DYER RILEY

Introduction to Social Problems Simon and Schuster

Presents a selection of forty-six readings that provide, an introduction to the sociological perspective, look at how sociologists conduct research, examine the cultural underpinnings of social life, and discuss social groups and social structure, gender and sexuality, deviance, and social stratification, institutions, and change.

Sociology Pearson

Down to Earth Sociology, Eighth Edition, continues to open new windows onto the complex social realities that shape our world as it provides a firm foundation for exploring the discipline of sociology and the dynamic principles underlying society itself.

Down to Earth Sociology Pearson Higher Ed

Essentials of Sociology, adapted from George Ritzer's Introduction to Sociology, provides the same

rock-solid foundation from one of sociology's best-known thinkers in a shorter and more streamlined format. With new co-author Wendy Wiedenhoft Murphy, the Third Edition continues to illuminate traditional sociological concepts and theories and focuses on some of the most compelling features of contemporary social life: globalization, consumer culture, the internet, and the "McDonaldization" of society. New to this Edition New "Trending" boxes focus on influential books by sociologists that have become part of the public conversation about important issues. Replacing "Public Sociology" boxes, this feature demonstrates the diversity of sociology's practitioners, methods, and subject matter, featuring such authors as o Michelle Alexander (The New Jim Crow) o Elizabeth Armstrong and Laura Hamilton (Paying for the Party) o Matthew Desmond (Evicted) o Arlie Hochschild (Strangers in Their Own Land) o Eric Klinenberg (Going Solo) o C.J. Pascoe (Dude, You're a Fag) o Lori Peek and Alice Fothergill (Children of Katrina) o Allison Pugh (The Tumbleweed Society) Updated examples in the text and "Digital Living" boxes keep pace with changes in digital technology and online practices, including Uber, Bitcoin, net neutrality, digital privacy, WikiLeaks, and cyberactivism. New or updated subjects apply

sociological thinking to the latest issues including: the 2016 U.S. election Brexit the global growth of ISIS climate change further segmentation of wealthy Americans as the "super rich" transgender people in the U.S. armed forces charter schools the legalization of marijuana the Flint water crisis fourth-wave feminism

Down to Earth Sociology Simon and Schuster

This brief and economical reader, edited by Jim Henslin, is specifically designed to be used as a companion to *Essentials of Sociology: A Down-to-Earth Approach*, Fifth Edition.

Life in Society HarperCollins Publishers

Social Problems Prentice Hall

Appropriate for the Social Problems course. This theoretically balanced text provides the latest research and a consistent structure to help students analyze critical social problems facing the United States. The author presents both sides of an argument with a neutral voice and use a "down-to-earth" writing style. By using *Social Problems: A Down-To-Earth Approach* 10e, not only do students gain a sociological understanding of social problems, but also they are able to explore-and evaluate-their own opinions about specific social problems. They will gain a greater awareness of the social forces that shape their orientations to social problems and their perspectives on social life. The ideas in this book, then, can penetrate students' thinking and give

shape to their views of the world.

Social Problems: A Down-to-Earth Approach Pearson

In this work, Internet exercises are placed at the end of each chapter. Spousal abuse is used as a new unifying example in the Research Methods chapter.

"Throughout this text, the goal is to share with your students how fascinating and enlightening sociology is. Because sociology is about social life and we live in a changing global society, this 15th edition of *Sociology: A Down-to-Earth Approach* continues to reflect the national and global changes that engulf us, as well as presents new sociological research. The down-to-earth examples, for which this text is known, will help your students see how sociology applies to them. So will the photos, about 555 of them, of which 228 are new. The photos are neither random nor

"fillers." I have either selected or taken each of these photos, as well as written each caption. By tying the photos and their captions directly into the text, they become part of your students' learning experience"--
