From Betty Smith, author of the beloved American classic *A Tree Grows in Brooklyn*, comes an unsentimental yet radiant and powerfully uplifting tale of young love and marriage. In 1927, in Brooklyn, New York, Carl Brown and Annie McGairy meet and fall in love.

Though only eighteen, Annie travels alone halfway across the country to the Midwestern university where Carl is studying law—and there they marry. But Carl and Annie’s first year together is much more difficult than they anticipated as they find themselves in a faraway place with little money and few friends. With hardship and poverty weighing heavily upon them, they come to realize that their greatest sources of strength, loyalty, and love, will help them make it through. A moving and unforgettable story, *Joy in the Morning* is “a glad affirmation that love can accomplish the impossible.” (Chicago Tribune)

Punk Rock Dad Rupa Publications

Reese Witherspoon's Book Club Pick A lively, sexy, and thought-provoking East-meets-West story about community, friendship, and women's lives at all ages—a spicy and alluring mix of Together Tea and Calendar Girls. Every woman has a secret life . . . Nikki lives in

cosmopolitan West London, where she tends bar at the local pub. The daughter of Indian immigrants, she's spent most of her twenty-odd years distancing herself from the traditional Sikh community of her childhood, preferring a more independent (that is, Western) life. When her father's death leaves the family financially strapped, Nikki, a law school dropout, impulsively takes a job teaching a "creative writing" course at the community center in the beating heart of London's close-knit Punjabi community. Because of a miscommunication, the proper Sikh widows who show up are expecting to learn basic English literacy, not the art of short-story writing. When one of the widows finds a book of sexy stories in English and shares it with the class, Nikki

realizes that beneath their white dupattas, her students have a wealth of fantasies and memories. Eager to liberate these modest women, she teaches them how to express their untold stories, unleashing creativity of the most unexpected—and exciting—kind. As more women are drawn to the class, Nikki warns her students to keep their work secret from the Brotherhood, a group of highly conservative young men who have appointed themselves the community's "moral police." But when the widows' gossip offers shocking insights into the death of a young wife—a modern woman like Nikki—and some of the class erotica is shared among friends, it sparks a scandal that threatens them all.

Jim Lindberg is a Punk Rock Dad. When he drives his kids to school in the morning, they listen to the Ramones, the Clash, or the Descendents—and that's it. They can listen to Britney and Justin on their own time. Jim goes to soccer

games, dance rehearsals, and piano recitals like all the other dads, but when he feels the need, he also goes to punk shows, runs into the slam pit, and comes home bruised and beaten . . . but somehow feeling strangely better. While the other dads dye their hair brown to cover the gray, Jim occasionally dyes his blue or green. He makes his daughters' lunches, kisses their boo-boos, and tucks them in at night—and then goes into the garage and plays Black Flag and Minor Threat songs at a criminal volume. He pays his taxes, votes in all the presidential and gubernatorial elections, serves on jury duty, and reserves the right to believe that there is a vast Right Wing Conspiracy—and that the head of the P.T.A. is possibly in on it. He is a Punk Rock Dad.

Fifteen years after founding Vice, Gavin

McInnes has poured his creative juices into a new endeavor: StreetCarnage.com. Growing in size and influence at an alarming rate, the site's main feature is the new and improved version of Gavin's "DOs and DON'Ts," now tantalizingly called Street Boners. These Boners have been polished and compounded into a book that takes the best of the site and adds hundreds more gems! With 1,312 photos, hilarious captions, and a harsh new rating system—from one to 10 kitten faces—STREET BONERS makes sure no glorious fashion statement goes unnoticed. Innocent citizens are either damned to hell or relentlessly exalted into heaven. Chloe Sevigny, Debbie Harry, Fred Armisen, and Tim & Eric also contribute their scathing wit to the book, and the

end result is a New York fashion bible no bathroom should be without.
