The Survivors Simon and Schuster

Something is wrong in Niceville. . . A boy literally disappears from Main Street. A security camera captures the moment of his instant, inexplicable vanishing. An audacious bank robbery goes seriously wrong: four cops are gunned down; a TV news helicopter is shot and spins crazily out of the sky, triggering a disastrous cascade of events that ricochet across twenty different lives over the course of just thirty-six hours. Nick Kavanaugh, a cop with a dark side, investigates. Soon he and his wife, Kate, a distinguished lawyer from an old Niceville family, find themselves struggling to make sense not only of the disappearance and the robbery but also of a shadow world, where time has a different rhythm and where justice is elusive. . . .Something is wrong in Niceville, where evil lives far longer than men do. Compulsively readable, and populated with characters who leap off the page, Niceville will draw you in, excite you, amaze you, horrify you, and, when it finally lets you go, make you sorry you have to leave. Read the first thirty-five pages. Find out why Harlan Coben calls Carsten Stroud the master of "the nerve-jangling thrill ride." Now with an excerpt from Carsten Stroud's next book, *The Homecoming*.

Five Days Missing Penguin UK

From the "Queen of Suspense," Mary Higgins Clark, comes a riveting tale of suspense, secrets, and revenge. Historian Jean Sheridan returns to Cornwall-on-Hudson, New York, excited about her twenty-year high-school reunion at Stonecroft Academy. But a dear friend of hers soon becomes the fifth woman in the class to meet a sudden, mysterious end. Then Jean receives a taunting fax about a child she gave up for adoption, whose existence she had kept a secret but whose life may now be in danger. For present at the reunion is The Owl, a murderer on a mission of vengeance against women who once humiliated him...and Jean is his final intended victim.

every reader.

Comes the Blind Fury Abacus

In a future where most people have computer implants in their heads to control their environment, a boy meets an unusual girl who is in serious trouble.

The Lost Girls of Rome Hachette UK

Six severed arms are discovered buried in a forest clearing. They are arranged in a mysterious circle, and appear to belong to missing girls between the ages of eight and thirteen. But the rest of the bodies are nowhere to be found. Criminologist Goran Gavila is given the case. A dishevelled, instinctively rebellious man, he is forced to work with young female police officer Mila Vasquez. Lithe, boyish, answering to no one, Mila has a reputation as a specialist in missing children. She also has a tragic history of her own that has left her damaged, unable to feel or to relate to others. Theirs is a fiery but strangely affecting working relationship - and as they uncover more secrets about the dark secrets in the forest, their lives are increasingly in each other's hands... A gripping literary thriller that has taken Italy by storm, *The Whisperer* has been as sensational a bestseller in Europe as the Stieg Larsson novels. It is that rare creation: a thought-provoking, intelligent literary novel that is also utterly unputdownable.

The Crook Factory Candlewick Press

The much-anticipated, bestselling sequel to the international phenomenon *Happy People Read and Drink Coffee*. Diane needs to start over again. After returning from Ireland and turning the page on her stormy relationship with Edward, the brooding Irish photographer, she is determined to rebuild her life in Paris with help from her best friend Féx. She focuses solely on getting her literary café back on track-until she meets Olivier. He is kind and thoughtful, and she may have a future with him...until she stumbles across her former love at a photography exhibit. What is Edward doing in Paris? Why didn't he reach out? Faced with a hail of questions, her old flame remains cold and unresponsive. Apparently, he, too, has moved on. In order to put the past behind her, Diane must go back over her tracks. Ireland saved her before. Can she get answers there and find peace again?

A Novel Hodder & Stoughton

ONE DEAD BODY. TWELVE SUSPECTS. TWENTY-FOUR-HOUR DARKNESS. 'Outstanding ... Houghton writes vividly about a claustrophobic community ... her novel really is a superlative locked-room mystery' *Sunday Times* (Crime Book of the Month) 'Houghton has created a fantastically atmospheric setting ... it's a chilling race to the finish to discover whodunnit' *Observer* In the most inhospitable environment - cut off from the rest of the world - there's a killer on the loose. A&E doctor Kate North has been knocked out of her orbit by a personal tragedy. So when she's offered the opportunity to be an emergency replacement at the UN research station in Antarctica, she jumps at the chance. The previous doctor, Jean-Luc, died in a tragic accident while out on the ice. The move seems an ideal solution for Kate: no one knows about her past; no one is checking up on her. But as total darkness descends for the winter, she begins to suspect that Jean-Luc's death wasn't accidental at all. And the more questions she asks, the more dangerous it becomes . . . 'A sense of growing menace pervades ... the freezing wasteland and claustrophobic workings of the research station are finely rendered' *Financial Times* 'The kind of heart-pounding, sleep-stealing read that you want to recommend to everyone you meet. An absolutely thrilling book' CASS GREEN 'Chilling and atmospheric . . . had me turning the pages late into the night' MARK EDWARDS 'Tense, thrilling and unpredictable, with one of the most unique and dangerous settings imaginable' ALLIE REYNOLDS 'Set against the dangerous sub-zero temperatures end endless night of the Antarctic... Brilliantly atmospheric and terrifying' CATHERINE COOPER 'Tense, twisted and quite literally chilling - a locked room mystery in a unique setting where no one can be trusted' SUSI HOLLIDAY 'Atmospheric, original and full of tension' AMANDA JENNINGS 'A real edge-of-the-seat plot. I loved it. Original and accomplished' J.A. CORRIGAN

The unputdownable and pulse-raising Sunday Times Crime Book of the Month Vintage Crime/Black Lizard

The tenth Commissario Ricciardi Neapolitan mystery is "endlessly surprising... a delicate balancing act between love and pain, horror and beauty."--*ThrillerNord* Christmas has just passed and the city is preparing to celebrate New Year when, on the stage of a variety show, famous actor Michelangelo Gelmi fires a gun at

his wife, Fedora Marra. The shooting itself would be nothing strange: it is repeated every evening as part of their performance. But this time, someone replaced one of the blanks with a real bullet. Gelmi swears his innocence, but few believe him. Approaching old age and with a career in decline, the actor has become increasingly dependent on his wife, much younger than him and at the height of her fame. However, rumor has it that she had fallen in love with another man and was preparing to leave Gelmi. A straightforward case of infidelity and marital jealousy? Commissario Ricciardi has more than one doubt. A mystery made darker by the sudden fog that envelops an almost gothic Naples, Commissario Ricciardi's latest adventure will enrapture readers until its final, dramatic act.

A Novel Doubleday

"Taking off on a horse into the Mongolian Steppe sounds like the bracing inverse to an overpopulated, busy urban life, but having the skills and grit to pull it off is another thing entirely. . . . Lara Prior-Palmer attempted the Mongol Derby not really knowing what she was getting into; she ended it knowing much more about herself, and a race champion besides." —Estelle Tang, Elle

At the age of nineteen, Lara Prior-Palmer discovered a website devoted to "the world's longest, toughest horse race"—an annual competition of endurance and skill that involves dozens of riders racing a series of twenty-five wild ponies across 1,000 kilometers of Mongolian grassland. On a whim, she decided to enter the race. As she boarded a plane to East Asia, she was utterly unprepared for what awaited her. Riders often spend years preparing to compete in the Mongol Derby, a course that re-creates the horse messenger system developed by Genghis Khan. Many fail to finish. Prior-Palmer had no formal training. She was driven by her own restlessness, stubbornness, and a lifelong love of horses. She raced for ten days through extreme heat and terrifying storms, catching a few hours of sleep where she could at the homes of nomadic families. Battling bouts of illness and dehydration, exhaustion and bruising falls, she decided she had nothing to lose. Each dawn she rode out again on a fresh horse, scrambling up mountains, swimming through rivers, crossing woodlands and wetlands, arid dunes and open steppe, as American television crews chased her in their jeeps. Told with terrific suspense and style, in a voice full of poetry and soul, *Rough Magic* captures the extraordinary story of one young woman who forged ahead,

against all odds, to become the first female winner of this breathtaking race. "Think the next *Educated* or *Wild*. Palmer's memoir of beating the odds to become a horse champion is an inspiring saga of perseverance—and a classic underdog tale." —Entertainment Weekly

Save Yourself Open Road + Grove/Atlantic

Sixteen-year-old Rosalinda Fitzroy, heir to the multiplanetary corporation UniCorp, is awakened after sixty years in stasis to find that everyone she knew has died and as she tries to make a new life for herself, learns she is the target of a robot assassin.

Faking Friends Abacus

A gripping literary thriller and smash bestseller that has taken Italy, France, Germany and the UK by storm. Six severed arms are discovered, arranged in a mysterious circle and buried in a clearing in the woods. Five of them appear to belong to missing girls between the ages of eight and eighteen. The sixth is yet to be identified. Worse still, the girls' bodies, alive or dead, are nowhere to be found. Lead investigators Mila Vasquez, a celebrated profiler, and Goran Gavila, an eerily prescient criminologist, dive into the case. They're confident they've got the right suspect in their sights until they discover no link between him and any of the kidnappings except the first. The evidence in the case of the second missing child points in a vastly different direction, creating more questions than it answers. Vasquez and Gavila begin to wonder if they've been brought in to take the fall in a near-hopeless case. Is it all coincidence? Or is a copycat criminal at work? Obsessed with a case that becomes more tangled and intense as they unravel the layers of evil, Gavila and Vasquez find that their lives are increasingly in each other's hands. *THE WHISPERER*, as sensational a bestseller in Europe as the Stieg Larsson novels, is that rare creation: a thought-provoking, intelligent thriller that is also utterly unputdownable.

Book One of the Niceville Trilogy Mulholland Books

In this tense and twisty latest from Norway's maven of crime, time shifts between Inspector Sejer's interrogation of the accused Ragna Reigel and the shocking events that led up to her arrest. How did this lonely, quiet woman come to kill a man—or did she? How did a lonely, quiet woman come to kill a man—or did she? Ragna Riegel is a soft-spoken woman of routines. She must have order in her life, and she does, until one day she finds a letter in her mailbox with her name on the envelope and a clear threat

written in block capitals on the sheet inside. With the arrival of the letter, and eventually others like it, Ragna's carefully constructed life begins to unravel into a nightmare—threatened by an unknown enemy, paranoid and unable to sleep, her isolation becomes all the more extreme. Ragna's distress does culminate in a death, but she is the perpetrator rather than the victim. *The Whisperer* shifts between Inspector Sejer's interrogation of Ragna and the shocking events that led up to her arrest. Sejer thinks it is an open-and-shut case, but is it? Compelling and unnerving, *The Whisperer* probes plausible madness in everyday life and asks us to question assumptions even in its final moments.

Green River Killer W. W. Norton & Company

Los Angeles D.A. Rachel Knight is a tenacious, wise-cracking, and fiercely intelligent prosecutor in the city's most elite division. When her colleague, Jake, is found dead at a grisly crime scene, Rachel is shaken to the core. She must take over his toughest case: the assault of a young woman from a prominent family. But she can't stop herself from digging deeper into Jake's death, a decision that exposes a world of power and violence and will have her risking her reputation—and her life—to find the truth. With her tremendous expertise in the nuances of L.A. courts and crime, and with a vibrant ensemble cast of characters, Marcia Clark combines intimate detail, riotous humor, and visceral action in a debut thriller that marks the launch of a major new figure on the crime-writing scene.

The Track of Sand Simon and Schuster

Maddie Fynn is a shy high school junior cursed with an eerie intuitive ability that's out of her control -- one that entangles her in a homicide investigation. For as long as she can remember, Maddie has seen a series of unique digits hovering above the foreheads of each person she encounters. Her earliest memories are marked by these numbers, but it takes her father's premature death for Maddie and her family to realize that these mysterious digits are actually deathdates, and just like birthdays, everyone has one. Forced by her alcoholic mother to use her ability to make extra money, Maddie identifies the quickly approaching deathdate of one client's young son, but because her ability only allows her to see the when and not the how, she's unable to offer any more insight. When the boy goes missing on that exact date, law enforcement turns to Maddie. Soon, Maddie is entangled in a

homicide investigation, and more young people disappear and are later found murdered. A suspect for the investigation, a target for the murderer, and attracting the attentions of a mysterious young admirer who may be connected to it all, Maddie's whole existence is about to be turned upside down. Can she right things before it's too late?

The Whisperer's Game Penguin

From the author of the acclaimed New York Times bestseller *Into the Darkest Corner* comes another page-turning novel of "gripping suspense" — *The Wall Street Journal* Genevieve has finally escaped the stressful demands of her sales job and achieved her dream: to leave London and begin a new life aboard a houseboat in Kent. Not many people know that she financed her

fresh start by working weekends as a dancer at a gentlemen's club called the Barclay, and she's determined to keep it that way. But on the night of her housewarming party, the past intrudes when a body washes up beside the boat. Genevieve recognizes the victim, a fellow dancer from the Barclay. As the sanctuary of the marina is threatened, and Genevieve's life seems increasingly at risk, the story of how she came to be so out of her depth unfolds, and she discovers the hard way the real cost of mixing business with pleasure.

Simon and Schuster

After discovering that Grandpa Gabe has sealed the passageways between worlds, Max, Rebecca, Theo, and Noah must confront the Master of Shadows himself to find another way home.

Nighttime Is My Time Abacus

A brutal killer is on the streets of Rome. He leaves no trace. And shows no mercy. A series of gruesome murders leaves the police force in Rome reeling, with no real clues or hard evidence to follow. Assigned to the case is Sandra Vega, a brilliant forensic analyst, struggling to come to terms with the crimes and her own past. Sandra's shared history with Marcus, a member of the ancient Penitenzeri - a unique Italian team, linked to the Vatican, and trained in the detection of true evil, means that the two are brought together again in the pursuit of a malignant killer. Soon Marcus and Sandra notice the emergence of a disturbing pattern running alongside the latest killings - and every time they think they have grasped a fragment of the truth, they are led down yet

another terrifying path. A sensational new literary thriller from the bestselling author of *The Whisperer*, this novel captures the beautiful atmosphere of Rome and explores its dark and hidden secrets.

The Hunter of the Dark Mulholland Books

In this chilling, seamlessly-plotted thriller, British detective Jack Caffery must find a dangerous mental patient on the loose—before he can kill again . . . The Beechway High Secure Unit in Bristol, England, has a storied past—first as a nineteenth-century workhouse, then a poorhouse for the homeless, and now as a psychiatric hospital. With that troubled history come superstitions like the Maude, believed to be the ghost of a sadistic workhouse matron. But while some of the patients and staff think the Maude is behind a series of unexplained episodes of self-harm amongst the ward's patients, nursing coordinator AJ LeGrande thinks they might be the work of an all too human horror—a homicidal patient who was released back into the public in error. Calling on Det. Jack Caffery, LeGrande hopes his investigation will reveal what's truly been going on inside and outside the hospital's walls. But what Caffery discovers about former patient Isaac Handel is beyond anyone's imagining. "Enough evil to keep readers awake long after the cases are solved . . . Rich psychological portraits [and] a compelling mystery." —*Los Angeles Times* "Dipping into Poppet when the house was silent and the rain was spattering against the windows probably wasn't a good idea: The book oozes sinisterness from the first page . . . [Its] high-wire tension . . . never wavers." —*Entertainment Weekly*
