History of Orissa Hemkunt Press

An exhaustive, yet fascinating, account of the history of Odisha (earlier Orissa) from the prehistoric times to 1568 CE by synthesising authentic evidence from the original sources such as literary, epigraphic, numismatics, archaeological, historical, and travellers' accounts in chronological order... First published in 1981, the book has undergone several editions and is widely acclaimed and ranks among the most authentic historical books on the history and culture of Odisha. The book is divided into 19 chapters. The first—Introductory Chapter—explores the prehistoric period against the backdrop of the topographic setting of the region. Chapters 2 to 12 deal with the dynastic history of Odisha, while the remaining chapters, i.e., from 13 to 19 throw light on the vibrant cultural diversities of Odisha, especially the administrative organisations, socio-economic conditions, religious traditions, art and architecture, and colonial expansion. In addition, there are six elaborate appendices, where the author examines, dissects, and elucidates on various intriguing issues and old theories: situating the date of Kharavela; the accounts of Arab travellers; the historicity of the Madala Panji; and the research credibility of "Odia Mahabharat" by Sarala Dasa. Each chapter contains references and a bibliography of selected works by other scholars who have worked in the field. The book provides a comprehensive index, and illustrations in the book outline the rich archaeological monuments and heritage of Odisha. This scholarly work connects the land, culture, and history of Odisha through the times past up until 1568 CE. It will definitely serve to a great extent the needs of students of history and be a pleasurable reading to all those who love Indian art and culture and especially of Odisha. This scholarly work connects the land, culture and history of Odisha through the times past up until 1568 CE. It will serve the needs of students of history and be a pleasurable reading to all those who love Indian art and culture.

The Mahabharata is an ancient Indian epic where the main story revolves around two branches of a family - the Pandavas and Kauravas - who, in the Kurukshetra War, battle for the throne of Hastinapura. Interwoven into this narrative are several smaller stories about people dead or living, and philosophical discourses.

The Mahabharata, one of the most popular epics, has had a remarkable impact on literary and cultural thought in India through the centuries. It is also of immense religious and philosophical importance and is considered itihasa, literally 'that which happened', or sacred history. Though the

setting of the Mahabharata is distant in time, something of its indefatigable, insistent formulation of the pivotal dilemmas of our shared human moral imagination remains insistent and inextinguishable even today. The Moral Imagination of the Mahabharata closely reads the conceptual and narrative intricacies of the epic through the four foundational terms of dharma (law), artha (worldliness), kama (desire) and moksha (freedom), offering riveting insights on the moral psychology of Indic civilization. Drawing from scholarly forays in philology, history, religious studies and pre-modern Asian traditions, this critical attention by a literary scholar to the Mahabharata's narrative impulses and the internal vigour of select episodes brings to fore the gripping dilemmas that animate the epic. The book travels through an atmospheric and exuberant pre-modern milieu to provoke prescient metaphysical and ethical questions that are only accumulating in relevance in the contemporary world.

**Orissa Review** Notion Press

Pratibha Ray makes a determined effort for a portrayal of the epic character and brings to the surface the broader and deeper aspects of Draupadi's mind that lay submerged in the majestic sweep of the grand Mahabharata. The novel won her the Bharatiya Jnanpith's prestigious ninth Moortidevi Award in 1993.

Krishna stood alone after everybody left the burning pyre. He smiled, the all-knowing smile, at the retreating figures of Gandhari and Kunti. He had been cursed! He cannot and will not be a God of salvation in Kali Yuga. He has been made the Lord of Adharma, only to create wealth and power. Now, He could be redeemed only if the hidden secrets of Mahabharata were revealed to the world. The secrets, locked in for four millenniums, are out! To save Sri Krishna and therefore, the world!

Ever wanted to read the Mahabharata but never ended up finishing the epic due to the sheer size of the story or the numerous characters that simply overwhelm? Have you always been curious of who the Pandavas actually were and why the Kauravas hated them so much until they resorted to deception and deceit to get rid of their cousins? Was Arjuna actually the greatest archer of all time? Or was it only because of favourable circumstances that Arjuna became known as such? Have you ever wondered how divinity himself, Krishna ended up as Arjuna's charioteer? And what actually transpired during the battle on the holy lands of Kurukshetra that resulted in us still talking about

the Mahabharata more than 5000 years later? This book will answer all these questions and more. Enjoy the greatest epic of our time, the Mahabharata, in a compact and easy-to-read version that is suitable for all ages.

Tales From the Mahabharat Notion Press

Ved, Ramayana, Gita, Puran and Mahabharata etc. are all Hindu's Holy Scriptures, which have guided us in development the society since time immemorial. We have tried to transform the big epic Mahabharata in a small and easy story format by which one can learn about Hindu epics in a playful manner. This story book the Hindu epic Mahabharata appeases the curiosity about the life of Lord Krishna, Pandava, Kaurava and many other great Hindu sages in an interesting manner.

Bestselling author Terry O'Brien brings together a delightful collection of fables, drawn from ancient folklore and mythology, showcasing the unique spiritual ethos of India. With a selection of stories such as 'Warriors of Old', 'How the Kauravas Were Born' and 'Sati and Shiva', this book paints a vibrant picture of ancient Indian gods, depicting them in rich and colourful detail.

Cultural Heritage of [Orissa]: pts. 1-2. Katak Vikas Publishing House Private

'Mahabharat', written by the venerable sage Veda Vyasa in around 3,000 BC, is the world's largest epic that comprises of 2 lac verses. It is said that Veda Vyasa dictated the story to Lord Sri Ganesha who wrote it down on either bark of tree or cloth or leaf as paper was not invented 5000 years back. Sadly the original manuscript is yet to be found. 'Mahabharat' was first orally narrated by Vyasa's disciple Vaishampayan during the Snake Sacrifice Ceremony of Arjun's great grandson King Janmejaya. After that it had been orally narrated by innumerable people, mostly sages, before getting finally penned down on paper. Because of this we find countless interpolations in the ancient epic which is more famously known as 'Itihaas' or history. There are many proofs in and around India that will prove that Mahabharat and Kurukshetra War did happen. For example, Hastinapur and Kurukshetra are major tourist spots in Uttar Pradesh. Remnants Sri Krishna's Dwarika can still be seen under the sea in Gujarat. Indraprastha is now known as Delhi, Gandhar is in Afghanistan, Magadh is now called Bihar, Kalinga is now Orissa and so on. Manipur and Nagaland still retain their original names. Apart from the main or core plot, there are countless fringe tales or sub plots in Mahabharat. These comparatively lesser known stories may or may not have direct connection with the main plot but they definitely make enjoyable reading. These stories are mostly narrated by the sages to convey some positive message to the main characters. Hence some of them contain a

moral lesson at the end. The first story is that of Dushyanta and Shakuntala, parents of King Bharat, after whom India has derived her name. Both the protagonists and antagonists were his descendants. The next stories are those of Nala and Damayanti, Mritasanjivani, Yayati, Tilottama, Garuda, Ilval and Vatapi, Rama's story, Savitri and Satyavaan, etc. Each story is novel in its own right. There are eternal love stories, stories of temptation leading to ruins, stories of valour and courage, tales of villainy and vengeance, inspiring stories of honour and nobility, etc. It is not at all difficult to bring out the essence of these stories as they are basically very interesting with a fairy tale quality that is bound to mesmerize most of the readers. It took me nearly two years of research work before publishing this book. I would consider my labour to be successful if the stories are read and liked by the readers. Thank you.

The Beginning of the Mahabharata and Other Stories Oxford University Press

Selected stories for children from the Mahabharata ranging from how the Mahabharata was written to the Mritasanjivani story, the birth of Devavrata, the palace of Lac, Draupadi's Swayamvara, the passing of Bhishma and many other equally enthralling stories from one of the greatest epics of all time. This is the second book in the recently launched From the House of Harper series which will include collections of classic Indian tales. The first book in the series was a collection of the Panchatantra stories, A Basketful of Animal Tales.

In the West Krishna is primarily known as the speaker of the Bhagavad Gita. But it is the stories of Krishna's childhood and his later exploits that have provided some of the most important and widespread sources of religious narrative in the Hindu religious landscape. This volume brings together new translations of representative samples of Krishna religious literature from a variety of genres -- classical, popular, regional, sectarian, poetic, literary, and philosophical.

Mahabharat K.K. Publications

The foreboding age of Kali approaches. A troubled dynasty hovers on the brink of destruction. Celestials, warriors, demons, and mystics struggle for control of the earth. An epic story that has endured for millennia, Mahabharata reflects the passions and longings of the human spirit.
