 Modern and comprehensive, the new Fifth Edition of Zill's Advanced Engineering Mathematics, Fifth Edition provides an in depth overview of the many mathematical topics required for students planning a career in engineering or the sciences. A key strength of this best-selling text is Zill's emphasis on differential equations as mathematical models, discussing the constructs and pitfalls of each. The Fifth Edition is a full

compendium of topics that are most often covered in the Engineering Mathematics course or courses, and is extremely flexible, to meet the unique needs of various course offerings ranging from ordinary differential equations to vector calculus. The new edition offers a reorganized project section to add clarity to course material and new content has been added throughout, including new discussions on: Autonomous Des and Direction Fields;

Translation Property, Bessel Functions, LU-Factorization, Da Vinci's apparatus for determining speed and more. New and Key Features of the Fifth Edition: - Available with WebAssign with full integrated eBook - Two new chapters, Probability and Statistics, are available online - Updated example throughout - Projects, formerly found at the beginning of the text, are now included within the appropriate chapters. - New and updated content throughout including new

 Cambridge Skills for Fluency is a learner-centred range of materials designed specifically to develop students' fluency and confidence in listening, speaking, reading and

writing. The books are at four levels from pre-intermediate through to advanced and are suitable for use as supplementary texts or as core texts on skills development courses. Each book in the Cambridge Skills for Fluency series: promotes fluency by presenting a wide variety of both old and new topics in creative and imaginative ways * genuinely engages students' interest and encourages them to share personal reactions and opinions fluently * focuses on a particular skill but

the other skills are integrated in a way that reflects real life use of language * contains twenty units designed to take about an hour of class time, a detailed contents map and brief teaching notes.

The best-selling English Pronunciation in Use is a comprehensive reference and practice book suitable for self-study or classroom work. Sixty easy-to-use units cover all aspects of

pronunciation, including individual sounds, word stress, connected speech and intonation. Each unit is supported by audio material in range of accents, available on audio CD. An additional reference section offers a glossary of specialized terms, help with the pronunciation of numbers and geographical names and fun exercises on phonemic symbols and minimal pairs. The CD-ROM provides a wide variety of additional interactive activities to reinforce the

pronunciation covered in the book, as well as tests, progress checks, games and animated diagrams of the mouth showing learners how to produce individual sounds. Students can also record themselves and compare their pronunciation with one of the many models provided.

PLEASE NOTE - this is a replica of the print book and you will need paper and a pencil to complete

the exercises. Take your self-study English language learning and confidence to the top level with the fourth practice book in the visual learning series English for Everyone. Practice Book: Level 4 Advanced will help you to solidify the skills you learn from the Course Book: Level 4 Advanced or from your other courses or studies. Strengthen your language for topics such as family life, business, and news, and the media. Grab your pen and work your way through the exercises as

you cover each topic. Activities include filling in the blanks, true or false decision-making, matching the pairs, and much more. Audio material is provided at every stage through the English For Everyone website and Android/iOS apps to provide vital experience of spoken English and make even tricky phrases easy to understand. English for Everyone is aligned to the CEFR, the international standard for language learning, and ideal for preparation for major

English-language exams including IELTS, TOEIC, and TOEFL. Whether you want to improve your English for work, study, or travel, the Practice Book: Level 4 Advanced is your perfect learning companion. Series Overview: English for Everyone series teaches all levels of English, from beginner to advanced, to speakers of English as a second language. Innovative visual learning methods introduce key language skills, grammar, and vocabulary, which are reinforced with a variety

of speaking, reading, and writing exercises to make the English language easier to understand and learn. Visit www.dkefe.com to find out more.

Complete Advanced - Second Edition. Student's Book Pack (Student's Book with Answers with CD-ROM and Class Audio CDs (3)) Cambridge University Press

Straightforward has been revamped in a second edition, with much of the content updated and made more relevant to our ever-changing world. New topics, articles and exercises appear within a fresh new design. All the old teachers' favourites are still there - meaning it

will still be a joy to teach with. Each unit is structured to provide one lesson per double-page spread (A/B/C/D), lasting around 90 minutes. All lessons are interlinked to promote better and more memorable learning, with the flexibility to pick out key sections to focus on certain language points. All language is clearly signposted and scaffolded so there is great clarity of

progression of learning - students can really feel they are getting somewhere. There are extra communication pages and unit reviews, plus new videos, online material and photocopyables to extend and add to a lesson. The CEFR plays a prominent part in the second edition with clear signposting, self-assessment opportunities and the

invaluable portfolio. The Teacher's Book and supporting website have tips, photocopyables and information.
