Motorola, and Other Top ...** The Six  
Sigma Way HowUpon its publication in  
2000, The Six Sigma Way was among

the very first books to clearly explain the  
impressive benefits of Six Sigma's  
improvement-driven and customer-  
centric approach to business leaders and  
managers. It revealed how GE, Motorola,  
and other companies used Six Sigma to  
fine-tune products and processes,  
improve performance, reduce costs,  
build customer loyalty, and increase  
profits.Amazon.com: The Six Sigma Way:

How to Maximize the Impact ...Six Sigma was originally developed at Motorola in the 1980's and has become one of the most widely discussed and reported trends in business over the past two years, thanks largely to the phenomenal successes of the Six Sigma program at one of the world's most successful companies, GE. The Six SIGMA Way: How GE, Motorola, and Other Top ...Six sigma principles include the following: Customer focus.
