Trading Stocks and Futures Part-Time Day traders only need to trade stocks or futures markets for about one to three hours per day. While a few day traders do trade all day, the greatest possible returns in the shortest amount of time are typically concentrated around the official open and close of stock trading. How to Be a Part-Time Day Trader - The Balance If you're just getting started with day trading, start by focusing on just one or two stocks. This will make it easier to monitor the market closely and spot opportunities when they arise. In today's market, it has become increasingly common to trade fractional shares.
