The Bare Reality Goliath Books

A provocatively entertaining, savagely funny satire on Donald Trump by Britain's greatest comic novelist. Pussy is the story of Prince Fracassus, heir presumptive to the Duchy of Origen, famed for its golden-gated skyscrapers and casinos, who passes his boyhood watching reality shows on TV, imagining himself to be the Roman Emperor Nero, and fantasizing about hookers. He is idle, boastful, thin-skinned and egotistic; has no manners, no curiosity, no knowledge, no idea and no words in which to express them. Could he, in that case, be the very leader to make the country great again?

Ed Fox has been called the new Elmer Batters, but he's clearly no imitator. Yes, there's that "little secret" he shares with the late Mr. Batters, but Fox celebrates the female foot in his own way, creating a style that is unique, contemporary and technically impeccable. Because he draws inspiration from both still photography and music video there's a strong sense of movement in his photos, reflecting his own energetic personality. Fox is a native of Los Angeles, so its no surprise his specialty is finding and shooting the most compelling beauties in the adult film industry. Says Fox, "A beautiful foot is an extra, the same as shapely breasts or a nice ass, and all part of a feminine shape. It's all about voluptuousness." Accordingly, most

of his models are exceptionally curvy from top to bottom. Fox was one of the first to shoot strip diva Dita von Teese, as well as Valentina Vaughn, Tera Patrick, Brittany Andrews, Jill Kelly, Kelly Madison, Temptress, Tall Goddess, Aria Giovanni, Jewel De'Nyle, Belladonna, Terri Weigel, Penny Flame, and Ginger Jolie, all of whom appear in his very first book. Bonus: an hour-long DVD featuring many of the stars, with an original musical score.

Written by the creators of the popular website, this rigorously fact-checked, accessible, and fully illustrated guide is essential for anyone with a pussy. If the clitoris and penis are the same size on average, why is the word “small” in the definition of clitoris but strangely missing from the definition of penis? Sex probably doesn't cause yeast infections? But racism probably does cause BV? Why is masturbating so awesome? How hairy are butt cracks . . . generally? Why is labiaplasty on a global astronomical rise? Does egg freezing really work? Should I stick an egg-shaped rock up there or nah? There is still a shocking lack of accurate, accessible information about pussies and many esteemed medical sources seem to contradict each other.

Pussypedia solves that with extensive reviews of peer-reviewed science that address old myths, confusing inconsistencies, and the influence of gender narratives on scientific research--always in simple, joyful language. Through over 30 chapters, Pussypedia not only gives the reader information, but teaches them how to read science, how to consider information in its context, and how to accept what we don't know rather than search for conclusions. It also weaves in personal anecdotes from the authors and their friends--sometimes funny, sometimes sad, often cringe-worthy, and always extremely personal--to do away with shame and encourage curiosity, exploration, and agency. A gift for your shy niece, your angsty teenager, your confused boyfriend, or yourself. Our generation's Our Bodies, Ourselves, with a healthy dose of fun.

"Required reading for every woman who longs to step into her power and live with pleasure and purpose." — Kris Carr, New York Times best-selling author Author, educator, and School of Womanly Arts founder Regena Thomashauer has been working with women for the past 25 years, and what began as just a few women in her living room has since grown into a global movement with thousands of graduates worldwide. In her New York Times bestseller *Pussy: A Reclamation*, she reveals what no one taught you about the source of your feminine power and how to use it. This power is the part of a woman that she has been taught to ignore, push down, and despise. Indeed, the word that most viscerally sums it up is "arguably the most powerful pejorative word in the English language." Like any expletive used effectively, the title of this book is meant to be a wake-up call. It is a reclamation, in a world that desperately requires the feminine. Readers learn the secret ingredient every woman is missing; how to crack the confidence code; why sex appeal is an inside job; what’s ahead on the next frontier of feminism—and how they can help make it happen; and much more. By turns earthy and erudite, passionately argued and laugh-out-loud funny, *Pussy* delivers the tools and practices a woman requires to do and be whatever she wants in this life. It’s a call for her to tune in, turn on, and not drop out—but live more richly, fully, and lusciously than she ever thought she could.

A mission to find a mythological watering hole... In June 1999, Aug Stone and his best friend flew to Germany to find the bar they had heard Nick Cave owned in Berlin. They assumed they would get off the plane, ask 'which way to Nick Cave's bar?', and then spend the rest of their time living it up amidst the wild world of its confines. Instead what followed were nine days of confusion, thwarted plans, and perpetual drunken misery. To this day, they're not sure Nick Cave ever owned a bar in Berlin. Aug Stone is a writer, comedian, & musician. Stone is the author of the comedy novel *Off-License To Kill*, and his journalism has appeared in *The Quietus*, *The Comics Journal*, *Under The Radar*, and many other sites and magazines. He performs comedy as Young Southpaw, bringing his surreal stories to the world via *The Young Southpaw Part Of An Hour* podcast and 'blends the arts with the absurd' on his interview show *Etcetera ETC With Young Southpaw*.

A celebrated performance artist's mesmerizing riffs on sex in American politics. Based on her widely praised performance piece *Unicorn Gratitude Mystery* ("Wickedly funny," as described by *The New York Times*), Karen Finley's *Grabbing Pussy* explores the Shakespearean dynamics that surface when libidos and loyalties clash in the public and private personas of Donald Trump, Hillary and Bill Clinton, Huma Abedin and Anthony Weiner, and now Harvey Weinstein. Standing in the tradition of Allen Ginsberg's *Howl*, Finley's words jolt the reader into new insights about the ways the darkly private can drive the public realm in dizzying twists and turns. The aggression of intimacy, the disparity of gender, and the vital importance of hair are all encompassed in Finley's exhilarating canter.

Poetry. In his first full-length collection of poetry, *DIP MY PACIFIER IN WHISKEY*, Mathias Nelson's poems take the reader on an emotional journey where they are asked to view the world they already know just slightly askew. Nelson's honest and clear writing takes head on the reader's preconceived notions of just about everything imaginable from family and children to societal convention and the literary world. The reader learns early on that nothing is as expected, nothing predictable, and nothing sacred. "Mathias Nelson's poetry makes me excited about the US poetry scene again. This is the real deal, ladies and gentlemen, the kind of poems that make you forget that the whole art form is dying on its feet, makes you think that maybe—just maybe—that this Mathias guy with his beautiful, fucked up, dazzling poems could be part of something that will shake the whole scene to its foundations."—Tony O'Neill

Stepan Kvardakov was born in 1988 in Ivanov, Russia. After graduating from University he moved to St. Petersburg in 2010. He was inspired to take up photography after his father gave him a Canon 7d camera. In 2013 he met Elena, who was to become his future wife, a very pretty and highly photogenic lady, and an experienced model. Stepan decided to advance his study of photography by joining Oleg Titiaevs and erotic photographer Dan Hechos master classes. After 18 months, Stepan succeeded in establishing his own, individual style of erotic pictures. Today he is an important contact person for some of the most beautiful girls in Russia. Perhaps that's the way it really is with love: you can only find it in abundance where there is an absence of money and wealth. But perhaps visitors to Russia only persuade themselves it is so. Particularly in St. Petersburg, it is clear that romance is not associated with embarrassment, and this applies to flirting as well as to making friends. And especially not to the ten days in June, the so-called White Nights, when the sun shines all night long. And, who knows, during your visit you might discover one of the beautiful models Stepan introduces us to in his first book of erotic photographs. The practiced eye of the male observer realizes that these girls know how to love. And they also love their city of St. Petersburg, so much so in fact, that they tenderly whisper Piter to it, their pet name for it. And as the lips turn upwards in a smile, as they do when saying the letter i in Piter we realize that these girls have just infected us with their love.
