EXCERPT: "How are  
you doing otherwise?  
How are classes?" She  
smiled at his interest.  
Father Mark was  
always so kind. "Good.  
Thanks for loaning me  
that book on Catholic  
Saints. It was just what  
I was looking for." "So  
are you going to tell  
me which saint you  
were researching?" He  
sat back, tenting his  
fingers and looking at  
her. Sometimes when  
he looked at her, she

felt almost naked, like he was seeing not just through her clothes, but fully into her somehow. "Oh, it wasn't for a class." She flushed. "It was just for me." He cocked his head at her. "Which one called to you?" "Saint Lucy." There was no point not telling him. She knew he'd get it out of her eventually. He had a way of making her want to confess things, even when she wasn't in the confessional. He nodded, just waiting, somehow knowing she was going to continue, and she did. "She's the patron saint of the blind. I had a dream that I was going blind." He raised his eyebrows. "Scary?" "No, actually. I dreamed I was going blind, but I could see everything. I was just

seeing it...from inside." She glanced at him, seeing the quizzical look on his face. "It's hard to explain." "I think I understand." He leaned forward, putting his elbow on his desk, cupping his chin in his hand. She could see the dark hairs covering his forearm. "Do you know how Lucy lost her sight?" "Yes. She plucked out her own eyes and sent them to the man who admired them." "Why, do you think?" Emily shrugged. "Well, the book said it was because she wanted to give her heart to God, not to a man. So when her admirer said she had beautiful eyes, she plucked them out to prove that her beauty wasn't external, and she was devoted only to God." "Why do you think she did it?" "I

think..." Emily looked up, meeting his eyes fully. "I think she was afraid." "Afraid? Of what?" Father Mark looked surprised. "Doesn't it take a great deal of courage to pluck out your own eyes?" "I think it was cowardice." She bit her lip, watching his reaction. "I think she was afraid of love." Father Mark stood, coming around to the other side of the desk to lean against it in front of her. "But Lucy loved God." "Yes," Emily agreed, looking up, up, into his handsome face. "But she was afraid of men. Of the way they looked at her. Admired her. I think she wanted to make herself ugly, so no one would notice her." He seemed to contemplate this, and she noted the way his

gaze fell on her hemline, where she was playing with the edge of her uniform skirt. "But God restored her sight," he reminded her. "Yes, and made her eyes more beautiful than ever." "Proving that no matter what you do, you can't hide inner beauty." He smiled, reaching out to tuck a stray strand of hair behind her ear. "You're a very beautiful girl, Emily. There's just no hiding it." Emily's heart swelled in her chest, even though she knew she shouldn't be feeling what she was. He was so close she could smell him, a clean scent, like soap, and something else, masculine and heady. She was intoxicated by his dark green gaze, fixed in her chair, all of their long

conversations constellated in that moment, hours spent in this office talking about everything from school and her scholarship to one of the most prestigious Catholic girls' colleges in the country, to her overprotective mother and her long-dead father whose image glowed like an angel in the distance of her memory. "I don't try to hide it with you." She turned her face so his palm was cupping her cheek, relishing the touch of his skin against hers. Was this really happening? "You make me feel beautiful." "You are. You really are," he whispered hoarsely, his thumb moving along the line of her jaw, sending little shivers through her. "I love you, Father." Emily

turned and kissed his palm, eyes closed, breathing in his scent, her confession bubbling up without thought. "I love you." The silence stretched between them and she didn't need to open her eyes to feel his shock, she could see it clearly enough with her eyes closed. But he didn't move his hand from her cheek, didn't withdraw. Instead, his hand moved down to her shoulder, his finger moving along the sensitive area of skin over her collarbone, tracing it under the open V of her blouse. She held her breath, waiting, hoping, praying, not daring to move. "Emily..." He whispered her name and the sound was heaven. "Oh God, help me..." He kissed her and the sensation

carried her skyward. She wrapped her arms around his neck, reveling in the hot press of his lips, the way he gathered her to him, pressing his hands to the small of her back so her hips met his under his robe. There was no mistaking the hard steel of him pressed against her pelvis.

 ----EXCERPT:"Would it be wrong to tell you how much I want to

kiss you?" His eyes were silver in the moonlight, his breath full of sake."No," I whispered, putting my arms around his neck. "It would be really wrong not to do it, though.""You think?" His lips met mine before I could think of a response, before I could think at all. He tasted like sake, too, but so did I. I wasn't sure it was the sake, though, that was sending the fire flowing through my veins as we kissed. I slipped a hand through his hair, all those dark curls, as his mouth slanted across mine and our tongues began to explore. I forgot where we were, I forgot everything but the feel of his body against mine, my breasts pressed against his chest as he pulled me

in closer."Janie, I want you," he whispered, kissing my neck, enveloping me in his arms. I could feel that—his cock hard through his trousers, pressed against my belly. "Would it be wrong to take you home with me tonight?" I shivered as he lavished kisses over my neck and shoulders, his breath hot, coming almost as fast as mine. I wanted to answer him, to tell him yes, but I was too afraid. What would happen then, I wondered? What would it be like, waking up with Josh but having to face Catherine in the morning? How was this going to work?"Josh," I murmured as his hands moved down my back, cupping my ass, squeezing gently as his tongue made little

circles over my collarbone. God, if he kept that up, I was going to be inviting him back to my place, and I didn't even want to think about the consequences of that, what Ronnie and TJ would say."You feel so good," he groaned, and before I knew it, we were kissing on a park bench, Josh pulling me into his lap. My dress was too tight to allow me to straddle him properly, so he pushed it up and grabbed my hips, crushing the red silk of my panties directly against the heat of his erection. I could feel it through his trousers, riding up and down as we rocked together."Oh god," I moaned softly when he broke off to stroke my breasts through my dress, kissing the swell of my cleavage. I could

see the hunger in his eyes when he looked up at me in the glow of a street light. "Please, Josh..." He slipped a hand behind my neck, pulling my mouth down to his, kissing me breathless. When I slid my hand between us to feel the length of his cock through the thin material, he groaned... Big Dick Independently Published

 EXCERPT: "Our bodies are like fine tuned machines," Tasha said, picking up a remote and sitting next to her guest. "We need all sorts of revving up and tinkering with to get to our destination, you know what I mean?" Kim cleared her throat and couldn't help but smile. "Yeah, sure." "And it isn't always easy to be interested, when you're already tired,

and you've spent all day picking up after the kids and cooking dinner..." Tasha went on, and Kim stared at her, nodding encouragement. "It isn't easy, especially when... well, you know most guys... I mean, some of them... the numbers on the clock don't even change by the time they're done, right?" Kim let out a sigh of relief. She knew Nicki must have told this woman everything. "I just need time, you know? Like... some build up..." Tasha nodded sympathetically. "Or... you need a ride on the Sybian." She started the video, and Kim sat, transfixed. They had tried all sorts of things, including watching porn together, to get her interested in sex again, and this was

rather tame in comparison. But there was something about it... the look of sheer ecstasy on the woman's face! It made her feel weak and a little dizzy just watching. "Does it feel as good as it looks?" Kim asked, feeling a tingle between her legs. Tasha smiled. "Better. Ready to try it?" Kim was already toeing off her shoes and pulling her sweats and panties down over her hips, unmindful of stretch marks or her cesarean scar. Tasha didn't even raise an eyebrow when she stripped off her hoodie, too, unhooking her bra and letting her breasts, full and slightly pendulous from still nursing her six month old, swing free. She climbed up onto the machine completely

nude, except for a pair of purple socks. "Can I have that one?" Kim asked, pointing to the life-like penis. Her eyes were bright, and whatever nervousness she'd been experiencing had been replaced by anticipation. Tasha fitted the insert onto the machine and squirted a little clear lubricant down the shaft. "These are the controls, like you saw in the video. This one is vibration, this one is rotation." Kim looked down at the box in her hand, suddenly doubtful that it could do any more than the hundred other sex toys they had tried over the years. Still, the look on the woman's face in the video kept coming back to her. What the hell? It's worth a shot. She positioned herself

over the plastic cock, using the black box in front of the Sybian to steady herself as she slid down onto the slick length of it. "Once you get the hang of the controls, I can go, if you want me to," Tasha said. Kim flicked the switch marked

"vibration," smiling at the sensation between her thighs. "Mmm... nice." Tasha sat down in the chair, smiling. "The good thing about the Sybian is that you don't really even need a lot of foreplay... it takes you right there."
