from Cape Town's suburbs to the hills of KwaZulu- Natal, women from different walks of life show how chillingly common male violence against women is. Together, their voices form a deafening chorus. Gender-based violence feeds on shame and silence but in this extraordinary collection, brave women reclaim their power and summon the courage in others to do the same. In speaking out, sharing what was once secret, shame's hold is broken. Heart-rending at times, it is the honesty and courage of the writing that truly inspires. *Cimarron Rose* Simon and Schuster Acclaimed novelist/Eisner-winning graphic novelist Joe Hill collaborated with his father, Stephen King, in *Throttle*, for the first time on a tale that paid tribute to Richard Matheson's classic tale, *Duel*.

Now, IDW is proud to present comic-book tellings of both stories in Road Rage. Adapted by Chris Ryall with art by Nelson Daniel and Rafa Garres.

The Breathing Method Simon and Schuster There is a strange men's club in New York where all the members tell each other stories and where no-one looks older, no

matter how many years have passed. One night a doctor tells the story of a young woman who gives birth to a baby in the most horrible way.
