### NELSON GRAHAM

#### A Novel MACMILLAN

Discusses the dynamic partnership between John Steinbeck and his wife, Carol Henning Steinbeck.

*An Oresteia* Harper Collins

A fascinating account of the Intifada (struggle) by Palestinians in the Occupied Territories against Israeli governments, the first part of which was a mass civil disobedience movement of 'stone against bullets', which Israeli security forces contained only with great difficulty, resorting to doubtful methods that included detention without trial, kidnapping and assassinations. Criticized by human rights organisations and the United Nations, Palestinians and the Iranian-supported Hezbollah operated suicide-bombers, and some Palestinians resumed terrorist activity. America intervened sponsoring a comprehensive Middle East peace process in which Israelis dragged their feet, at the same time expanding Jewish settlements on illegal territory. Eventually Arafat became President of the self-ruled Palestine National Authority.

*Crooked Letter, Crooked Letter* Macmillan

A new critical edition of the acknowledged best Canadian novel of the 1930s. Irene Baird's *Waste Heritage* is a groundbreaking work of Canadian fiction based on the dramatic and violent labour disputes that took place in British Columbia in 1938. The story follows the progress of two friends, Matt Striker, a 23-year-old from Saskatchewan, and his simple-minded companion Eddy, as they travel from Vancouver to Victoria following the occupation of the Vancouver Post Office. Like the unemployed masses that took siege of the Post Office, Matt and Eddy yearn for relief after years of economic depression. Empathetic and tragic, *Waste Heritage* has been praised as Canada's *Grapes of Wrath* and the most important Canadian novel of the 1930s. A new critical apparatus surrounds Baird's original text, informing the reader of the historical and literary contexts of the work, as well as providing exhaustive textual analysis.

*A Novel* Springer

The Pulitzer Prize-winning epic of the Great Depression, a book that galvanized—and sometimes outraged—millions of readers. First published in 1939, Steinbeck's Pulitzer Prize-winning epic of the Great Depression chronicles the Dust Bowl migration of the 1930s and tells the story of one Oklahoma farm family, the Joads—driven from their homestead and forced to travel west to the promised land of California. Out of their trials and their repeated collisions against the hard realities of an America divided into Haves and Have-Nots evolves a drama that is intensely human yet majestic in its scale and moral vision, elemental yet plainspoken, tragic but ultimately stirring in its human dignity. A portrait of the conflict between the powerful and the powerless, of one man's fierce reaction to injustice, and of one woman's stoical strength, the novel captures the horrors of the Great Depression and probes into the very nature of equality and justice in America. At once a naturalistic epic, captivity narrative, road novel, and transcendental gospel, Steinbeck's powerful landmark novel is perhaps the most American of American Classics. This Centennial edition, specially designed to commemorate one hundred years of Steinbeck, features french flaps and deckle-edged pages. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

*My Journey to the Top of the World and Back with the New York Mets* Penguin

When the railroad stretched its steel rails across the American West in the 1870s, it opened up a

vast expanse of territory with very few people but enormous agricultural potential: a second Western frontier, the garden West. Agriculture quickly followed the railroads, making way for Kansas wheat and Colorado sugar beets and Washington apples. With this new agriculture came an unavoidable need for harvest workers—for hands to pick the apples, cotton, oranges, and hops; to pull and top the sugar beets; to fill the trays with raisin grapes and apricots; to stack the wheat bundles in shocks to be pitched into the maw of the threshing machine. These were not the year-round hired hands but transients who would show up to harvest the crop and then leave when the work was finished. Various called bindlestiffs, fruit tramps, hoboes, and bums, these men—and women and children—were vital to the creation of the West and its economy. Amazingly, it is an aspect of Western history that has never been told. In *Hoboes: Bindlestiffs, Fruit Tramps, and the Harvesting of the West*, the award-winning historian Mark Wyman beautifully captures the lives of these workers. Exhaustively researched and highly original, this narrative history is a detailed, deeply sympathetic portrait of the lives of these hoboes, as well as a fresh look at the settling and development of the American West.

*Missing Soluch* Red Globe Press

Henry Hobhouse was the first to recognise plants as a causal factor in history in his *Seeds of Wealth*. In this new book, he examines four plants: rubber, timber, tobacco and the wine grape, each of which enormously increased the wealth of those who dealt in them, created great new industries and changed the course of history. Ancient Rome's monopoly on wine production had huge economic and hygienic importance. Without rubber, there would have been no development of cars, buses and trucks, bicycles, waterproof clothing or even tennis balls and condoms. Tobacco has largely been condemned for its effects on health and its true role in history ignored. Tobacco has often been used in place of currency and its growth in Virginia supported a colony that produced much of the talent that made Independence possible. Timber shortages led the British Royal Navy to become dependent on American timber. The dearth of timber drove English coal mines deep, which led to the steam pumps, steam engines, and ultimately the Industrial Revolution. These are fascinating stories the effect of minutiae on the great waves of history. 'You cannot help but admire and enjoy the company of a man who takes such a novel and global view of history' *Spectator*

*Dreams of Freedom and Beauty in Capri* Harper Collins

The Grapes of WrathMACMILLAN

Springer

In this innovative rendition of *The Oresteia*, the poet, translator, and essayist Anne Carson combines three different visions -- Aischylos' *Agamemnon*, Sophokles' *Elektra*, and Euripides' *Orestes*, giving birth to a wholly new experience of the classic Greek triumvirate of vengeance. Carson's accomplished rendering combines elements of contemporary vernacular with the traditional structures and rhetoric of Greek tragedy, opening up the plays to a modern audience. --from publisher description.

**Of Mice and Men** BRILL

"Extraordinary." --Stephen King "This book is not simply the great American novel; it's the great novel of las Americas. It's the great world novel! This is the international story of our times.

Masterful." --Sandra Cisneros También de este lado hay sueños. On this side too, there are dreams. Lydia Quixano Pérez lives in the Mexican city of Acapulco. She runs a bookstore. She has a son, Luca, the love of her life, and a wonderful husband who is a journalist. And while there are cracks beginning to show in Acapulco because of the drug cartels, her life is, by and large, fairly comfortable. Even though she knows they'll never sell, Lydia stocks some of her all-time favorite books in her store. And then one day a man enters the shop to browse and comes up to the register with a few books he would like to buy--two of them her favorites. Javier is erudite. He is charming. And, unbeknownst to Lydia, he is the jefe of the newest drug cartel that has gruesomely taken over the city. When Lydia's husband's tell-all profile of Javier is published, none of their lives will ever be

the same. Forced to flee, Lydia and eight-year-old Luca soon find themselves miles and worlds away from their comfortable middle-class existence. Instantly transformed into migrants, Lydia and Luca ride the trains that make their way north toward the United States, which is the only place Javier's reach doesn't extend. As they join the countless people trying to reach el norte, Lydia soon sees that everyone is running from something. But what exactly are they running to? *American Dirt* will leave readers utterly changed. It is a literary achievement filled with poignancy, drama, and humanity on every page. It is one of the most important books for our times. Already being hailed as "a *Grapes of Wrath* for our times" and "a new American classic," Jeanine Cummins's *American Dirt* is a rare exploration into the inner hearts of people willing to sacrifice everything for a glimmer of hope.

**Reading Steinbeck** Routledge

This innovative new volume analyses the role of emotions in knowledge acquisition. It focuses on the field of philosophy of emotions at the exciting intersection between epistemology and philosophy of mind and cognitive science to bring us an in-depth analysis of the epistemological value of emotions in reasoning. With twelve chapters by leading and up-and-coming academics, this edited collection shows that emotions do count for our epistemic enterprise. Against scepticism about the possible positive role emotions play in knowledge, the authors highlight the how and the why of this potential, lucidly exploring the key aspects of the functionality of emotions. This is explored in relation to: specific kinds of knowledge such as self-understanding, group-knowledge and wisdom; specific functions played by certain emotions in these cases, such as disorientation in enquiry and contempt in practical reason; the affective experience of the epistemic subjects and communities. *Love, Hate & Other Filters* University of Ottawa Press

At an unparalleled time of the construction of reality across the fields of the science and humanities on a variety of platforms, theatre and performance participates in the current obsession with the problems and possibilities of the epistemologies of the real by using and revising the conventions of dramatic writing and performance to create and recreate personal, national, historical, and virtual realities. *Theatre of the Real* examines a wide range of international theatre and performance that claims a special relationship to contemporary reality in order to theorize how theatre and performance participates in how we come to know, experience, and understand the important events of our personal, social and political lives. The wide range of works discussed include *Kamp and History of the World - Part Eleven* by Hotel Modern, *Is Man* by Adelheid Roosen, *I am My Own Wife* by Doug Wright, and *Southern Exposure* by JoAnne Akalaitis.

**Carol & John Steinbeck** Penguin

John Steinbeck's Pulitzer Prize-winning novel, *The Grapes of Wrath*, was published in 1939. Set during the Great Depression, the novel follows failed farmer Tom Joad and his family as they head from Oklahoma's Dust Bowl to the promised land of the West.

**The Man Who Saw a Ghost** Thorndike Press Large Print

The four essays and introduction explore the issues raised by *The Grapes of Wrath*.

**Bindlestiffs, Fruit Tramps, and the Harvesting of the West** Hill and Wang

A rich, intimate embrace of Capri, which was a magnet for artistic renegades and a place of erotic refuge. Isolated and arrestingly beautiful, the island of Capri has been a refuge for renegade artists and writers fleeing the strictures of conventional society from the time of Augustus, who bought the island in 29 BC after defeating Antony and Cleopatra, to the early twentieth century, when the poet and novelist Jacques d'Adelswärd-Fersen was in exile there after being charged with corrupting minors, to the 1960s, when Truman Capote spent time on the island. We also meet the Marquis de Sade, Goethe, Mark Twain, Oscar Wilde, Compton Mackenzie, Rilke, Lenin, and Gorky, among other astonishingly vivid characters. Grounded in a deep intimacy with Capri and full of captivating anecdotes, Jamie James's *Pagan Light* tells how a tiny island served as a wildly permissive haven for people—queer, criminal, sick, marginalized, and simply crazy—who had nowhere else to go.

**Handbook of Governmental Accounting** CRC Press

"The tragic story of George and Lennie, who move from one farm to another, looking for work. George is clever but Lennie's size and slowness is always getting him into trouble. One day the two men get a job on a farm. Things are going well until they meet the unhappy wife of Curley, the farm foreman. Curley's wife becomes friendly with Lennie ... " --Back cover note.

**Boss of Bosses** Infobase Publishing

Bert and Elmer Hader were incredibly talented. They married in 1919 and together forged a fifty-year-long artistic career that was to produce thousands of pieces of art, scores of children's books, and hundreds of paintings and sketches. They enjoyed winning a Caldecott award, international acclaim, and a huge following of happy children. The Haders built their own welcoming home, fostered conservation efforts, and forged incredible friendships. Their art ranged from juvenile art to detailed portraiture. *Berta and Elmer Hader: A Lifetime of Art* showcases each decade of their lives, talents and accomplishments. Those who love children's literature, those who are artistic and want to build their own careers, and those who are enchanted by solid examples of a couple's love for one another and their community, being the cornerstones of happy lives, will find this book of interest. *A Novel* St. Martin's Press

Once a worker for an idealistic aid group, a disillusioned Moises Froissard now spends his life seeking the world's most beautiful men, women, and children from among the illegal immigrants, refugees, and dispossessed for Club Olympus, an exclusive international sex club, in a compelling novel about the international sex trade. Reprint. 10,000 first printing.

**The Grapes of Wrath** Palgrave Macmillan

"Teddy Wayne has written a brilliant book. Karim Issar is one of the freshest, funniest heroes I've come across in a long time." — Ben Fountain, bestselling author of *Brief Encounters with Che Guevara* "An innovative and incisive meditation on the wages of corporate greed, the fundamental darkness of its vision lit by the author's great comic intelligence and wit." — Kathryn Davis, author of *The Thin Place, Hell: A Novel*, and *Versailles* With a fresh and singular voice, Teddy Wayne marks his literary debut with the story of one 26 year old Middle Eastern man's attempt to live the American Dream in New York City. Like the award-winning *Netherland* and *The Reluctant Fundamentalist*, *Kapitoil* provides an absorbing look into American culture and New York finance from an outsider's perspective.

**Portrait of a Marriage** The Grapes of Wrath

"Surely his most interesting, plausibly his most memorable, and . . . arguably his best book" —The New York Times Book Review For John Steinbeck, who hated the telephone, letter-writing was a preparation for work and a natural way for him to communicate his thoughts on people he liked and hated; on marriage, women, and children; on the condition of the world; and on his progress in learning his craft. Opening with letters written during Steinbeck's early years in California, and closing with a 1968 note written in Sag Harbor, New York, *Steinbeck: A Life in Letters* reveals the inner thoughts and rough character of this American author as nothing else has and as nothing else ever will. "The reader will discover as much about the making of a writer and the creative process, as he will about Steinbeck. And that's a lot." —Los Angeles Herald-Examiner "A rewarding book of enduring interest, this becomes a major part of the Steinbeck canon." —The Wall Street Journal
