REACHING NEW HEIGHTS ON SOLO FLIGHTS!!! Sometimes a busy, mature housewife just needs a little alone time, y'know? Some time to get in touch with herself... to recharge her batteries. Which sometimes means draining a few batteries. And a little baby oil. Or the garden hose. There might be a spatula involved. Possibly a banana. And what's Mom doing with her teenage daughter's class photo? From the kitchen to the laundry room, in the backyard and in the bedroom, and even at the store, these intimate personal moments are captured in loving detail in this gallery of sensuously

shaded pencil drawings by Rebecca, who obviously knows a thing or two (or seven hundred) about XXX-rated suburban sexuality.

A brand-new edition of the greatest work from comics master Joe Kubert! The astonishing true story of a family in Sarajevo, Bosnia, trapped in a city under siege as war and genocide rage around them, with only a fax machine to communicate. On the receiving end of these faxes from his trapped friend, Kubert brilliantly illustrates their struggle toward freedom against the worst kind of odds. It's the tale of a very real war, told from the perspective of innocent victims, but it's also full of strength, survival, and love.

My School Is Full of Yokai?! FurPlanet Productions

The groundbreaking, controversial masterpiece of erotic comics, decades in the making, now in a

sumptuous hardcover collecting all three volumes, with 32 pages of new artwork and commentary. For more than a century, Alice, Wendy and Dorothy have been our guides through the Wonderland, Neverland and Land of Oz of our childhoods. Now like us, these three lost girls have grown up and are ready to guide us again, this time through the realms of our sexual awakening and fulfillment. Through their familiar fairytales they share with us their most intimate revelations of desire in its many forms, revelations that shine out radiantly through the dark clouds of war gathering around a luxury Austrian hotel. Drawing on the rich heritage of erotica, Lost Girls is the rediscovery of the power of ecstatic writing and art in a sublime union that only the medium of comics can achieve. Exquisite, thoughtful, and human, Lost Girls is a work of breathtaking scope that challenges the very notion of art fettered by convention. This is erotic fiction at its finest.

Wonder Woman Image Comics

In a world without political freedom, personal freedom and precious little faith in anything comes a mysterious man in a white porcelain mask who fights political oppressors through terrorism and seemingly absurd acts. It's a gripping tale of the blurred lines between ideological good and evil.

The inspiration for the hit 2005 movie starring Natalie Portman and Hugo Weaving, this amazing graphic novel is packaged with a collectable reproduction of the iconic "V" mask.

Yeshua of Nazareth has two sisters: Damaris, married to a wealthy merchant's son, and Pheodora, married to a simple shepherd from Bethlehem. When Pheodora's husband suffers an unexpected reversal of fortune and is thrown into debtor's prison, she returns to Nazareth, where she pins her hopes on two she-goats who should give birth to spotless white kids that would be perfect for the upcoming Yom Kippur sacrifice. In the eighteen months between the kids' birth and the opportunity to sell them and redeem her husband from prison, Pheodora must call on her wits, her family, and her God in order to provide for her daughters and survive. But when every prayer and ritual she knows is about God's care for Israel, how can she trust that God will hear and help a lowly shepherd's wife?

Pressure. As an underwater welder on an oilrig off the coast of Nova Scotia, Jack Joseph is used to the immense pressures of deep-sea work. Nothing, however, could prepare him for the pressures of impending fatherhood. As Jack dives deeper and deeper, he seems to pull further and further away from his young wife, and their unborn son. But then, something happens deep on the ocean floor. Jack has a strange and mind-bending encounter that will change the course of his life forever. ... Equal parts blue-collar character study and mind-bending science fiction epic, *The Underwater Welder* is a 250-page graphic novel that explores fathers and sons, birth and death, memory and truth, and treasures we all bury deep down inside.

[The Shepherd's Wife \(Jerusalem Road Book #2\)](#) Eros Comics

William Marston was an unusual man—a psychologist, a soft-porn pulp novelist, more than a bit of a carny, and the (self-declared) inventor of the lie detector. He was also the creator of Wonder Woman, the comic that he used to express two of his greatest passions: feminism and women in bondage. Comics expert Noah Berlatsky takes us on a wild ride through the Wonder Woman comics of the 1940s, vividly illustrating how Marston's many quirks and contradictions, along with the odd disproportionate composition created by illustrator Harry Peter, produced a comic that was

radically ahead of its time in terms of its bold presentation of female power and sexuality. Himself a committed polyamorist, Marston created a universe that was friendly to queer sexualities and lifestyles, from kink to lesbianism to cross-dressing. Written with a deep affection for the fantastically pulpy elements of the early Wonder Woman comics, from invisible jets to giant multi-lunged space kangaroos, the book also reveals how the comic addressed serious, even taboo issues like rape and incest. *Wonder Woman: Bondage and Feminism in the Marston/Peter Comics 1941-1948* reveals how illustrator and writer came together to create a unique, visionary work of art, filled with bizarre ambition, revolutionary fervor, and love, far different from the action hero symbol of the feminist movement many of us recall from television.
