Do you feel trapped or wish you had more control over your life? What would you do if you had the time and financial means to pursue your wildest dreams? *Why Doctors Don't Get Rich* is your first step to discover the answer. With Foreword by Robert Kiyosaki, author of *Rich Dad Poor Dad*, you will discover the wonders of passive income investing and the freedom it creates. Find your path to financial freedom with this beginner's guide to passive income, written by a doctor who has walked in your shoes and wants you to achieve greatness. Written for YOU - this

self-help roadmap to wealth takes you on a journey that will transform your relationship with money and transport you to the life you always dreamed of.

*Rich Dad, Poor Dad* Business Plus

The author uses his perspectives and insights into financial events and crises in his lifetime as well as references drawn from Dr. R. Buckminster Fuller's 1983 work, *Grunch of giants* and Steven Brill's May 28, 2018 Time magazine article to illustrate what may be on the world's financial horizon and how individuals can better insulate their finances from these possible events.

**Rich Dad's Prophecy** John Wiley & Sons

From the creator of Valuetainment, the #1 YouTube channel for entrepreneurs, and "one of the most exciting thinkers" (Ray Dalio, author of *Principles*) in business today, comes a practical

and effective guide for thinking more clearly and achieving your most audacious professional goals. Both successful entrepreneurs and chess grandmasters have the vision to look at the pieces in front of them and anticipate their next five moves. In this book, Patrick Bet-David “helps entrepreneurs understand exactly what they need to do next” (Brian Tracy, author of Eat That Frog!) by translating this skill into a valuable methodology. Whether you feel like you’ve hit a wall, lost your fire, or are looking for innovative strategies to take your business to the next level, Your Next Five Moves has the answers. You will gain: CLARITY on what you want and who you want to be. STRATEGY to help you reason in the war room and the board room. GROWTH TACTICS for good times and bad. SKILLS for building the right team based on strong values. INSIGHT on power plays and the art of applying leverage. Combining these principles and revelations drawn from Patrick’s own rise to successful CEO, Your Next Five Moves is a must-read for any serious executive, strategist, or entrepreneur.

Many people have million-dollar ideas. They're confident that their new product or service or innovation will make them rich and that all their dreams will come true. The problem is: Most people don't know how to turn their million-dollar idea into millions of dollars. According to many social scientists, the most important thing in life is a person's social and professional network. In other words, the people around us -- our associates,

our team, our friends. The people we surround ourselves with -- and the people we go to for advice and guidance--can mean the difference between success and failure. And as he taught in Rich Dad Poor Dad, if the people around you have a poor person's mindset, it's likely that you'll be, or stay, poor. Your team, in life and in business, will determine if your million-dollar idea will give you a million-dollar payday. In More Important Than Money, Robert teams up with his most trusted Advisors who contribute not only chapters on the strengths and talents they bring to the team, but offer candid and insightful individual Profiles and excerpts from each of the 14 Rich Dad Advisor Series books. Readers will meet all of Robert's Rich Dad Advisors and learn why they are among his most valuable assets.

**Rich Dad's Cashflow Quadrant** Second ChanceFor Your Money, Your Life and Our World

In this one-of-a-kind "how-to" guide, Joseph Hooper and Aaron Zalewski provide step-by-step instructions for generating large monthly cash returns from almost any stock investment—while at the same time decreasing the risk of stock ownership. Filled with in-depth insights and proven techniques, this book is the definitive, rule-based guide to covered calls and calendar LEAPS spreads.

The Last Chance Millionaire RDA Press, LLC

When the generation known as 'Baby Boomers' begin to retire and cash in on their plans, there's a chance that this drain on reserves could cause a major devaluation in people's savings. This book offers a plan to help you prepare for the worst, offering alternative investments.

**The Business of the 21st Century** Lulu Press, Inc

According to Doug Andrew, the bestselling author of *Missed Fortune 101*, too many Americans are being led down the wrong financial path. Even worse, many Baby Boomers find themselves panicking --fearful that they've already fallen too far behind to ever catch up. In this indispensable and eye-opening guide, Andrew provides fresh new pathways to reaching financial security -- pathways that all Americans need to consider now. Centering on his Three Miracles of Wealth Accumulation: the Miracle of Compound Interest, the Miracle of Tax-Favored Accumulation, and the Miracle of Positive, Safe Leverage, Andrew explodes many of the commonly-held myths about 401ks, pensions, paying down one's mortgage, and other forms of retirement planning. Along the way, Andrew offers unique strategies that will not only increase your wealth, but also help readers enjoy their best years while securing their future.

**Edexcel GCSE (9-1) Business, Second Edition** Hodder Education

In *The Business of the 21st Century*, Robert Kiyosaki explains the revolutionary business of network marketing in the context of what makes any business a success in any economic situation. This book lends credibility to multilevel marketing business, and justifies why it is an ideal avenue through which to learn basic business and sales skills... and earn money.

**GIS for Sustainable Development** CRC Press

For years, Robert Kiyosaki has firmly believed that the best investment one can ever make is in taking the time to truly understand how one's finances work. Too many people are much more interested in the quick-hitting scheme, or trying to find a short-cut to real wealth. As Kiyosaki has preached over and over

again, one has to truly understand the process of how money works before one can start out on trying to escape the daily financial Rat Race. Now, in this latest book in the popular Rich Dad Poor Dad series, Kiyosaki lays out his 5 key principles of Financial Intelligence for all to understand. In *INCREASE YOUR FINANCIAL IQ*, Kiyosaki provides real insights on these key steps to wealth:

- o How to increase your money -- how to assess what you're really worth now, what your prospects are, and how to start mapping out your financial future.
- o How to protect your money -- for better or for worse, taxes are a way of life. Kiyosaki shows you that "it's not what you make....it's what you keep."
- o How to budget your money -- everybody wants to live large, but you have to learn how to live within your budget. Kiyosaki shows you how you can.
- o How to leverage your money -- as you build your financial IQ, knowing how to put your money to work for you is a crucial step.
- o How to improve your financial information -- Kiyosaki shows you how to accelerate your wealth as you learn more and more.

Over the years, President Donald Trump has written many bestselling books, but he has also written shorter essays that encompass his philosophy about how to live life to the fullest, both personally and professionally. In these pieces, which have been personally selected by Trump for this book, he gives his special perspective in what amounts to an "informal education" about success in business and in life. With a foreword by Rich Dad, Poor Dad, author Robert Kiyosaki, Trump's business acumen is on full display in such essays as: \*Keep the Big Picture in Mind \*Essays, Assets, and Stephen King \*Imagination: A Key to Financial Savvy \*Financial Literacy \*Think Like a Genius \*How to Get Rich

The Secrets about Money--that You Don't Learn in School! Tracks Publishing

Secrets of the Millionaire Mind reveals the missing link between wanting success and achieving it! Have you ever wondered why some people seem to get rich easily, while others are destined for a life of financial struggle? Is the difference found in their education, intelligence, skills, timing, work habits, contacts, luck,

or their choice of jobs, businesses, or investments? The shocking answer is: None of the above! In his groundbreaking Secrets of the Millionaire Mind, T. Harv Eker states: "Give me five minutes, and I can predict your financial future for the rest of your life!" Eker does this by identifying your "money and success blueprint." We all have a personal money blueprint ingrained in our subconscious minds, and it is this blueprint, more than anything, that will determine our financial lives. You can know everything about marketing, sales, negotiations, stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money—and if somehow you do, you will most likely lose it! The good news is that now you can actually reset your money blueprint to create natural and automatic success. Secrets of the Millionaire Mind is two books in one. Part I explains how your money blueprint works. Through Eker's rare combination of street smarts, humor, and heart, you will learn how your childhood influences have shaped your financial destiny. You will also learn how to identify your own money blueprint and "revise" it to not only create success but, more important, to keep and continually grow it. In Part II you will be introduced to seventeen "Wealth Files," which describe exactly how rich people think and act differently than most poor and middle-class people. Each Wealth File includes action steps for you to practice in the real world in order to dramatically increase your income and accumulate wealth. If you are not doing as well financially as you would like, you will have to change your money blueprint. Unfortunately your current money blueprint will tend to stay with you for the rest of your life, unless you identify and revise it, and that's exactly what you will

do with the help of this extraordinary book. According to T. Harv

Eker, it's simple. If you think like rich people think and do what rich people do, chances are you'll get rich too!
