 City: A Toolkit for Urban Innovators 2nd Edition by Charles Landry (Author)  
 Toolkit for Urban Innovators: Charles ...  
 City is now a classic and has been republished many times. It is an ambitious book and a clarion call for imaginative action in running urban life. It seeks to inspire people to think, plan and act imaginatively in the city and to get  
 A Toolkit for Urban Innovators. Compounded by infrastructural, economic and social problems, dramatic changes are taking place. If cities are to flourish, there has to be a paradigm shift in the way they are managed, to draw fully on the talents and creativity of their own residents - businesses,...  
 City: A Toolkit for Urban Innovators. Cities have always been the crucible of culture and civilization and the hubs of wealth creation. But today they face enormous challenges. Over half the world's population already lives in cities and the proportion is set to grow rapidly. Compounded by infrastructural, economic and social problems,...

clarion call for imaginative action in developing and running urban life. It shows how to think, plan and act creatively in addressing urban issues, with remarkable examples of innovation and regeneration from around the world.
