"The Bible Teaching Commentary series acts as a useful expository commentary designed to unlock the power of God's Word so that lives can be strengthened and deepened. ... Teaching outlines, along with extensive summaries, keep the book as a whole in mind despite the apostle's deep digression into extended logical arguments. A careful balance is maintained between the explanation of difficult passages and the communication of Paul's main message of transformation in each passage. The companion volume: The Book of Romans : Study Questions provides extensive study questions that allow the

teacher and student to dive deeper into the meaning and application of the Book of Romans."--Introduction

*The Gospel According to John* CUA Press

Introducing the new Wesleyan standard for interpreting the Bible in the 21st century. Written by notable experts in the Wesleyan theological tradition, this indispensable commentary will help you unlock the truths of Scripture and deepen your appreciation for the message and meaning of each book of the Bible. Each volume features: completely new scholarship from notable experts in the Wesleyan theological tradition; convenient introductory material, including information on authorship, date, history, audience, sociological/cultural issues, purpose, literary features, theological themes, and hermeneutical issues; clear verse-by-verse explanations, which offer a contemporary, Wesleyan-based understanding derived from the text's original

language; comprehensive annotation divided into three sections, which explore background elements behind the text; verse-by-verse details and meanings found in the text; significant, relevance, intertextuality, and application from the text; helpful sidebars, which provide deeper insight into theological issues, word meanings, archaeological, connections, historical relevance and cultural customs; an expanded bibliography for further study of historical elements, additional interpretations, and theological themes. - Publisher.

**Desiring God** Wm. B. Eerdmans Publishing

This book is about how to read and study the Bible. This book is about getting the non-Christian to learn how to study the Bible, and this book is for the Pastor and theologian who needs to have their "refresh" button pressed. This book is in fact for anybody

desiring to know the Book of ages. If you are new to the Word or are a seasoned teacher. If you do not know where to begin, or you have tried countless times and feel overwhelmed and frustrated, this is the book for you!

Life-Study of Deuteronomy Banner of Truth

Substantial articles on 2000+ Greek words that are theologically significant in the New Testament. Traces usage in classical Greek literature, the Septuagint, intertestamental texts, and the New Testament.

*Meditations of a Christian Hedonist* Crossway

ROMANS BIBLE COMMENTARY After nearly 40 years of full-time ministry, Brother Swaggart published his first commentary on the book of Genesis that was later described as "the most helpful Bible commentary ever published." It would take nearly 20 years to complete the entire commentary series—from Genesis to Revelation. True to Pentecostal theology, the Jimmy Swaggart Commentary collection leads its readers chapter by chapter to a better understanding of the Bible. Rather than providing notes on every Bible verse, these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy Spirit intended. Where most relevant, cultural and historical references are also included, along with explanations of the allegories, types, and symbolisms used in the Bible to add depth and dimension for students of the Holy Scriptures. Yet, what seems to separate this work from all other commentaries are the biblical applications made to present day circumstances facing every believer. Printed on high-quality paper and bound with a beautiful hardback cover, this unique reference will be cherished by anyone who loves to study the

Word of God.

*Theological Dictionary of the New Testament, Volume X*  
Multnomah

Codex Sinaiticus, written in Greek in the fourth century, is the oldest surviving complete New Testament and one of the two oldest manuscripts of the whole Bible. Since 2002, a major international project has been creating an electronic version of the manuscript and this facsimile is based on that project. The facsimile reunites the text, now divided between the British Library, the National Library of Russia, Saint Catherine's Monastery (Mount Sinai) and Leipzig University Library.

**The Seventh-Day Adventist Bible Commentary** Canongate Books

A critical, experimental, and practical commentary on the Bible, this three-volume work is renowned for its scholarship and keen insight into the Scriptures. While scholarly, the commentary is not overly technical and so is accessible to pastor, student, and layperson alike. C. H. Spurgeon commented on Jamieson-Fausset-Brown, It contains so great a variety of information that if a man had no other exposition he would find himself at no great loss if he possessed and used it diligently.

*The Bible in Contemporary Language, Numbered Edition, Brown Alligator and Tan, Bonded Leather* iUniverse

Romans 12 shows us Christian men and women living out the new life given to them in Christ in relationship with their fellows in the church, exercising the gifts they have received, wrestling with problems and opposition, but finally triumphing over all difficulties through the faith, hope and love that underlie all truly Christian conduct.

**What Are Spiritual Gifts?** Zondervan

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

Theology of Work Bible Commentary Living Stream Ministry

This eBook edition has been formatted to the highest digital standards and adjusted for readability on all devices. All of Grace is a theological study by Charles Spurgeon who is known as the "Prince of Preachers". Grace is the hallmark of Christianity which is often out of the focus of the Christian church. Spurgeon suggests that the grace is the central glue of faith, redemption, and repentance. He argues that through grace, repentance gets a meaning. A gospel centered study tells about the greatness of Jesus and the Lord's redemptive heart towards his own. Spurgeon deals with the sin that entangles us by showing us Jesus. He reminds us that the Lord knows very well that we can't change our heart, but he can, when we submit to him by faith in Jesus. And with faith comes repentance.

The Message Beacon Hill Press

A helpfully concise commentary on Paul's letter to the early Christians in Rome, which the Apostle wrote just a few years before the outbreak of Nero's persecution. Keener examines each paragraph for its function in the letter as a whole, helping the reader follow Paul's argument. Where relevant, he draws on his vast work in ancient Jewish and Greco-Roman sources in order to help modern readers understand the message of Romans

according to the way the first audience would have heard it. Throughout, Keener focuses on major points that are especially critical for the contemporary study of Paul's most influential and complex New Testament letter.

Jimmy Swaggart Ministries

Many Christians have tried to discover their spiritual gifts only to find the process frustrating and complicated. Rarely in our search do we actually ask what should be our central question: What are spiritual gifts? Kenneth Berding believes we have misunderstood spiritual gifts, which has led to a misguided search. His convincing and readable study suggests that the Holy Spirit does not give special abilities (the conventional view), but rather calls us and places us into various ministries to build up and strengthen the body of Christ. - Back cover.

A traditional favorite, the NIV Children's Bible is a full-text Bible for kids with color illustrations of key Bible stories.

[A Guide to the Exposition of the Book of Leviticus](#) Living Stream Ministry

At first glance, the Book of Leviticus seems like barren material for lively preaching. Most expositors merely skim the surface for messages on tithing or sabbath-keeping. Yet Leviticus is one of the most important books of the Old Testament; it not only describes the complete religious system of ancient Israel, it also lays the theological foundation for the Christian gospel. In *Holiness to the Lord*, Allen P. Ross enables preachers and teachers to mine the riches of Leviticus and deliver them to a contemporary audience. Following the same practical method he used in the acclaimed *Creation and Blessing*, Ross first carefully sites Leviticus within its context in the ancient world. Then he traces the development of God's plan of salvation-how Leviticus' laws, rituals, symbols, and events prepared for the complete revelation in Jesus Christ. Finally, unlike traditional commentaries, Ross offers helpful ideas for correlating Leviticus to New Testament teachings (particularly Romans, Hebrews, and Peter) and for applying the material in relevant expository form. *Holiness to the Lord* is every expositor's indispensable guide for interpreting the Law for the church and for elucidating Leviticus in practical, biblical messages about worship, sanctification, and obedience.
