Husband Wife: A Collection of Erotic Short Stories Jasmine Anderson

Summary: During a stormy night, on his way from Birmingham to Swansea, Mr Ewan Morris' horse carriage appears to have run over a young woman dressed in white on the road. Ewan decides to make sure that she is unhurt and follows after her, however rash actions may sometimes have unforeseen consequences. An extract from the story: "But still, this was nothing like that. It truly was the most innocent kiss. Nothing more, and nothing less," he thought as he gently pressed his lips against hers. And there was something absolutely maddening about kissing this slow and careful. Something perfectly irresistible about kissing so softly and restrained with the knowledge of what could be should they crossed the line. "Like walking on spring ice when you are tipsy," Ewan thought. Exhilarating, fun, but utterly dangerous. The kiss

was in fact far more arousing than any harlot's secret street skills. The wicked part of Ewan screamed in frustrations, while the gentlemanly part nodded in agreement. He had promised a kiss and would not take liberties..." Keywords: Ghost story, chivalrousness, seduction, storm, Wales. The Party: Collection of Explicit Erotic Short Stories Sophie Palmer
Please note: These short stories includes erotic adult themes such as: Romantic liaisons, passion, bondage, bisexual, threesome (MMF), semi-rough lovemaking, and gay romance themes. "Corsets and Cravings" is a short story collection of five newly written Victorian romantic and erotic short stories and includes the following stories: Under the Full Moon Sinful Dealings The Pianoforte Secret Letters The Castle in the Mist Extracts from the stories: "Reader, he kissed me! At first, tender and careful. Tentatively, perhaps to see if I would resist him or not. However, I kissed him back, full of passion. An entire summer of suppressed desire and longing rose towards the surface. I buried my hands in his hair and he cupped my face as the kiss continued and grew into forbidden emotions, which irreversibly whirled through my body. Not caring about my completely indecent behaviour or the fact that we were outdoors I let my hands slip in under his shirt and touch him, which made him moan softly and kiss me deeper." - From the short story "The Pianoforte" "What are you doing?" Timothy asked in a strangled voice, as they finally removed his trousers and the rest of his clothes. He could not see what they were doing since he was blindfolded, but that only

increased the anticipation. He should feel vulnerable, blindfolded and with tied arms behind his back, however instead it strangely made him feel both safe and extremely excited at the same time. No one replied to his question and he moaned quietly in expectation. - From the short story "Sinful Dealings" "He stood petrified as he felt her lips against his, her naked body pressed against his. For a moment rage, sorrow, and passion fought inside of him before passion claimed victory. He pulled her closer and kissed her back, deeply and with no regrets. Their lovemaking was neither slow, nor gentle, but an act of burning need and desire. Henry embraced her and she could feel his craving and hardness against her, which had a most arousing effect. He cradled her naked bottom and kissed her deeply, exploring her with his tongue. She smelled and tasted like the woods, wild and untamed." - From the short story "Under the Full Moon" Reviews: "I loved this! Descriptive, sensual and a very pleasant read. I enjoyed it very much." "...It's a lovely story..." Rated four stars by readers' reviews. The Lady in White ~ The first story from "Secrets and Seduction", a Victorian Romance and Erotic short story collection. Vol. III. My Secret Quill

The Victorian era is often regarded as a very austere period, but Amorous Congress: A Collection of New Victorian Erotica demonstrates that this was not always the case at all. Award-

winning editor F. Leonora Solomon has curated stories by outstanding contemporary erotica writers who reimagine the sensual sensibilities of the 19th century in decadent stories. Amorous Congress takes the reader to another time filled with poor houses and brothels, secret societies and manor houses—even some of Charles Dickens characters make an appearance. Languid, corseted and gloved, Amorous Congress is a titillating read that guarantees happy endings of all varieties. Starting with an entrepreneurial young woman whose sensuality leads her into an unexpected career, and ending with advances in technology that give the 21st century something to aspire to, Amorous Congress is our erotic reimagining of an era that continues to entice us.

Summary: Two friends are desperate for shelter as they are surprised by a heavy thunderstorm. The young women can see no other alternative than to take cover in the old abandoned mill, which is said to be haunted. Cold and miserable, they have to lie close together under a couple of horse blankets to keep warm. And then, a kissing game gets out of hand... Keywords: Romantic friendship, kissing game, ghost story, haunted mill, lesbian relations. An extract from the story: Agnes realized that this was the moment in which they both should immediately stop what they were doing, but for some reason she just could not. Her own hands refused to do what she ordered them to, and abandoned Catherine's soft shoulders to touch her small, but lovely, bosom gently through the corset. In turn, Catherine let her fingers slip under her friend's chemise and explored the naked part of Agnes's thighs and bottom. "This-this is not really happening, is

it?" Agnes whispered, breathless as Catherine started to undo her corset. Summary: The first snow has already fallen and covered London in white. A lone writer by the name of William is working late, when he notices a flickering light at the opposite of the street, by the neglected Winchester cemetery. He decides to investigate it further... Keywords: Yearning, vampires, vulnerability, hunger, mild ravishment. An extract from the story: "...Not responsible for my actions..." she whispered slowly and stood up, tip-toe, and kissed him. He was too surprised to draw back. When he tried, she had already placed her unexpectedly strong arms around his neck, and he lacked the strength to pry them away. In fact, he felt strangely helpless, as if it were someone else who acted instead of him as he kissed her in return. His hands involuntarily reached her waist and pulled her closer. She, on the other hand, shredded his clothes as if they were made of paper, and pulled him down toward the floor with him on top of her. Old Young: A Collection of Erotic Short Stories Lucy Sterling

Summary: Lady Eleanor Jameson from Warwickshire is not like the other noble ladies who attend the autumn hunting expedition at Harrington Park. Granted, she is similar to the other well-bred ladies in some aspects: She is wealthy, well-connected, and overall agreed to be rather beautiful in a sensual and slightly plump way, but shockingly, she still has remained unmarried over the years. However, that does not necessarily mean that she lacks bedtime companions, and as the night draws near at Harrington Park, she has decided to abandon the dinner banquet to attend some private hunting by herself... An extract from the story: "Warm, soft skin and ringlets of chestnut-coloured hair clouded his mind, obscured his vision and repeatedly diverted his focus. And when she skilfully managed to undo his coarse wool trousers so that his naked hardness suddenly was allowed to press directly against her unclad thighs and bottom,

he knew that the battle was lost. Abandoning the uncooperative strings to the corset, he pressed himself against her and wrapped his arms around her, letting his hands travel to her full, round breasts. He kissed her throat and in response she arched her back against him, moaning softly.” Keywords: Hunting, seduction, stable groom, corsets, anal intercourse.
