Emily O'Hara (Miss O'Hara for short) and her dear brother Pax are awoken early one morning by a rainstorm. It is the perfect moment for them to perform their favourite play Twelfth Night, however just as Miss O'Hara is about to say her favourite line, an unexpected turn of events sends the two children off on a wonderful adventure. "A delightful story for enthusiasts of adjectives!" Bibliophile TimesAUTHOR This is the first novel by Sunaya Oldfield Naik, who was born in the year 2013. New York Times bestselling author, Food Network star, and The Pioneer Woman herself, Ree Drummond brings us the first book in a brand-new picture book series! In Ree's own words: "I was all grown up when I moved out to the country. When I first arrived, I felt so out of place! But eventually, I looked around and discovered all the wonderful things about country life. So I decided to write a story about my experiences, as seen through the eyes of a little girl named Ree. Little Ree moves to the country and feels as scared and unsure as I was. But then she finds that if she sets her mind to it, being a country girl is a pretty cool thing. Come along on her adventures!" Little Ree trades in her city days for a country way of life when she moves with her family to her grandparents' ranch. She's excited to ride horses, swim in the pond, and help Grandma cook for everyone. But on her first day, she finds that living on a ranch can be tough. She has to get up at the crack of dawn, learn to herd cows, and make sure her horse, Pepper, doesn't eat everything in sight. And that's all before breakfast! Will she ever get used to this new place?

Luckily, the end of the day brings a big family barbecue...and the happy discovery that being a country girl isn't about the right pair of boots, it's all about the right attitude. With warmth, humor, and stories inspired by life on the ranch, Ree Drummond's new picture book introduces us to a spunky new picture book star and treats us to a special pancake recipe at the end!

For over 50 years, we have watched as television has entertained, informed, comforted, and thrilled us. We watched as sitcoms evolved from I Love Lucy to All in the Family: at first merely amusing, then becoming reflections of society and pushing the cultural boundaries. We watched President Kennedy, the first-born of television and politics, unite us in the optimism of his "new frontier" and in the grief of his assassination. Television has taken us to the scene of mass celebrations, such as the wedding of Lady Diana to Prince Charles, to calamities in Munich and New York, and into frightening fields of battle in Vietnam and Iraq. Television exposed the imperfections of the jurors' box in the trial of O.J. Simpson and the ballot box in Election 2000. Television put us in the front row when Hank broke Babe's record, when the U.S. hockey team beat the Soviets in Lake Placid, and when the NFL spilled over from Sunday afternoons to Monday nights. Over 50 years of memories—the stars, the programs, and the events stored in our hearts and imaginations like treasured heirlooms—are found in this new hardcover multimedia book from veteran New York Times best-selling author Joe Garner. In Stay Tuned, he has gathered 36 landmark moments from news, sports, and

entertainment in a riveting anthology. Each story comes to life through detailed, behind-the-scenes accounts and firsthand anecdotes, and is illustrated with hundreds of poignant black-and-white and color photographs. The book's accompanying CDs and DVD feature the corresponding clips, narrated by Walter Cronkite for news, Bob Costas for sports, and (TK) for entertainment.TV's Unforgettable Moments is certain to become an important and lasting chronicle of the medium—and a best-seller in the process.

A Secondhand Lie Orca Book Publishers

Sometimes you know things you're not supposed to know. Things that you can never un-know. Things that will change the course of your life...and the fate of the ones you love. I found her in our living room, bleeding and close to death, but alive. Barely. Until morning stole her last breath. The media called her killer the "Triangle Terror" ... and then forgot about her. But I never forgot—my murdered sister, and an investigation that led to my own resurrection from the dead. Twenty-two years ago, on a cold February night, Landon Worthington lost his father for the last time. After an armed robbery gone wrong, evidence and witness testimony pointed a shaky finger at Dan Worthington—deadbeat dad and alcoholic husband. But before the dust could settle over the conviction, Landon's preteen sister, Alexis, is murdered in their home, plunging Landon's life into further despair. Two decades and a cold case later, Landon is dogged by guilt over their estranged relationship and decides to confront his incarcerated father about what really happened the night of the robbery. But the years of lies are hard to unravel. And the biggest question of all haunts him: How does everything tie into his sister's murder? And so begins Landon's journey to piece together the puzzle of secrets, lies, and truths that can free his father, avenge his sister, and perhaps save himself. A short story mystery perfect for fans of Robert Dugoni's Third Watch and Dean Koontz's The Neighbor. Read as a standalone or as the companion book to A Secondhand Life.

Meow Libs Faith Today Trilogy

Passage to Faith is Book 1 in The Faith Today Trilogy series. Passage to Faith explores current scientific evidence supporting the case for the existence of a creator God. It draws on dozens of historical testimonies of individuals who had

encounters with a Supreme Being which influenced them to change their lives, and sometimes the world, for the better. Taking the reader on an evidence-based tour through the cosmos, Lee, qualified in the fields of the philosophy of futures studies, theology, literature and education, reveals a stunning degree of indwelling intelligence and beauty on display throughout the universe and on Earth. He then traces the common ground between the creation account in Genesis in the Bible and scientific cosmology, the Big Bang theory and Albert Einstein's theory of relativity. Lee discusses the faith of a wide range of people from different eras and disciplines to reinforce the conviction that God's redeeming power actively intervenes not just in nature but in history. These examples include, among others, figures from history like Joan of Arc, Nelson Mandela and Barack and Michelle Obama, scientists and mathematicians like Copernicus, Galileo, Kepler, Newton, Faraday, Mendel, Pasteur, Pascal, George Washington Carver, Dr Wernher von Braun, Professor Christiaan Barnard and Francis S. Collins, missionaries like John Wesley, Mother Theresa, Dr David Livingstone, Dr Albert Schweitzer, and Jackie Pullinger, singers, entertainers, and actors such as Bob Dylan, Johnny Cash, Jim Reeves, Glen Campbell, Alice Cooper, Gary Cooper, John Wayne, Alfred Hitchcock, Mark Wahlberg, Mel Gibson, Sylvester Stallone, and Bear Grylls, men and women from the sports arena like George Foreman, Novak Djokovic, Simona Halep, Margaret Court and Siya Kolisi, as well as astronauts such as Dr Buzz Aldrin, David Randolph Scott and Gene Cernan. Internationally beloved opera star Deborah Voigt recounts her harrowing and ultimately successful private battles to overcome the addictions and self-destructive tendencies that nearly destroyed her life. *Call Me Debbie* is one of the most electrifying performances of Deborah Voigt's life. The brilliantly gifted opera soprano takes us behind the velvet curtains to tell her compelling story—a tale of success, addiction, music, and faith as dramatic as any role she has performed. For the first time, she talks about the events that led to her dangerous gastric bypass surgery in 2004 and its shocking aftermath: her substantial weight loss coupled with the “cross addiction” that led to severe alcoholism, frightening all-night blackouts, and suicide attempts. Ultimately, Voigt emerged from the darkness to achieve complete sobriety, thanks to a twelve-step program and a recommitment to her Christian faith. Colored by hilarious anecdotes and juicy gossip that illuminate what really goes on backstage, Voigt paints diverting portraits of the artists with whom she's worked, her most memorable moments onstage, and her secrets to great singing. She also offers fascinating insight into the roles she's

played and the characters she loves, including Strauss's Ariadne and Salome, Puccini's Minnie, and Wagner's Sieglinde, Isolde, and Brünnhilde, sharing her intense preparation for playing them. Filled with eight pages of color photos, *Call Me Debbie* is an inspirational story that offers a unique look into the life of a modern artist and a remarkable woman.
