Project: Wolf World Severn House Publishers Ltd
 The national bestselling author of *High Stakes* returns to Sin City, where you can get bitten by the gambling bug—or by the sexiest vampire you've ever seen... Campaign manager—and vampire—Seamus Fox has had his fill of women, since he's been keeping tabs on his presidential candidate's wife and female entourage. But suddenly he finds himself obsessed by a mysterious stripper who dances behind a screen. The sultry—yet shy—Cara Kim whets his

appetite for more. But leave it to Seamus to fall fangs over feet for that rarest of Vegas attractions...a good girl. After a sudden run-in on the street, though, they may soon have a lot more in common...
Assignment: Royal Rescue Simon & Schuster/Paula Wiseman Books
 Supernaturally gifted cocktail waitress Sookie Stackhouse heads for New Orleans, where she is forced to contend with her own family's dark legacy and a variety of potentially lethal characters.

Scaredy Bat and the Frozen Vampires

Penguin
 "Don't trust what you see - especially in Scream Street, a sanctuary that the government has prepared for monsters of all kinds. This scarily funny book presents

two adventures from the popular TV series. In one, young vampire Resus finds a magical mirror in a hidden crypt and swaps places with his reflection - his evil reflection. Is the real Resus trapped in the mirror for ever? In the second story, beautiful shop owner Eefa is actually a 300-year-old witch. When the portrait that keeps her lovely looks intact is accidentally binned, werewolf Luke and his friends have to find and return it to Eefa - or else! ."-Publisher description.
Target: Nobody Fangs Vampire Spy
 Eleven-year-old Meg is not happy that her mother insists on hiring a babysitter for her and her younger brother, especially one with pointed teeth and a fondness for biting people's necks.

#1 NEW YORK TIMES BESTSELLER • NOW A STARZ ORIGINAL SERIES Unrivaled storytelling. Unforgettable characters. Rich historical detail. These are the hallmarks of Diana Gabaldon's work. Her New York Times bestselling *Outlander* novels have earned the praise of critics and captured the hearts of millions of fans. Here is the story that started it all, introducing two remarkable characters, Claire Beauchamp Randall and Jamie Fraser, in a spellbinding novel of passion and history that combines exhilarating adventure with a love story for the ages. One of the top ten best-loved novels in America, as seen on PBS's *The Great American Read!* *Scottish Highlands, 1743*. Claire Randall, a former British combat nurse, is just back from the war and reunited with her husband on a second honeymoon when she walks through a standing stone in one of the ancient circles that dot the British Isles. Suddenly she is a Sassenach—an "outlander"—in a Scotland torn by war and raiding clans in the year of Our Lord . . . 1743. Claire is catapulted into the intrigues of a world that threatens her life, and may shatter her heart. Marooned amid danger, passion, and violence, Claire learns her only chance of safety lies in Jamie Fraser, a gallant young Scots warrior. What begins in compulsion becomes urgent need, and Claire finds herself torn between two very different men, in two irreconcilable lives. This eBook includes the full text of the novel plus the following additional content: • An excerpt from Diana Gabaldon's *Dragonfly in Amber*, the second novel in the *Outlander* series • An interview with Diana Gabaldon • An *Outlander* reader's guide Praise for *Outlander* "Marvelous and fantastic adventures, romance, sex . . . perfect escape reading."—*San Francisco Chronicle* "History comes deliciously alive on the page."—*New York Daily News* *Vi Spy: Never Say Whatever Again* eBook Partnership

"Sensual, sophisticated and sinfully addictive!" ~*InD'tale Magazine* A seductive spy. A powerful vampire. A deadly conspiracy determined to kill them both...Research scientist Cerissa Patel has only one desire: to feel her lover's fangs slip into her neck for the very first time. Once they become blood mates, no one can keep them apart. But it's never that easy. Cerissa's relationship with vampire Henry Bautista violates a centuries-old law, and the town council wants her banned from their secret community. If they have their way, she'll be separated from Henry forever. As if that isn't enough,

Henry is still in danger. The would-be assassin lies in a coma, and Cerissa is no closer to knowing who targeted Henry—or why. To make matters worse, her own people forbid her from becoming a vampire's mate. They aren't sure what Henry's bite will do to her and want her focused on her original mission: tracking down the vampires behind a ruthless movement to enslave mortals. Against these odds, Cerissa must find a way to bond with the man who holds her heart, and do so without paying the ultimate price - the loss of her wings forever...Get it now! P.S.: I want you to have the best reading experience possible, so dive into *Dark Wine at Midnight* first before reading this one. You won't regret it. - Jenna [Definitely Dead](#) Anchor Canada

The *Blood* books center around three main characters: Vicki Nelson, a homicide cop turned private detective, her former partner Mike Celluci, who is still on the force, and vampire Henry Fitzroy, who is the illegitimate son of Henry VIII and makes his living as a writer of bodice rippers. Not only are the three of them caught in a love triangle, but they are, time and again, involved in mysteries with a supernatural slant—from demons, to werewolves, to mummies—and inevitably must join forces to solve crimes and defeat supernatural enemies. Now all of Tanya Huff's short stories about Henry, Vicki, and Mike are being released in this collection entitled *Blood Bank*. As an added bonus for fans of the TV series, *Blood Bank* includes the actual screenplay for "Stone Cold," the episode Tanya herself wrote for the *Blood Ties* series along with a special introduction by Tanya, detailing her own experiences with the show.

Mission: Lullaby Houghton Mifflin Harcourt Read Laura Wright's blogs and other content on the Penguin Community. A dark and sexy debut paranormal romance In the dark, fear and desire are one... Alexander Roman wants nothing to do with those of his vampire breed. Fate places him at the door of Dr. Sara Donohue, who is dedicated to removing patients' traumatic memories. But as their worlds collide, Sara and Alexander are bound by something even stronger as one becomes hunter and the other, prey. And Sara's only chance of survival is to surrender to the final—and most unimaginable—desire of her life. Watch a Video

villains and monster criminals from realizing their evil plans. In *Mission: Lullaby*, super-villain wannabe Derek Doppler has hired two unlikely henchmen - Agents Enigma and Brown! Fangs and Puppy are undercover investigating the criminal organization known as GLOVE. Can Fangs and Puppy catch GLOVE's head honcho Mr Big or will they return empty-handed?

The Care and Feeding of Stray Vampires Harper Collins

My blood is toxic to vampires . . . If there's one thing I want, it's to get off this iceberg. I'm thinking college on the East Coast. ANYWHERE besides Alaska. Then a near-fatal car wreck changes everything. Government agents jump in and save my life in exchange for my services as a vampire hunter. Did they just say vampires? Yep. And they're not the kind that sparkle. They're rabid, disgusting, rude . . . and way too suave. Those are the ones I really have to watch out for. A knife isn't my only weapon. My rare blood type sends vampires into temporary paralysis right before I have to finish the job by hand. Basically, I'm a glorified chew toy. Now I'm stuck with an overzealous partner, a group of suck junkies, and a maddening attraction to Mr. Joe Cool, dresses all in black, Fane Donado. Clearly, he's keeping secrets of his own. The old Aurora is gone forever. Destroyed in the wreckage. I don't know who I am anymore, only that I suddenly have intense cravings and a V.I.P. pass into Alaska's underworld. If vampires found out who I worked for it would be lights out forever. In the meantime, I have some undead ass to kick so long as it doesn't kick mine first. Fans of young adult dark fantasy, vampires, action, and forbidden romance will devour this story. Get your copy and start reading today!

Aurora Sky: Vampire Hunter Nikki Jefford "Masterfully written, *The Secrets of Mary Bowser* shines a new light onto our country's darkest history." —Brunonia Barry, bestselling author of *The Lace Reader* "Packed with drama, intrigue, love, loss, and most of all, the resilience of a remarkable heroine....What a treat!" —Kelly O'Connor McNees, author of *The Lost Summer of Louisa May Alcott* Based on the remarkable true story of a freed

African American slave who returned to Virginia at the onset of the Civil War to spy on the Confederates, *The Secrets of Mary Bowser* is a masterful debut by an exciting new novelist. Author Lois Leveen combines fascinating facts and ingenious speculation to craft a historical novel that will enthrall readers of women's fiction, historical fiction, and acclaimed works like *Cane River* and *Cold Mountain* that offer intimate looks at the twin nightmares of slavery and Civil War. A powerful and unforgettable story of a woman who risked her own freedom to bring freedom to millions of others, *The Secrets of Mary Bowser* celebrates the courageous achievements of a little known but truly inspirational American heroine.

A Breath of Snow and Ashes Anne Malcom

Eagerly anticipated by her legions of fans, this sixth novel in Diana Gabaldon's bestselling *Outlander* saga is a masterpiece of historical fiction from one of the most popular authors of our time. Since the initial publication of *Outlander* fifteen years ago, Diana Gabaldon's New York Times bestselling saga has won the hearts of readers the world over — and sold more than twelve million books. Now, *A Breath of Snow and Ashes* continues the extraordinary story of 18th-century Scotsman Jamie Fraser and his 20th-century wife, Claire. The year is 1772, and on the eve of the American Revolution, the long fuse of rebellion has already been lit. Men lie dead in the streets of Boston, and in the backwoods of North Carolina, isolated cabins burn in the forest. With chaos brewing, the governor calls upon Jamie Fraser to unite the backcountry and safeguard the colony for King and Crown. But from his wife Jamie knows that three years hence the shot heard round the world will be fired, and the result will be independence — with those loyal to the King either dead or in exile. And there is also the matter of a tiny clipping from *The Wilmington Gazette*, dated 1776, which reports Jamie's death, along with his kin. For once, he hopes, his time-traveling family may be wrong about the future.

Bloody Acquisitions Fangs Vampire Spy Whether preparing us for economic recovery after the zombie apocalypse, analyzing vampire investment strategies, or illuminating the market forces that affect vampire-human romances, *Economics of the Undead: Zombies, Vampires, and the Dismal Science* gives both seasoned economists and layman readers something to sink their teeth into. Undead characters have terrified popular audiences for centuries, but when analyzed closely, their behaviors and stories—however farfetched—mirror our own in surprising ways. The essays collected in this book are as humorous as they are thoughtful, as culturally relevant as they are economically sound, and provide an accessible link between a popular culture phenomenon and the key concepts necessary to building one's understanding of economic systems big and small. It is the first book to apply and combine economics and our society's fascination with the undead, and is an invaluable resource for those looking to learn economic fundamentals in a fun and innovative way. Vi Spy: Licence to Chill Dell

The vampire hunting spy goes to China to investigate a new form of Undead lurking among Peking's criminal underworld in this "lush and delicious read" (Publishers Weekly). China, 1912. James Asher, his brilliant wife Lydia, and the old occultist and vampire hunter Dr. Solomon Karlebach have journeyed to the new-born Republic of China to investigate the rumor that a mindless breed of Undead known as the Others have begun to multiply in the hills west of Peking. Even vampires fear the Others, but some factions of the criminal underworld plan to turn the powerful horde into an unstoppable weapon. Alongside his old vampire partner, Don Simon Ysidro, Asher embarks on a dangerous hunt. But meanwhile, somewhere in the city's labyrinth, the Peking vampires—known as the Magistrates of Hell—are waiting with their own sinister agenda. "Balancing the excitement of dangerous chases through mines full of Undead with the intellectual satisfaction of solving a political mystery, this is a lush and delicious read."
