Echoes and Empires Penguin

The sizzling, un-put-downable sequel to the New York Times bestselling *Rebel of the Sands*, by the Goodreads Choice Awards Best Debut Author of 2016! Mere months ago, gunslinger Amani Al-Hiza fled her dead-end hometown on the back of a mythical horse with the mysterious foreigner Jin, seeking only her own freedom. Now she's fighting to liberate the entire desert nation of Miraji from a bloodthirsty sultan who slew his own father to capture the throne. When Amani finds herself thrust into the epicenter of the regime—the Sultan's palace—she's determined to bring the tyrant down. Desperate to uncover the Sultan's secrets by spying on his court, she tries to forget that Jin disappeared just as she was getting closest to him, and that she's a prisoner of the enemy. But the longer she remains, the more she questions whether the Sultan is really the villain she's been told he is, and who's the real traitor to her sun-bleached, magic-filled homeland. Forget everything you thought you knew about Miraji, about the rebellion, about djinni and Jin and the Blue-Eyed Bandit. In *Traitor to the Throne*, the only certainty is that everything will change. * "Superlative." - Kirkus Reviews, starred review "A robust and satisfying sequel, *Traitor to the Throne* ranks at the top with the novels of Morgan Rhodes, Rae Carson, and Leigh Bardugo." --VOYA

From award-winning Wall Street Journal reporters, "a startling portrait of one of our greatest tech visionaries, Zappos CEO Tony Hsieh" (Robert Kolker, author of *Hidden Valley Road*), reporting on his short life and untimely death and what they mean for our culture's pursuit of happiness. Tony Hsieh—CEO of Zappos, Las Vegas developer, and all-around beloved entrepreneur—was famous for spreading happiness. He lived and breathed this philosophy, instilling an ethos of joy at his company and outlining his vision for a better workplace in his New York Times bestseller *Delivering Happiness*. He promoted a workplace where bosses treated employees like family members, where stress was replaced by playfulness, and where hierarchies were replaced with equality and collaboration. His outlook shaped Silicon Valley and the larger business world. Hsieh used his position at work to integrate levity into a normally competitive environment. He aspired to build his own utopian cities, pouring millions of dollars into real estate and small businesses, first in downtown Las Vegas, Nevada—where Zappos was headquartered—and then in Park City, Utah. He gave generously to his employees and close friends, including throwing infamous Zappos parties and organizing gatherings at his home, an Airstream trailer park. When Hsieh died suddenly in November of 2020, the news shook the business and tech world. Wall Street Journal reporters Kirsten Grind and Katherine Sayre quickly realized the importance of the story because of Hsieh's stature in the industry, but as they dug into the details of his final months, they realized there was a bigger story to tell. They found that Hsieh's obsession with happiness masked his darker struggles with addiction, mental health, and loneliness. In the last year of his life, he spiraled out of control, cycling out of rehab and into the waiting arms of friends who enabled his worst behavior, even as he bankrolled them from his billion-dollar fortune. *Happy at Any Cost* sheds light on one of the most venerated, yet vulnerable, business leaders of our time. It's about our culture's intense need to find "happiness" at all costs, our misguided worship of entrepreneurs, the stigmas still surrounding mental health, and how the trappings of fame can mask all types of deeper problems. In turn, it reveals how we conceptualize success—and define happiness—in our modern age.

WINNER OF THE 1989 CHRISTOPHER AWARD • Here is a thrilling, uplifting story of true-life heroism unequalled since the publication of Anne Frank's diary—a story that the young must hear and their elders must remember. Take Alicia's hand—and follow. “This memoir is heartbreaking. I hope it will be read by Jews and non-Jews alike.”—Elie Wiesel, author of *Night* Her name is Alicia. She was thirteen when she began saving the lives of people she did not know—while fleeing the Nazis through war-ravaged Poland. Her family cruelly wrenched from her, Alicia rescued other Jews from the Gestapo, led them to safe hideouts, and lent them her courage and hope. Even the sight of her mother's brutal murder could not quash this remarkable child's faith in human goodness—or her determination to prevail against overwhelming odds. After the war, Alicia continued to risk her life, leading Polish Jews on an underground route to freedom in Palestine. She swore on her brother's grave that if she survived, she would speak for her silenced family. This book is the eloquent fulfillment of that oath. Praise for Alicia “Profoundly observed . . . remarkably lived . . . ferocious bravery.”—The New York Times Book Review “As exciting as it is inspirational. In fact, a good bit of Alicia: My Story reads as if it were written by one of our better writers of fiction.”—The Pittsburgh Press “A compelling voice, lucid prose . . . a luminous testimony to the heroism and humanity of one remarkable person.”—San Francisco Chronicle “Straightforward . . . energizing and inspirational.”—Newsday

[The Paladin Prophecy](#) Harper Collins

From the New York Times bestselling author of the Falling Kingdoms series comes the first book in a brand-new duology about forbidden magic and dangerous secrets, for readers of Victoria Aveyard and Margaret Rogerson. Josslyn Drake knows only three things about magic: it's rare, illegal, and always deadly. So when she's caught up in a robbery gone wrong at the Queen's Gala and infected by a dangerous piece of magic—one that allows her to step into the memories of an infamously evil warlock—she finds herself living her worst nightmare. Joss needs the magic removed before it corrupts her soul and kills her. But in Ironport, the cost of doing magic is death, and seeking help might mean scheduling her own execution. There's nobody she can trust. Nobody, that is, except wanted criminal Jericho Nox, who offers her a deal: his help extracting the magic in exchange for the magic itself. And though she's not thrilled to be working with a thief, especially one as infuriating (and infuriatingly handsome) as Jericho, Joss is desperate enough to accept. But Jericho is nothing like Joss expects. The closer she grows to Jericho and the more she sees of the world outside her pampered life in the city, the more Joss begins to question the beliefs she's always taken for granted—beliefs about right and wrong, about power and magic, and even about herself. In an empire built on lies, the truth may be her greatest weapon.
