My Neighbour's Shoes; Or, Feeling for Others. A Tale Paul Zante Book five in Black Library's iconic Ultramarines series returns The Ultramarines are the epitome of a Space Marine Chapter. Warriors without peer, their name is a byword for discipline and honour, and their heroic deeds are legendary. Newly reinstated as Captain of the Ultramarines Fourth

Company, Uriel Ventris leads his warriors in battle once again on the world of Pavonis, now a target of invasion by the upstart Tau Empire. With the eyes of the Chapter upon him, Uriel must win this war by following completely the wisdom of the Codex Astartes, lest he be exiled once more. But no plan survives contact with the enemy, and the tau are a dangerous and

unpredictable  
foe...

Excerpt from

Charles

Pettigrew,

First Bishop-

Elect of the

North Carolina

Episcopal

Church As

soon as he

received the news of his appointment, Pettigrew resigned his position in Bute County and moved to Edenton. He became a member of the Church of England about this time and obtained a position as lay reader of St. Paul's Church in Edenton. Since several members of the vestry of St. Paul's Parish were trustees of the academy, it is reasonable to assume that he had contacted these men and made

known to them his desire to become a minister of the Church of England. Whether or not that View is correct, it is known that while occupying the positions of schoolmaster and lay reader he engaged in the studies expected of candidates for ordination in that church. In the spring of 1775 he sailed for London where he was duly ordained deacon and priest by the bishops of London and Rochester.

But war is unending in the life of a Space Marine, and Ventriss finds himself thrust back into battle against the nemesis of the Ultramarines-- the Iron Warriors, led by renegade Warsmith Honsou. Sissy Dreams: From Boyfriend to Girlfriend  
 Black Library  
 A chilling mosaic novel by masters of their craft. On a misty cemetery world, three strangers are drawn together through mysterious circumstances . Each of them has a tale to tell of a narrow escape from death. Amid the toll of funerary bells and the creep and click of mortuary-

servitors, the truth is confessed. But whose story can be trusted? Whose recollection is warped, even unto themselves? For these are strange stories of the uncanny, the irrational and the spine-chillingly frightening, where horrors abound and the dark depths of the human psyche is unearthed. A chilling portmanteau. The hilarious

instant New York Times bestseller, *The Hunger Pains* is a loving parody of the dystopian YA novel and film, *The Hunger Games*. Winning means wealth, fame, and a life of therapy losing means death, but also fame! This is *The Hunger Pains*. When Kantkiss Neverclean replaces her sister as a contestant on the *Hunger Games*—the second-highest-rated reality TV show in Peaceland, behind

Extreme Home Makeover—she has no idea what to expect. Having lived her entire life in the telemarketing district's worst neighborhood, the Crack, Kantkiss feels unprepared to fight to the death while simultaneously winking and looking adorable for the cameras. But when her survival rests on choosing between the dreamy hunk from home, Carol Handsomestein, or the doughy klutz,

Pita Malarkey, Kantkiss discovers that the toughest conflicts may not be found on the battlefield but in her own heart . . . which is unfortunately on a battlefield. *Fall of Damnos Boom Town* A great omnibus, collecting together Iron warriors stories from two great Black Library authors. The traitorous Iron Warriors are masters of siegecraft, builders of nigh-

impenetrable defences – and just as good at tearing down those of their foes, as these action-packed tales of siege warfare demonstrate. *The Outcast Dead* Warhammer Horror The Salamanders attempt a daring rescue mission deep in Dark Eldar territory in order to reveal more secrets held within the Tome of Fire. When Chaplain Elysius of the Salamanders is taken

captive by Dark Eldar, he faces a fight for survival at the hands of these cruel aliens. The Firedrakes of 1st Company attempt a daring rescue mission, but much more is at stake than the Chaplain's life. He holds the key to secrets buried beneath Mount Deathfire, secrets that could reveal the damnation – or salvation – of their home world. **Three Swords** Public Affairs The first in a new trilogy

from veteran Salamanders author Nick Kyme, available in trade paperback for the first time. Five years have passed since war came to Nocturne. While Third Company recovers its strength, the Salamanders of Fifth Company must now wage war. On Heletine, the Black Legion has come in the name of Chaos and only Brother-Captain Drakgaard's warriors stand in the way of

their dark  
glory. Victory  
for the  
Imperium  
hinges on the  
alliance  
between the  
Salamanders  
and the  
Sisters of the  
Ebon Chalice,  
warrior zealots  
and devout  
servants of  
the  
Ecclesiarchy.  
But there is  
more to this  
Promethean  
War than  
conquest, and  
only as the  
conflict grinds  
on are the  
true motives  
of the enemy  
revealed...
