The Great Awakening. A History of the Revival of Religion in the Time of Edwards and Whitefield

Essence
Publishing (Canada)

Can God stir revival by his Holy Spirit,
even in our culture today? Do we really
believe he can? In a day of diminished
expectations, A God-Sized Vision: Revival
Accounts That Stretch and Stir recounts

global examples of prior revivals,
beginning with the Reformation and the
Great Awakenings. It continues with the
Welsh and Azusa Street revivals and those
that occurred simultaneously in Asia,
followed by the East Africa Revival of the
1930s. More recent revivals in North
America that instigated parachurch or
evangelistic ministries like those of Billy
Graham and the revivals in China,
particularly in Henan Province over the
last forty years, give further evidence of
church renewal. These stories enlarge our
hearts, expand our minds, and empower

our witness to the power of God at work in
human history. Christians with a deep
evangelistic commitment who realize that
there is more to church growth than field-
tested techniques will expand their vision
by remembering God's vision, as it has
been revealed throughout history. Hansen
and Woodbridge mine these stories of
renewal to suggest how to get ready for
revival today.

The Welsh Revival InterVarsity Press Revival is bringing something that is dead back to life. Much of today's Church needs reviving. When God comes in an unusual way, releasing His presence and power over and above what a church normally experiences, we call it a visitation of God. Every visitation of God should become a habitation of God and become a move of God, going beyond that local church into the community, city, and nation. The move of God results in evangelization, missions, and the fulfilling of the Great Commission. Starting in the book of Acts and down through the centuries, there have been numerous visitations and moves of God. We look at Church history. Understanding history helps us correctly interpret the present and prepare for the future. We draw inspiration, insight, and lessons from

what God has done in the past, by reviewing stories, and asking relevant questions: What can we learn from Church history about revivals, visitations, and moves of God? What does it take for a visitation of God to become a move of God? What are signs of a genuine visitation of God? How do we steward a revival, a visitation, and a move of God? The "latter rain" falls just before harvest. "Therefore, be patient, brethren, until the coming of the Lord. See how the farmer waits for the precious fruit of the earth, waiting patiently for it until it receives the early and latter rain. You also be patient. Establish your hearts, for the coming of the Lord is at hand" (James 5:7-8). In biblical context, the early rains were showers that usually came during October-November and prepared the ground for the seed. The latter rain fell during March-April and was necessary for the ripening of the crops before harvest. If we believe God is preparing for a mighty endtime outpouring, a great visitation, and ingathering of harvest before His return, then we must get ourselves and our congregations ready for the latter rain of the Holy Spirit. And in some epochs the divine hand seems to have rested on us longer and to have caused more profound changes in the church and the culture. Authors Towns and Porter have studied revival areas throughout history in order to identify the ten that seem to have been the greatest of all time.

The most profound event in modern church history took place not in a cathedral but in a clapboard church in Los Angeles. A small congregation of mostly African American worshipers embraced the concept that New Testament signs and wonders were still available in the early twentieth century. Their dramatic spiritual revival, which became known as the Azusa Street Revival, attracted believers worldwide and launched the modern Pentecostal and Charismatic movements. This event forever changed Christian worship, music, and expression. In commemoration of Azusa Street's 100th anniversary, Jack Hayford tells the story, revealing how Christians are still experiencing its impact.

No one was more surprised than Andrew Klavan when, at the age of fifty, he found himself about to be baptized. The Great Good Thing tells the soul-searching story of a man born into an age of disbelief who had to abandon everything he thought he

knew in order to find his way to the truth. Best known for his hard-boiled, white-knuckle thrillers and for the movies made from them--among them True Crime and Don't Say a Word--bestselling author and Edgar Award-winner Klavan was born in a suburban Jewish enclave outside New York City. He left the faith of his childhood behind to live most of his life as an agnostic until he found himself mulling over the hard questions that so many other believers have asked: How can I be certain in my faith? What's the truth, and how can I know it's the truth? How can you think, live, and make choices and judgments day by day if you don't know for sure? In *The Great Good Thing*, Klavan shares that his troubled childhood caused him to live inside the stories in his head and grow up to become an alienated young writer whose disconnection and rage devolved into depression and suicidal breakdown. In those years, Klavan fought to ignore the insistent call of God, a call glimpsed in a childhood Christmas at the home of a beloved babysitter, in a transcendent moment at his daughter's birth, and in a snippet of a baseball game broadcast that moved him from the brink

of suicide. But more than anything, the call of God existed in stories--the stories Klavan loved to read and the stories he loved to write. Join Klavan as he discovers the meaning of belief, the importance of asking tough questions, and the power of sharing your story.

The Charismatic Century Zondervan Realm of Glory speaks of the presence of God. We need to draw close to Jesus by reading His Word, praying and worshipping Him. This book will help people come closer to Jesus and into His presence by helping the reader get to know Him better and giving encouragement and direction. We need to be close to Him so we can hear His voice and be led by the Holy Spirit in these days and be in His realm--the Realm of Glory. "'The realm of glory' exists only in the presence of God. In her book by that name, author Valerie Young invites the reader to hear from God through His word, [to] interact with that word through a brief but insightful meditation, then act in a decisive way to implement a principle of Scripture [or] a thought for that day into one's life and personal walk with God as a first step into that realm. Someday all who

know Christ will live with Him in that realm of His glory. May God use this book to help readers experience a taste of that better realm ahead." -Dr. Douglas Porter, co-author of *The Ten Greatest Revivals Ever*
About the Author: Valerie Young is a licensed minister with the Independent Assemblies of God in Canada who has a prophetic call on her life. She has written devotionals for the Christian magazine, "God's Word for Today," and has also had articles published in "The Christian Current," "The Mantle," "Prayer Post Courier" and more. For three years she wrote a spirituality column in a local newspaper, "The Guide" on behalf of the local Christian Ministerial Association, of which she is a member.

Great Revivals, Great Revivalist Crossway Hundreds of people were converted, leading to significant church growth, in an 1857 revival led by Phoebe Palmer in the city of Hamilton, Ontario, Canada that contributed to the beginning of the Second Great Awakening. This book explores the 1857 setting in the world and in Hamilton, including the key churches and people involved in the revival. What happened was not typical for revival meetings led by

the Palmers, as this account shows. The book continues with a summary of the impact of the Hamilton revival around the globe, linking it to other revivals and the Second Great Awakening as a whole. The account ends with what subsequently unfolded in the Hamilton area and the churches involved. Many of the primary sources are in the Appendix, and the book includes numerous pictures and maps. Scholars, ministers, and lay people alike will appreciate this exploration of a chapter in Canada's spiritual history. *The Way to Pentecost* Zondervan

America's Great Revivals Createspace Independent Publishing Platform
In every era the church needs revival—certainly today as much as ever. And in the heart of every committed Christian there is the longing for personal revival—to know the quality and depths of spiritual reality, and the presence of God in one's personal life. This was the deepest desire of Dr. Martyn Lloyd-Jones, one of the great 20th-century Bible expositors. It was also the purpose behind this series of messages which were first given on the

100th anniversary of the Great Revival which started in Wales, and swept across England and throughout the United States and to the far corners of the world. As Dr. Lloyd-Jones recognized, it is a rare time in the history of the church when there is a great outpouring of the Holy Spirit— and a time of special interest of every Christian who longs for revival today. As Dr. J. I. Packer writes in his foreword, Dr. Lloyd-Jones believed in "the necessity of revival—that is, a quickening divine visitation—as the only vent that can avert ultimate spiritual disaster. The thrustful urgency of the sermons in this book testifies to the depth of his conviction that without revival in the church there is really no hope for the Western world at all." Dr. Lloyd-Jones deftly draws principles from the lives of Old and New Testament characters as well as expounding some of the great prayers of the Bible. Clearly and forcefully, he presents a masterful exposition of the circumstances accompanying revival in the past, why each generation needs it, and how it will come about today. We must come to the sovereign God, forsake our sin, and wait upon Him for this special, essential

outpouring. God, bring us revival!

The year 1734 marked the beginning of one of the greatest revivals in the history of North America. Sparked by the preaching of Jonathan Edwards, the flames of revival spread throughout New England. Other great awakenings followed across the new nation as God sent spiritual revival through the ministries of George Whitefield, Charles Finney, Dwight L. Moody, Billy Graham, and many others. Today, America is in need of a fresh awakening from God. May the captivating stories of what God did in the 18th, 19th, and 20th centuries inspire you to pray for a new season of great revival.

The Power of God at Work Charles Finney's ministry led to some of the most amazing revivals that have ever occurred in the United States or England. In Holy Spirit

Revivals, Finney recalls those events, revealing the secrets that led to the mass conversions of lost souls in his meetings throughout upstate New York, as well as in Boston, Philadelphia, and London. Finney was unafraid of offending delicate ears by addressing the problem of sin head-on, and his dedication to prayer, his understanding of Scripture, and his radical reliance on the power of the Holy Spirit are a great template for believers today. This treasured account of one of the greatest Christian preachers in history is an outstanding resource for anyone interested in seeing a revival of faith in the church.

How many countries experienced a religious revival during the 20th century? According to this new book on church revival history, there were, at the very least, twenty such revivals occurring in various parts of the world. Revival swept from Asbury University, Australia, through America, and across the European continent; all within the space of one century. Why This Book? I wrote *The Twentieth Revivals of the Century* because there are so many stories that need to be

told. Stories of sweeping revivals, which happened all across the globe. Spiritual awakenings that occurred in countries making headlines today--sometimes for all the wrong reasons. Nations like North Korea's Pyongyang and Japan, which incidentally almost became a Christian nation, leading up to the twentieth century. At this time, Christianity began gaining ground at a rapid pace. Such was the impact of the revivals covered in this book heading into the twentieth century. So, can we see a repeat of such revival fervour in the twenty-first Century? Was the recent Asbury Revival comparable with the one seen there in the 1970s? Does it measure up to the same basic criteria or pass the 'smell test' of how recent revivals have come about? These question, although not directly answered will show the the so-called Asbury revival was missing two basic ingredients, the preaching of the gospel and conversion of the masses.

Drawing upon the religious writings of southern evangelicals, John Boles asserts that the extraordinary crowds and miraculous transformations that distinguished the South's First Great Awakening were not simply instances of emotional excess but the expression of widespread and complex attitudes toward God. Converted southerners were starkly individualistic, interested more in gaining personal salvation in a hopelessly evil world than in improving society. As Boles shows in this landmark study, the effect of

the Revival was to throw over the region a conservative cast that remains dominant in contemporary southern thought and life.
