This is a new edition of the Concise Oxford Thesaurus, with updated and improved text, new choices of synonyms, and a new design. The Concise Oxford Thesaurus is a comprehensive reference text for the bookshelf at home or in the office. Its usefulness means that it won't stay on the shelf, however. The thesaurus is the perfect tool to use to improve your writing style, whether you are composing a letter, essay or report, or writing creatively. It is also great for finding the word on the tip of your tongue, or for word games. The new centre section in this Concise Oxford Thesaurus contains lists of nouns from illnesses to insects, and vegetables to veins to give you the edge in solving crosswords and word puzzles, as well as being a useful encyclopedic reference. The Concise Oxford Thesaurus also contains Word Links to help you find related words. So, for example, look up the word 'night' and you will find 'nocturnal'; look up 'light', and you will find 'optics'. Hundreds more have been added new to this edition, helping you find the word you need every time. The thesaurus includes 12 months' access\* to Oxford's premium online dictionary and thesaurus service, Oxford Dictionaries Online, updated regularly with the latest developments to words and meanings, so you will have the most accurate picture of English available. Find out more about our living language

using Oxford Dictionaries Online. Hear how words are spoken with thousands of audio pronunciations, and access over 1.9 million real English example sentences to see how words are used in context. Improve your confidence in writing with helpful grammar and punctuation guides, full thesaurus information, style and usage help, and much more. \*Available in selected markets (UK, Europe, Australia, Canada, and South Africa). **Concise Oxford Dictionary of Quotations** Oxford University Press, USA

This new edition of Oxford's flagship single-volume dictionary brings you the results of the latest research into the real English of today. Oxford is lead partner in the British National Corpus, a massive and constantly expanding hundred-million-word database which allows dictionary editors to sample today's language - newspapers, magazines, books, advertisements, even transcripts of

spoken English. With thousands of occurrences of each common word available for instant analysis, lexicographers are able to track the latest trends in, for instance, spelling and hyphenation or disputed usages, with greater accuracy than ever before. This rolling, constantly updated 'opinion poll of language' combined with Oxford's unparalleled world reading programme (we spend more on language research than any other dictionary publisher in the world), ensures that COD9 is the up-to-date reference for today's English. Bigger and better than ever before, its new features include: \* The most up-to-date spellings, with improved coverage of meaning and usage based on a computerized 'snapshot' of today's language \* 25% more content than the previous edition \* New words, including such items as holiday village, nip and tuck, central locking, ragga, house-sit, Balti, pesto, Cajun, road-pricing, Feyman diagram, supermodel, and slaphead \* New, more up-to-date pronunciation system, representing today's received pronunciation \* Over 300 new boxed usage notes with guidance on good English \* New, clearer etymologies \* easier to use with more compounds as main entries

**Pocket Oxford English Dictionary** Oxford University Press

**The Concise Oxford Dictionary of Politics** Oxford University Press, USA

The Concise Oxford Dictionary is the most popular dictionary of its kind around the world. For this major new edition, Oxford's lexicographers have used evidence provided by The British National Corpus to rewrite every word and entry to represent English as it is used today throughout the English-speaking world. There are over 220,000 words, phrases, and meanings that cover current and historical English as well as numerous specialist and technical areas. Each entry is now clearer and more accessible, with the most modern meanings placed first, and definitions given in a clear and straightforward style. Authoritative guidance on grammar and usage is provided in highlighted boxes, that addresses contentious and controversial views. There are also new Word Formation panels that show how complex words are created and identify different word groups such as phobias, -cultures, and ariums, adding to the richest coverage of English available in any single-volume dictionary.
