Excerpt from Rand-McNally English Grammar and Composition New text-books on grammar appear annually, a fact which proves clearly the difficulty the teacher experiences in finding the ideal book for school use. Many of these books have admirable features, but few are adapted to the needs of the learner. The young pupil does not need an exhaustive treatise. What he does need is a concise statement of the actual facts of modern English brief, clear definitions of the laws of language, and ample illustration of these principles by examples that illustrate, chosen from the masters of English. English Composition and Grammar S. Chand Publishing Modern English Structures is a clear and accessible text that follows a structural approach to teaching basic English grammar. The book is divided into three parts: what a sentence constituent is, what a sentence constituent does, and where a sentence constituent goes—Form, Function, and Position. The objective of the book is to bring students to a better understanding of sentence constituents and sentence structures, providing them with appropriate terminology to discuss these forms and relationships. This second edition has been revised and updated throughout. The accompanying Modern English Structures Workbook parallels the text and provides useful training both in memorization and in higher-order thinking skills.

English Composition and Grammar Goyal Brothers Prakashan High School English Grammar & Composition is one of the most renowned reference guides to learn English Grammar in India. This is a part of the series of books by Wren and Martin, and it provides a comprehensive study of grammar. First published in 1935, this grammar book is now being used extensively in numerous schools across Pakistan, India, and Burma. This book has been divided into two sections, containing 84 chapters in total. The first part is about Grammar and the second part is about Composition. Some chapters include Synthesis of Sentences, Conjunctions, Direct and Indirect Speech, Comparison of Adverbs, and The Noun: Kinds of Nouns. The content of this book has been greatly influenced by The Manual of English Grammar and Composition authored by J. C. Nestfield. Through the course of this book, the authors have dealt with the very basics of grammar such as forming sentences, identifying subject and predicate, verbs, using adjectives as nouns, relative pronouns, and much more. The readers are also provided with insights into writing an essay, autobiographies, letters, and stories. High School English Grammar & Composition contains numerous exercises on grammar and composition that will help the readers test themselves from every angle.

[A Course in Grammar and Composition : Intermediate](#) S. Chand Publishing

This coursebook has been prepared for students at the intermediate level. The first part of the course deals with grammar and the second part deals with composition. The course in grammar aims to - familiarise learners with the rules of grammar and usage, and - give practice in using the grammatical structures accurately and appropriately. The course in composition aims to develop learners' ability to write cohesively and coherently using appropriate vocabulary on familiar topics. Minimal teacher guidance will be required to do the tasks. Some

of the key features of the book: - Simple and clear explanations: Grammatical explanations are made in simple language with minimal use of jargon. - Focus on form and function: Each topic is dealt with in two parts. The first focuses on the form of the structure and the second on its function. Extensive practice: The practice section is divided into two. The first part aims to give learners a firm grounding in the form of the structure and the second part aims to enable the learners to use the structure in situations. - Writing for academic purposes: The composition section deals with writing skills that are useful for studying all subjects through English. - Writing for life: The composition section also aims to develop learners' skills for using English for written communication in everyday life.
