[The Story of Helen Schucman and Her Scribing a Course in Miracles](#) Harmony

"Enthralling, searching, profound, an extraordinarily powerful work on Jewish identity in the twenty-first century."—Rabbi Lord Jonathan Sacks A bold proposal for discovering relevance in Judaism and ensuring its survival, from a pioneering social activist, business leader, and fighter pilot in the Israeli Air Force *God Is in the Crowd* is an original and provocative blueprint for Judaism in the twenty-first century. Presented through the lens of Tal Keinan's unusual personal story, it a sobering analysis of the threat to Jewish continuity. As the Jewish people has become concentrated in just two hubs—America and Israel—it has lost the subtle code of governance that endowed Judaism with dynamism and relevance in the age of Diaspora. This code, as Keinan explains, is derived from Francis Galton's "wisdom of crowds," in which a group's collective intelligence, memory, and even spirituality can be dramatically different from, and often stronger than, that of any individual member's. He argues that without this code, this ancient people—and the civilization that it spawned—will soon be extinct. Finally, Keinan puts forward a bold and original plan to rewrite the Jewish code, proposing a new model for Judaism and for community in general. Keinan was born to a secular Jewish family in Florida. His interest in Judaism was ignited by a Christian minister at his New England prep school and led him down the unlikely path to enlistment in the Israel Air Force. Using his own dramatic experiences as a backdrop, and applying lessons from his life as a business leader and social activist, Keinan takes the reader on a riveting adventure, weaving between past, present, and future, and fusing narrative with theory to demonstrate Judaism's value to humanity and chart its path into the future. Advance praise for *God Is in the Crowd* "Beautifully written, brilliantly argued, this is a unique contribution to the conversation and a must read for anyone concerned with Jewish continuity."—Yossi Klein Halevi, author of *Letters to My Palestinian Neighbor* "God Is in the Crowd blends social science, economics, religion, and national identity to help us see more clearly who we are as individuals, people, and a society."—Dan Ariely, author of *The Upside of Irrationality* "American, Israeli, entrepreneur, fighter pilot, and investor: Keinan's diagnosis of Israel and the Jewish Diaspora is provided through the lens of a rich and gripping life story. Keinan's contribution is indispensable to the debate about the future of the Jewish people."—Dan Senor, co-author of *Start-up Nation*

Reflections on the Principles of "A Course in Miracles" Hay House Incorporated

Now updated with new material by #1 New York Times bestselling author and 2020 Democratic presidential candidate Marianne Williamson, the twentieth anniversary edition of *Healing the Soul of America* shares her timeless, visionary message of political healing. In the twentieth anniversary edition of *Healing the Soul of America*, Marianne Williamson reclaims her powerful voice for social conscience in American society. This is a time, according to Williamson, for Americans to return once again to our first principles, both politically and spiritually. Here, Williamson draws plans to transform the American political consciousness and encourage powerful citizen involvement to heal our society. With updated material throughout, Williamson explores the current state of American politics, reminding us of her theory of holistic politics—the convergence of political activists looking toward spiritual wisdom and spiritual contemplatives extending their service into the political landscape. She believes that a morally concerned American must now take an active stand in turning this country away from its current identity as a nation obsessively in love with its money to a nation more seriously invested in all of its children and the potential brilliance of every citizen. "Marianne Williamson...is attempting to...help not only her followers but an entire nation" (People). In the wake of the current political dysphoria, with countless tragedies consistently on the nightly news, America is facing a time of immense division. Political parties that completely polarize friends and family, mass shootings, threats of nuclear war, and a lack of confidence in our governmental

leaders show that the country is in desperate need of restoration. We need a new paradigm of political understanding, a moral commitment to express it, and a new kind of activism to bring it forth. *Healing the Soul of America* is a blueprint for all three and there has never been a more urgent need.

Miracle Cards Harper Collins

From activist, spiritual leader, New York Times bestselling author, and 2020 presidential candidate Marianne Williamson comes a book about everyday peace, everyday hope, and everyday grace. In these pages, author Marianne Williamson acts as a guide back to the spiritual source, exploring the ways to nurture a thriving soul in a harsh world. The large and small difficulties of our days challenge us to open our hearts and minds. With an attitude of hope, a call to forgive, and a celebration of miracles, Williamson helps readers to find sacred footing on ordinary ground. For no matter what, there is always an opportunity to be happy. Everyone is entitled to the pleasures of everyday grace.

[The Story of Edgar Cayce](#) Random House Incorporated

In this stirring call to arms, the activist, spiritual leader, and New York Times bestselling author of the classic *A Return to Love* confronts the cancerous politics of fear and divisiveness threatening the United States today, urging all spiritually aware Americans to return to—and act out of—our deepest value: love. America's story is one of great social achievement. From the Abolitionists who fought to outlaw slavery, to the Suffragettes who championed women's right to vote, to the Civil Rights proponents who battled segregation and institutionalized white supremacy, to the proponents of the women's movement and gay rights seeking equality for all, citizens for generations have risen up to fulfill the promise of our nation. Over the course of America's history, these activists have both embodied and enacted the nation's deepest values. Today, America once again is in turmoil. A spiritual cancer of fear threatens to undo the progress we have achieved. Discord and hatred are dissolving our communal bonds and undermining the spirit of social responsibility—the duty we feel toward one another. In this powerful spiritual manifesto, Marianne Williamson offers a tonic for this cultural malignancy. She urges us to imitate the heroes of our past and live out our deepest spiritual commitment: where some have sown hatred, let us now sow love. Williamson argues that we must do more than respond to external political issues. We must address the deeper, internal causes that have led to this current dysfunction. We need a new, whole-person politics of love that stems not just from the head but from the heart, not just from intellectual understanding but from a genuine affection for one another. By committing to love, we will make a meaningful contribution to the joyful, fierce and disruptive energies that are rising at this critical point in time. In the words of Abraham Lincoln, "we must think anew, and act anew . . . and then we shall save our country."

[The Future of Catholicism](#) Random House Incorporated

From the author of the bestselling *Why Catholics Are Right*, a perfectly timed book on the new Vatican -- where it is, where it needs to go, and why it is more relevant than ever. When Cardinal Jorge Mario Bergoglio, Archbishop of Buenos Aires, became Pope Francis in March 2013, there were almost 6,000 journalists in Rome to cover the Papal election. Some of them reported on the conclave with expertise and empathy, but others -- either out of ignorance or an agenda -- insisted on asking the same questions again and again: Is the Church going to change? Will the new Pope be flexible? Is Catholicism going to adapt to the times and alter its teaching on same-sex marriage, abortion, contraception, female ordination, celibate clergy, and divorce? Interestingly, these questions center on moral and sexual issues rather than directly theological topics, but they are all based on the premise that the Church is wrong, outdated, in need of fundamental transformation. Does the Church need to change, and if so, where? Where it cannot change, why is this so? In his signature frank style, Coren will explain and outline why the Church believes as it does on many of the most pressing moral issues, giving reasons for teaching and belief, and applying these to contemporary challenges. And for those areas where the Church must change and establish reform -

- the transparency of leadership and finance; the competence of the curia and Vatican civil service; the approach the Church takes towards media, the way it deals with the detritus of the abuse crisis; and its approach to the developing world band towards others religions, particularly Islam -- Coren will offer insight into the faith's next steps. The Church is at a crossroads, but perhaps more significantly and accurately, the Western world is at a crossroads, and how the Church reacts to and deals with this phenomenon will decide and define so very much of the future -- of our future.

Daily Devotions and Reflections Konecky & Konecky

Marianne Williamson is a bestselling author (*Return to Love, Healing the Soul of America*), a world-renowned teacher, and one of the most important inspirational thinkers of our time. In *The Law of Divine Compensation*, she reveals the spiritual principles that help us overcome financial stress and unleash the divine power of abundance. A guru to anyone interested in spirituality, Williamson's words ring with power and truth as she assures us that, with faith in God's promise of prosperity for all, we need never fear the future.

A Handbook for a New American Revolution Peter Pauper Press, Inc.

"We need to encourage an understanding that inner peace comes from relying on human values like love, compassion, tolerance, and honesty, and that peace in the world relies on individuals finding inner peace." —His Holiness, the Dalai Lama These six words—please heal my fear-based thoughts—change lives. In this brief and inspiring book, based on Engle's study of *A Course in Miracles*, she explains how to use the prayer and experience immediate benefits: being less irritable, more patient, laughing more, feeling like you have more time, more energy, worrying less, making decisions more easily, saying no without guilt. A typical prayer goes something like this: "Please help us find the money to pay our mortgage this month." Saying the prayer may help you feel like the burden of that month's mortgage has been lifted, but the part of you that feeds on fear will simply seek out new financial worries to keep you awake at night. Old patterns remain intact. In contrast, asking, "Please heal my fear-based thoughts about our mortgage" lifts the burden AND relieves the need to re-create that fear and hold onto it. This prayer heals your very desire for burdens, your addiction to fear-based thoughts, freeing you to live without that fear and with greater peace of mind. As a result, your financial situation is also free to improve. That's what makes it so different. One Facebook fan told Engle, "The most blessed aspect of this prayer is all the open space it creates for peace—I never knew how many fear-based thoughts were clogging up in me until this prayer."

A Politics of Love Dan Millman

This 4-CD set offers encouragement to get in touch with your Inner Self. CD 1: Self-Forgiveness / Meeting Yourself CD 2: Self-Esteem & Vulnerability / Being Authentic CD 3: Taking Yourself Seriously / Becoming Deep CD 4: The Real You / Enlightenment

Christmas Prayers Ballantine Books

Back by popular demand -- and newly updated by the author -- the mega-bestselling spiritual guide in which Marianne Williamson shares her reflections on *A Course in Miracles* and her insights on the application of love in the search for inner peace. Williamson reveals how we each can become a miracle worker by accepting God and by the expression of love in our daily lives. Whether psychic pain is in the area of relationships, career, or health, she shows us how love is a potent force, the key to inner peace, and how by practicing love we can make our own lives more fulfilling while creating a more peaceful and loving world for our children.

The Path of Energy HarperCollins

Learning to consciously interact in the domain of subtle energy is the next step in personal and planetary transformation. *The Path of Energy* is a unique handbook of principles, practices and exercises to help you access your energy awareness and live a more empowered life. In the book are 13 meditations that activate patterns of light within your energy body to awaken specific abilities and levels of awareness. Each meditation includes benefits and purpose, step-by-step written directions augmented with line drawings, and an interpretive illustration of the completed energy pattern. Subtle energy is more than life force; it is the substance of reality and the vehicle of consciousness. Your body is wired to navigate this domain. You are equipped with everything needed to engage the world of energy and creatively change your life. You simply need to remember how. *The Path of Energy* is a guide to living with expanded consciousness. Included are techniques that build energy awareness and use this skill to deepen your spiritual path, intimacy in relationships, align with earth energy, clear space, create protection, manifest goals, facilitate healing, and more.

A Return to Love HarperThorsons

For so many people, whether your addiction is to a substance or merely to a certain way of thinking or acting, a profound humbling occurs when you realize that your problem is bigger than you are. The terror of realizing, even dimly, that you have no control over a self-destructive pattern of behavior that as much as you would want to, you simply cannot stop can mark a crucial turning point in your life. At that point, you go in one of two directions: either way, way down, or way, way up. . . . This book is for you if you know in your heart that you are an addict, and that you are powerless before your addictive behavior. As the title promises, Marianne Williamson looks at weight loss from a spiritual perspective, bringing you 30 lessons that can be done separately or in conjunction with any other serious spiritual path. These 30 lessons are completely separate from anything related to diet or exercise they will restrain your consciousness in the area of weight in order to break the cycle of overeating, dieting, and shame that rules so many lives. Finally, Marianne has brought you what you've been waiting for: help to heal your addiction once and for all!

Awaken Your Personal Power and Expand Your Consciousness Red Wheel/Weiser

The internationally recognized teacher, speaker, and New York Times bestselling author of *A Return to Love* argues that our desire to avoid pain is actually detrimental to our lives, disconnecting us from our deepest emotions and preventing true healing and spiritual transcendence. Marianne Williamson is a bestselling author, world-renowned teacher, and one of the most important spiritual voices of our time. In *Tears to Triumph*, she argues that we—as a culture and as individuals—have learned to avoid facing pain. By doing so, we are neglecting the spiritual work of healing. Instead of allowing ourselves to embrace our hurt, we numb it, medicate it, dismiss it, or otherwise divert our attention so that we never have to face it. In refusing to acknowledge our suffering, we actually prolong it and deny ourselves the opportunity for profound wisdom—ultimately limiting our personal growth and opportunity for enlightenment. Frozen by denial, we are left standing in the breach. Whole industries profit from this immobility, and while they have grown rich, we have become spiritually poorer. As Marianne makes clear, true healing and transcendence can only come when we finally face our pain and wrestle with what it has to teach us. Written with warm compassion and profound wisdom, *Tears to Triumph* offers us a powerful way forward through the pain, to a deeper awareness of our feelings, our lives, and our true selves.

Return of the Corn Mothers Hay House, Inc

Prayers for when you're suffering, prayers during a waiting season, prayers for when you seek growth and transformation--organized by occasion and need, *A Prayer for Every Occasion* offers abundant prayer examples to share with others or pray privately. God encourages us to approach Him with confidence. Yet often we don't know what to say. We wonder if we'll pray the "wrong" way--or we simply have no words at all. Including beloved prayers from Scripture as well as historical prayers, this lovely gift book teaches us how to pray with passion and joy. Written for veteran pray-ers as well as for those of us who find prayer intimidating, *A Prayer for Every Occasion* provides an overview of the most common elements found in well-known prayers--including the words of Jesus--to help us find new confidence in our prayer lives. This richly rooted book also includes original prayer prompts and inspiration about why prayer matters. With gentle invitations to rest in God and practical tips on how to pray, *A Prayer for Every Occasion* is an invaluable resource that you will turn to again and again as you draw near to a God who always welcomes you.

A Course in Miracles Zondervan

Perhaps the most important section in Dan Millman's best-selling book, *The Life You Were Born to Live* was titled *Laws that Change Lives*. These laws, as described, were key to overcoming the specific hurdles on a given individual's life path. Different laws played critical roles for different paths. But the author considers these laws so central to all our lives that they needed a book of their own, and a more universal treatment, since anyone could benefit from applying any of these laws. As he writes: "Within the mystery of our existence, the universe operates according to spiritual laws as real as the law of gravity and as constant as the turning of the heavens. Aligning our lives to these laws can transform our relationships, careers, finances, and health. Simply put, they make life work better." *The Laws of Spirit*, Dan Millman's "little book of big wisdom," offers a teaching tale in which he encounters an ageless woman sage while on a mountain hike. There, in the wilderness, she takes Dan and his readers through experiences and tests in the natural world that demonstrate the power of spiritual laws of balance, choice, process, presence, compassion, faith, action, patience, , surrender, and unity. As the sage relates, "These laws belong to all of us. They rest within our hearts and at the heart of every religion and spiritual tradition." As you make your own journey through the pages of this book, you will find universal solutions to the varied challenges of our lives, leading to perspective and wisdom about the meaning and purpose of our lives here, and our connection with all of creation. It begins with a single step: Open the first page of a book you will refer to again and again for inspiration and guidance on life's journey, up the mountain path.

The Age of Miracles Simon and Schuster

Illuminata Thoughts, Prayers, Rites of Passage Random House

Twenty-First-Century Judaism Hampton Roads Publishing

Three of Marianne Williamson's previous bestsellers -- *A Return to Love, A Woman's Worth, and Illuminata* -- explored the issue of relationships. Now, in this deeply personal collection of essays, prayers, and self-reflection, she turns to romantic love. In *Illuminata*, Williamson wrote that "we experience God to the extent to which we love, forgive, and focus on the good in others and ourselves." Now, in *Enchanted Love*, she writes that "enchanted partnership begins with the conscious understanding, on the part of two people, that the purpose of their relationship is not so much material as spiritual, and the internal skills demanded by it are prodigious." High romance, she says, "is not about past or future. It is not about practicality. It is not about society or worldly routines. It is an audacious ride to the center of what is, at the heart of every person. It is a bold and masterful inquiry into what two people really are and how we might become, while still on earth, the angels who reside within us."

Because Mommy teaches Emma that God is present in everyone in the world, Emma learns not to be afraid and even asks God to help Peter. Reprint.

Oneness with All Life Hay House, Inc

From activist, spiritual leader, New York Times bestselling author, and 2020 presidential candidate Marianne Williamson comes a prayer for healing America. Prayer is practical, Williamson tells us. "To look to God is to look to the realm of consciousness that can deliver us from the pain of living." *Illuminata* delivers prayer into our daily lives with prayers on topics from releasing anger to finding forgiveness, from finding great love to achieving intimacy. There are prayers for couples, for parents, and for children, prayers to mend broken relationships and prayers to overcome obsessive and compulsive love. There are prayers to heal the soul, prayers to heal the body, and prayers for work and creativity. Williamson also gives us prayers for the healing of America, including a prayer of amends on behalf of European Americans to African Americans and one to Native Americans. How, Williamson asks, can we expect anyone to forgive when we have made no formal apology? "Read my prayers or someone else's," Williamson says. "By all means, create your own." *Illuminata* brings prayer into practical use, creating a sweeter, more abundant life. "No conventional therapy," she says, "can release us from a deep and abiding psychic pain. Through prayer we find what we cannot find elsewhere: a peace that is not of this world."

Thoughts, Prayers, Rites of Passage Random House

Presents author-selected inspirational passages from "A New Earth" enhanced by commissioned artwork.

On Work, Money, and Miracles Simon & Schuster

Who is Jesus Christ? In *The Third Jesus*, bestselling author and spiritual leader Deepak Chopra provides an answer to this question that is both a challenge to current systems of belief and a fresh perspective on what Jesus can teach us all, regardless of our religious background. There is not one Jesus, Chopra writes, but three. First, there is the historical Jesus, the man who lived more than two thousand years ago and whose teachings are the foundation of Christian theology and thought. Next there is Jesus the Son of God, who has come to embody an institutional religion with specific dogma, a priesthood, and devout believers. And finally, there is the third Jesus, the cosmic Christ, the spiritual guide whose teaching embraces all humanity, not just the church built in his name. He speaks to the individual who wants to find God as a personal experience, to attain what some might call grace, or God-consciousness, or enlightenment. When we take Jesus literally, we are faced with the impossible. How can we truly "love thy neighbor as thyself"? But when we see the exhortations of Jesus as invitations to join him on a higher spiritual plane, his words suddenly make sense. Ultimately, Chopra argues, Christianity needs to overcome its tendency to be exclusionary and refocus on being a religion of personal insight and spiritual growth. In this way Jesus can be seen for the universal teacher he truly is--someone whose teachings of compassion, tolerance, and understanding can embrace and be embraced by all of us.
