## MARIELA ZION

---

*Modern to Classic* Landry: The Legend and the Legacy

"Every legend begins with a lie." Laeli Tavens, a thief shaped by the Sky-worshipping mythos of her island, stalks High Lord Lawrence Anderton across the country. She must save her twelve-year-old sister Elaina, who the obsessive Anderton has kidnapped as bait. Elaina copes with brutalities and tortures she cannot understand, while Laeli and her long-time ally Sophia navigate a country of prostitutes and assassins, war brewing around them. Though Laeli clings to a well-crafted denial of her past, she and her conspirators must conquer their secrets before Anderton's trap ensnares them all.

**Clovis Crawfish and His Friends Sixtieth-Anniversary Edition** Harper Collins

"Oral history from players and coaches detailing the NFL from the late 1930s through the 1970s"--

*God's Coach* Vintage

A book that explores the enduring legends of Snake, Foo, Dr. Death, and John Madden's Oakland Raiders, *Badasses* is the definitive biography of arguably the last team to play old-fashioned tough-guy football. Peter Richmond, co-author of the New York Times bestseller *The Glory Game*, offers a fascinating look at the 1970s Oakland Raiders, led by colorful greats from another era: Ken Stabler, Willie Brown, Gene Upshaw, Jim Otto, Art Shell, head coach John Madden, and owner Al Davis. In the bestselling vein of *Boys Will Be Boys*, *Badasses* chronicles the bar-room exploits, practice-field pranks, and Super Bowl glories of the team's many misfits, cast-offs, psychos, and geniuses of the game.

*Landry the Man the Myth the Legend* Thomas Nelson

Traces the life of the successful football coach, looks at his years with the Dallas Cowboys, and describes the public distress at his firing

*Tarnished Gold* Avon Books

Five Super Bowl titles, fifteen Hall of Famers, and a litany of legendary players, characters, and games later, the Dallas Cowboys franchise has cemented itself among the most successful in all of sports and, with a fan base that extends all over the world, among the most well known. *Legends of the Dallas Cowboys* takes an in-depth look at some of the legends who have shaped the Cowboys' identity, beginning with Tom Landry, the man who was hired before Murchison had been awarded a team and who is still the franchise's enduring image. Also included is Tex Schramm, under whom the Cowboys had twentystraight winning seasons and who is considered the most forward-thinking NFL executive ever, as well as Randy White, Ed "Too Tall" Jones, Bob Lilly, Lee Roy Jordan, Mel Renfro, and more. Also included are innovators such as Bob Hayes, who forced the creation of the zone defense, and Michael Irvin and Thomas "Hollywood" Henderson, who forced the creation of behavioral clauses in contracts. Each of the legends played his own unique role in shaping the lore of one of sports' greatest franchises, a franchise that began humbly on a winter day in Miami and is now a model of success.

*Bless the Skies* Rowman & Littlefield

A VINTAGE eBOOK ORIGINAL Bestselling author Walter Mosley blends philosophy and humor in this thought-provoking exploration of race, sin, and salvation. It is the story of two men—one human and one angel—who have the power to topple heaven. When Tempest Landry was accidentally shot and killed by the police, St. Peter ruled that Tempest's sins condemned him to hell. But Tempest refused to accept damnation, and even heaven can't overrule free will. Unless he goes willingly, the order of heaven and hell will collapse and Satan will reign over the chaos. The celestial authority sends an accounting angel to earth, to convince Tempest that he should sacrifice himself for the good of the world, and casts Tempest's soul into the body of a man who has been convicted of serious crimes. While Tempest serves out another man's prison sentence, the angel Joshua is living among mankind. He has been stripped of his celestial powers, yet is still tasked with persuading Tempest to make the right choice. As the angel sees the many injustices his friend suffers, he begins to question the morality and rightness of his position.

*The Further Tales of Tempest Landry* Naval Inst Press

Finally a book featuring Coach Landry's leadership insights, done in collaboration with 20 individuals featuring some of the greatest recognized players in football history; foreword by legendary football great, Mike Ditka and exclusive interview highlights with Roger Staubach, Bob Lilly, Dan Reeves, football great, now ministry leader, Bill Glass and Coach Landry's greatest friend and wife, Alicia Landry, just to name a few. *The Landry Legacy, 20 Principles of Success* examines an unmatched stretch of success in one of the worlds most competitive arenas, taking a close look at an NFL record twenty consecutive winning seasons by the Dallas Cowboys under the leadership of legendary Coach Tom Landry. By interviewing twenty individuals who either played for or were extremely close to Coach Landry we uncover twenty essential principles of success, which were responsible for allowing a hastily thrown together football team to become one of the worlds most accomplished sports franchises. *The Landry Legacy* provides twenty perspectives of Coach Landry's phenomenal management tools and his significant contribution to their own lifetime of achievements. Sports fan or not, readers will enjoy the invaluable resource, filled with life lessons and keys to success given by Coach Landry over his lifetime!

*Badasses* ABC-CLIO

Tom Landry was a man who by his very character inspired those who knew him to be better people in every facet of their lives. Much has been documented about his public persona as the third all-time winningest coach in the history of the National Football League. This book provides examples of his incredible character in scenarios that few would ever know about from people who knew him and worked closely with him.

*Landry Skyhorse + ORM*

In this harrowing, true account, Henderson lays bare the locker room legends, the wild partying, the rampant addiction and the unwritten rule of the pro sports world that anything goes--as long as you win the game. A tough, brutal, agonizing story . . .--Howard Cosell.P. Putnam.

*The Ghost Tree* Zondervan

Welcome to Jerryworld and an all-access pass to the most valuable sports franchise on the planet, the Dallas Cowboys. Many books have been written about the Cowboys, but there's never been an account like this one. HOW 'BOUT THEM COWBOYS tells the story of the NFL's most successful franchise, with special access to its outspoken owner, Jerry Jones, his sons Stephen and Jerry Jr., daughter Charlotte, and dozens of interviews of current and former players and coaches, and characters from across Cowboy Nation. While tracking the successes and controversies of some of the biggest names in the NFL on and off the field, HOW 'BOUT THEM COWBOYS? remembers the legends of previous generations, and explains why the star on the helmet has become iconic, and how a little expansion team from North Texas has evolved into a global \$5 billion brand. Primed for their make-or-break 2018 season, HOW 'BOUT THEM COWBOYS? delivers a fun and surprising account of America's Team, its greatest celebrities, its mercurial management, the vicious rivalries, and the enduring saga that makes this the most popular and polarizing team in sports.

**Landry: The Legend and the Legacy** Oro Editions

Troy Aikman. Emmitt Smith. Michael Irvin. The names are easily recognizable as Dallas Cowboys, and their legacies are on display in the Pro Football Hall of Fame. They are among the twenty-two Cowboys in the Hall, and all of their stories are finally brought together in this book.

*The Last Cowboy: A Life of Tom Landry* U of Nebraska Press

"...provides a detailed look at America's pastime through the lens of pop culture, [an] A-to-Z inventory of how certain aspects of the game affect and reflect broader society."--from publisher description.

**Tom Landry** Simon and Schuster

The shotgun formation. The West Coast Offense. The 4-3 defense. We expect to see these things when we watch football, but without Tom Landry and Bill Walsh, it's possible we wouldn't see any of that. This is the story of how two independent thinkers molded football in general -- and championship football in particular. And they didn't just change the sport's Xs and Os; they changed its style. The story of their combined influence is unusual because neither man's ideas seriously affected the other's. This story also is the tale of many football greats: Joe Montana, Roger Staubach, Jerry Rice, Tony Dorsett, Ronnie Lott, Bob Lilly, Roger Craig, Ed "Too Tall" Jones and numerous others. What's more, the story of these coaches is one of great opponents: Dan Marino, Fran Tarkenton, Don Shula, Chuck Noll, Mike Ditka and Lawrence Taylor, to name a few. Most of all, this is the story of two icons: Landry, the cerebral, stoic, impeccably-dressed engineer, and Walsh, the creative, professorial, somewhat sensitive artiste. Their greatest moments rank among football's seminal moments. Fittingly, each coach's most famous play was a pass. For Landry, it was the Hail Mary that beat the Vikings in the 1975 playoffs. And for Walsh, it was, of course, The Catch, which came at the expense of the Landry Cowboys. These stories and many others comprise the larger narrative of how these men shaped the game we see today. PRAISE FOR TOM LANDRY AND BILL WALSH FROM GADY EPSTEIN, STAFF WRITER, THE ECONOMIST... Lawson "knows more about those two coaches and their teams than any sane human being does (or should)...trust me when I say John is an entertaining writer...Buy the book!" PRAISE FOR TOM LANDRY AND BILL WALSH FROM CHARLES GAY, DEPUTY MANAGING EDITOR, THE ATLANTA JOURNAL-CONSTITUTION..."TOM LANDRY AND BILL WALSH is a feast for serious NFL fans, tracing the game's dramatic evolution in a deeply intelligent

and analytical style. Lawson layers his story with context and detail while never losing sight of the broader theme: innovation. The book manages to do all that while being a damned enjoyable read. If you love pro football, TOM LANDRY AND BILL WALSH is a must for your reading list."

**Ruby** Simon and Schuster

A biography of the legendary professional football coach, known for his trademark fedora, who spent almost thirty years taking the Dallas Cowboys from punchline to NFL glory, ultimately delivering twenty consecutive winning seasons.

**Legends of the Dallas Cowboys** U of Nebraska Press

Friendship is the underlying subject as the beauty and dangers of bayou life are depicted in this first story in the landmark Clovis Crawfish series. This commemorative edition features an introduction by the author's daughter and archival material from the beloved series.

*The Landry Legacy* Arcadia Publishing

A unique and timely exploration of the cultural impact of sport on American society, including lifestyles, language, and thinking. Sport in American Culture is the first and only reference work to provide an in-depth and up-to-date exploration of sport and its impact on American culture. Essays from more than 200 scholars, professionals, and sports enthusiasts address how sport has changed our lifestyles, language, and thinking. Arranged alphabetically, the work introduces key sport figures and national icons, with a focus on their cultural impact, examines individual sports and how they have influenced society, and discusses such phenomena as the billion-dollar athletic apparel industry, sport as big business, and the effect of sport on gender, racial views, pride, and nationalism. In addition to expected topics, the work also includes less studied areas such as myths, audience rituals, Wheaties, comic books, the hula hoop, and religion. 400 A-Z entries covering a wealth of topics, including sports heroes, artifacts of sport, culture of consumption, racial discrimination, and gender 200+ distinguished contributors, including academics and professionals from a wide variety of fields Lavish illustrations and photographs support the subject areas and examples covered Extensive bibliographic information with individual reading suggestions for further study

**nattiq and the Land of Statues** Simon and Schuster

This collection of essays covers 50 professional and college athletes who served in the military during World War II. While the men's notoriety and accomplishments are as diverse as their personalities, they have one thing in common - their experiences in the military influenced the course of their lives.

*Lombardi and Landry* W. W. Norton & Company

The life of Thomas Wade Landry and his development into the dedicated coach of the Dallas Cowboys.

*Landry the Woman the Myth the Legend* McFarland

Jett Landry: Urban Legend. Volume Two in the Jett Landry Saga. By Stephan Oak. Cover art by Ricky Mitchell. It's been four years since The Fuse was lit. Everything has changed. Melinda is a first-year law student at Baylor. Jett Landry, still reeling from tragedy, leads a lonely existence in downtown Port City. Mike Krayton Sr. is the Regional Director for the Port City Region and right-hand man of the charismatic "Governor" of the new Texas Republic. Mike Krayton Jr. works for his father,

managing the controversial Workfare program. Human Trafficking is out of control. Danger is everywhere and the new government ignores the problem. Meanwhile, something strange is happening in the county north of Port City: A mysterious woman on a motorcycle is rescuing victims of a human trafficking ring. They say she comes out of nowhere and brings fury and vengeance to all those who try to stop her. No one knows who she is. Rumors are circulating all over Port City about the woman's identity. Some say she's a survivor of human trafficking, out for revenge. Others believe she belongs to a reclusive cult that lives deep in the woods. But there is another rumor about this mysterious hero; a rumor that involves the girl from Port City High who won all those karate tournaments several years ago. The Co-Valedictorian. The daughter of the infamous private detectives, Marcus Jackson and Ashley Garcia. Jett Landry: Urban Legend is the second installment in the Jett Landry Saga. It's the story of courage, friendship and sacrifice. It's the story of corruption
