Cambridge International AS and A Level Biology

Hodder Education
Equip your students for success with complete support for the latest Cambridge AS and A Level English Language syllabus (9093), for examination from 2021. Written by Cambridge examiners, the accessible, exam-focused approach embeds complex language skills and is packed with exam guidance, including support for the new Paper 3. Firmly instilling the analysis and application skills key to exam success, it includes practical guidance on how to develop and progress these capabilities. Plus, prepare students for future study with comprehensive coverage of trickier topics such as interpreting qualitative data and comparative commentary. Support students' learning with guided answers to Student Book activities on the accompanying support site.
Cambridge Advanced Learner's Dictionary KLETT VERSION Cambridge University Press

This title is endorsed by Cambridge Assessment International Education to support the full syllabus for examination from 2022. Confidently navigate the updated Cambridge International AS & A Level Chemistry (9701) syllabus with a structured approach ensuring that the link between theory and practice is consolidated, scientific skills are applied, and analytical skills developed. - Enable students to monitor and build progress with short 'self-assessment' questions throughout the student text, with answers at the back of the book, so students can check their understanding as they work their way through the chapters. - Build scientific communication skills and vocabulary in written responses with a variety of exam-style questions. - Encourage understanding of historical context and scientific applications with extension boxes in the student text. - Have confidence that lessons cover the syllabus completely with a free Scheme of Work available online. - Provide additional practice with the accompanying write-in Practical Skills Workbooks, which once completed, can also be used to recap learning for revision.

Cambridge International AS and A Level English Language Exam

Preparation and Practice Cambridge University Press

Support strong assessment potential with this comprehensive Cambridge A Level Accounting title. It was written to match the latest syllabus (9706) for first examination in 2016. Up-to-date and international case studies will support understanding of current business practice, preparing students for assessment and their future careers. Specifically designed to give students confidence in their studies, it covers all the Key Concepts in the latest syllabus. In addition, there is free online access to interactive activities which reinforce understanding.

Cambridge International AS and A Level Literature in English Coursebook Cambridge University Press

This revised set of resources for Cambridge International AS and A Level Accounting syllabus (9706) is thoroughly updated for the latest version of the curriculum. Written by experienced authors, this coursebook unpacks accounting concepts in an engaging and accessible style. With clear definitions of up-to-date terminology, this resource is ideal for learners with a wide range of abilities, including those whose first language is not English. Practical walkthroughs illustrate the application of key accounting policies and practices, and activities reinforce knowledge and build analytical and evaluation skills. At the end of each chapter there are opportunities to practice multiple-choice and structured questions to help prepare students for their assessment.

Cambridge International AS and A Level Economics Second Edition

Cambridge University Press

The only endorsed resources for the Cambridge International AS Level English

General Paper syllabus. Through exploration of a wide array of topics, from celebrity culture to poetry in the modern world, this book focuses on strengthening communication, evaluation, analysis, application and understanding skills. Helping students improve their written responses, use of English and comprehension, this coursebook looks at discussion points relevant to the globally-minded classroom. With frequent practice questions and sample answers, students have plenty of opportunities to build their confidence answering questions. Answers to coursebook questions are in the teacher's resource.
