### BALDWIN ANGIE

*For Viola* Alfred Music

(String). A fresh take on a time-honored classic, this edition of Wohlfahrt's Op. 45 Studies for Violin (Book I) features newly composed violin teacher accompaniments. Make technical study a fun and collaborative experience. Includes a preface on how to incorporate the studies into instruction and practice, and a chart that categorizes the studies into right and left hand technical issues.

*Introducing the Positions for Viola - Volume 1* Fennica Gehrman Ltd.

This book teaches the second position on the violin through exercises and relevant short pieces, each designed to teach a specific concept. This book is a step-by-step method for introducing a student to second position in the least daunting way. With a systematic approach through the various finger spacing patterns, Second Position for the Violin is a valuable addition to the violin teaching repertoire. This book can be followed by G Major Shifting for the Violin.

**Basic Thumb Position Studies for the Young Cellist** Hal Leonard Corporation

This is a method book that teaches fifth position on the cello. The book pairs short exercises with pieces, teaching specific concepts on every page. Beginning with closed fifth position, the book continues with extensions and the various finger groupings that are played in fifth position. The

exercises and pieces focus on both shifting and playing across strings in fifth position. Teachers can assign Fifth Position for the Cello to their intermediate students along with The Shifting Book for Cello, Part One, and Finger Exercises for the Cello, Book Three, both of which have study material in fifth position.

*Studies, Op. 45* Alfred Music Publishing

The author's stated purpose in writing The Art of Cello Playing is to present a progressive sequence of commentary and material as a basis for acquiring a sound technical foundation and basic playing competence to prepare the player for exploring the rich solo, orchestral, and chamber music literature of the instrument. To that end he has produced a comprehensive textbook and reference manual on beginning to advanced cello technique with emphasis on the vital beginning foundation. Louis Potter Jr., is particularly well qualified to make this contribution from his wide experience in teaching both classes and individuals at Michigan State University and at National Music Camp, Interlochen, Michigan.

More Festive Strings is a collection of well-known Christmas and Chanukah melodies arranged to meet the needs of individuals, groups and orchestras. In order to provide flexibility, the collection is available in a number of instrumentations, all of which are compatible with each other. Accessible keys have been used and shifting is kept to a minimum. Titles are: \* O Chanukah \* Angels We Have Heard on High \* We Three Kings \*

Silent Night in D Major \* We Wish You a Merry Christmas \* O Come All Ye Faithful \* Dreydl \* Silent Night in G Major \* Good King Wenceslas \* What Child Is This (Greensleeves).

*Fourth Position for the Cello* Alfred Music

(String Method). A Complete Course of Study for Double Note and Chord Development Suitable for any student who has finished a first-year violin method book.

*Developing Double Stops for Violin (Music Instruction)* Hal Leonard Corporation

(String Method). Introducing the Positions , a series widely used in classroom and private studio, represents a critical "next step" for string students. Position playing allows players to extend range beyond the basics and move into the ranks of intermediate and advanced ensemble groups. The most important positions vary for each instrument, and Whistler wisely introduces the most-used positions first in Volume 1, followed by the next most important in Volume 2. An irreplaceable component for every string student's training!

*More Festive Strings for Solo Instruments* Rubank Publications

(String Method). Introducing the Positions , a series widely used in classroom and private studio, represents a critical "next step" for string students. *Volume 2 - Second, 2-1/2, Third, 3-1/2* Routledge

Includes music.

*The Art of Cello Playing* Alfred Music

Learn cello third position with the exercises and position pieces in this method book.

*Second Position for the Viola* G Schirmer Incorporated

Serial Shifting for the Violin presents shifting exercises in rows and patterns. The first part of the book consists of studies in first through third positions, while the second part of the book works on shifting through fourth position, and the book concludes with exercises through fifth position.

This book could be studied along with Classical Syncs for Two Violins, a duet book around the same level.

**A Complete Course of Study for Double Note and Chord Development** Oxford University Press

These exercises have been written for the specific purpose of introducing cello students to the thumb position at the earliest practicable stage in their development. The material in this introductory volume retains the thumb on the octave harmonic. The supplementary material in Part II provides examples of musical value which may be interspersed with the materials of Part I.

**Playing the Cello, Book Two, Expanded Edition** Hal Leonard Corporation

Position Pieces for Cello is designed to give students a logical and fun way to learn their way around the fingerboard. Each hand position is introduced with exercises called "Target Practice," "Geography Quiz," and "Names and Numbers." Following these exercises are tuneful cello duets which have been specifically composed to require students to play in that hand position. In this way, students gain a thorough knowledge of how to find the hand positions and, once there, which notes are possible to play. Using these pieces (with names like "I Was a Teenage Monster," "The Irish Tenor," and "I've Got the Blues, Baby"), position study on the cello has never been so much fun!

**The Teaching of Instrumental Music** Alfred Music

Written for the cellist looking for an approach that demystifies cello playing, *Cello, Bow and You* is an innovative text in the field of string pedagogy written by a 40+ year veteran of the New York Philharmonic Orchestra and certified teacher of the Alexander Technique. Author Evangeline Benedetti has a unique voice and approach, and invites cellists of all levels to explore, make discoveries and organically internalize technique. Benedetti's approach compliments the work that students do with their teachers by encouraging them to be more aware of themselves and responsive to internal

and external guidance. *Cello, Bow and You* allows students and professionals access to Benedetti's vast performance and teaching experience. She has pioneered an approach to playing that is a synthesis of the cellist's musical thought, the knowledge of the dynamic properties of the instrument and bow, and the ability to move effectively according to the mechanics of the human body. The synergy of these elements leads to physically healthy playing and frees players to be musically expressive. Written in engaging, informal prose, the book is a must-read for cellists and cello teachers - beginning, intermediate, or professional.

The Teaching of Instrumental Music, Fifth Edition introduces music education majors to basic instrumental pedagogy for the instruments and ensembles commonly found in the elementary and secondary curricula. It focuses on the core competencies required for teacher certification in instrumental music, with the pervasive philosophy to assist teachers as they develop an instrumental music program based on understanding and respecting all types of music. Parts I and II focus on essential issues for a successful instrumental program, presenting first the history and foundations, followed by effective strategies in administrative tasks and classroom teaching. Parts III, IV, and V are devoted to the skills and techniques of woodwind, brass and percussion, and string instruments. In all, The Teaching of Instrumental Music is the complete reference for the beginning instrumental teacher, commonly retained in a student's professional library for its unique and comprehensive coverage. NEW TO THIS EDITION: Revision and updating of curriculum developments, such as coordinating State Department of Education student learning objectives with the recent Every Student Succeeds Act (ESSA) New discussion of the NAfME National Standards as they relate to the teaching of instrumental music Revamping of rehearsing instrumental ensembles chapters, including new or expanded sections on programming, choosing quality music, and applying successful rehearsal techniques Updates on references, plus new discussion questions, and websites and internet links A chapter devoted to classroom guitar Updates on the use of technology for teaching and learning music More on healthy performance practice, marching band, and jazz band Online materials located in the eResources section on the Routledge website.

*Putting It All Together* Rowman & Littlefield

As with the other books in his ...for Cello series, Rick Mooney has made the learning of a specific technique easier and more enjoyable than ever before. Book 2 continues where Book 1 left off and includes classical music, folk tunes, and original pieces by Rick Mooney such as "Around the Gypsy Campfire," "Harry the Hirsute Housefly," "Petite Partita" and much more. As in Book 1, all of the pieces have been arranged as duets, with a second cello part for the teacher (or other students in a group class) to play.

*Second, 2-1/2, Third, 3-1/2* Hal Leonard Corporation

A beginning note-reading book designed for Suzuki-trained violoncello students who have learned to play using an aural approach, or for traditionally taught students who need extra note reading practice.

*Third Position for the Cello, Book One* Hal Leonard Corporation

As with the other books in his ...for Cello series, Rick Mooney has made the learning of a specific technique easier and more enjoyable than ever before. Book 2 continues where Book 1 left off and includes classical music, folk tunes, and original pieces by Rick Mooney such as "Around the Gypsy Campfire," "Harry the Hirsute Housefly," "Petite Partita" and much more. As in Book 1, all of the pieces have been arranged as duets, with a second cello part for the teacher (or other students in a group class) to play.
