Renowned manga artist Gengoroh Tagame turns his stunning draftsmanship to a story very different from his customary fare, to delightful and heartwarming effect' Alison Bechdel, author of *Fun Home* '[My Brother's Husband] arrives in the UK garlanded with praise from, among others, Alison Bechdel. It's not hard to see why. Not only is it very touching; it's also, for

the non-Japanese reader, unexpectedly fascinating' Rachel Cooke, *Observer*, Graphic Novel of the Month Yaichi is a work-at-home suburban dad in contemporary Tokyo; formerly married to Natsuki, father to their young daughter, Kana. Their lives suddenly change with the arrival at their doorstep of a hulking, affable Canadian named Mike Flanagan, who declares himself the widower of Yaichi's estranged gay twin, Ryoji. Mike is on a quest to explore Ryoji's past, and the family reluctantly but dutifully takes him in. What follows is an unprecedented and heartbreaking look at the state of a largely still-closeted Japanese gay culture: how it's been affected by the West, and how the next generation can change the preconceptions about it and prejudices against it.

Fisherman's Lodge UNESCO Publishing

A mesmerizing, heartbreaking graphic novel of immigrant life on New York's Lower East Side at the turn of the twentieth century, as seen through the eyes of twin sisters whose lives take radically and tragically different paths. For six-year-old Esther and Fanya, the teeming streets of New York's Lower East Side circa 1910 are both a fascinating playground and a place where life's lessons are learned quickly and often cruelly. In drawings that capture both the tumult and the telling details of that street life, *Unterzakhn* (Yiddish for "Underthings") tells the story of these sisters: as wide-eyed little girls absorbing the sights and sounds of a neighborhood of struggling immigrants; as teenagers taking their own tentative steps into the wider world (Esther working for a woman who runs both a burlesque theater and a whorehouse, Fanya for an obstetrician who also performs illegal abortions); and, finally, as adults battling for their own piece of the "golden land," where the difference between just barely surviving and triumphantly succeeding involves, for each of them, painful decisions that will have unavoidably tragic repercussions.
