#1 Bookscan in Juvenile Non-fiction! – Be
Brave... Stay Wild! Animal Stories for Kids:
Coyote Peterson's Brave Adventures: Wild
Animals in a Wild World chronicles some of
the wildest encounters Coyote Peterson

has had over the course of his travels. The
stories begin with his first snapping turtle
catch as a kid and lead down a trail of
incredible moments he and his camera
crew have had while filming their Brave
Wilderness shows. From a giant alligator
that nearly caught Coyote in its bone
crushing jaws, to an 800 pound Grizzly
Bear that helped him teach the audience
what to do and NOT do if you ever
encounter one of these enormous
predators in the wild, every tale is laced

with fast paced action and daring
adventure. With the presence of danger
often looming for Coyote, each story
reminds the reader that animals rule the
wild places of this planet, and if we
respect them from a safe distance, even
the most frightening creatures are more
likely to be afraid of us than we should
ever be of them. Exciting animal stories
for kids of all ages: This collection of short
stories aims to give the reader a first-
person perspective into some of Coyote's

most harrowing and heartwarming adventures.

Hungry Coyote University of Chicago Press

This pocket guide will take you on a playful, adventurous journey into developing a deep kinship with nature. You'll be introduced to the Coyote Mentoring approach to nature connection, learning tips and techniques on how to integrate basic outdoor routines into your daily life, as well as create ongoing learning activities. You will learn how to inspire curiosity, foster inquisitiveness, and expand awareness as you begin to speak the language of Nature. A Coyote Program taps into the Coyote Mentoring approach and can be anything from a parent and a child getting outside together to a full-blown troupe of nature explorers. The goal of Coyote Mentoring is to naturalize our children, bringing body, mind, and soul back into a felt connection with nature. We invite you to adapt your gathering to the natural cycle, to circle up in ceremony and celebration, and to spark curiosity in the hearts of others. Use the framework in this pocket guide to build your own group, your own circle, and adjust the content to exactly what works

for you."Coyote Excites. Mentor Guides. Nature Teaches."

Wolves, Wild Dogs, Foxes, Jackals, Coyotes, and Their Relatives Harper Collins

"Developed by literacy experts for students in kindergarten through grade three, this book introduces coyotes to young readers through leveled text and related photos"--Provided by publisher. *The World Book Encyclopedia* Lyons Press In this riveting, action-packed novel from award-winning author Will Hobbs, a teenage boy hoping to help his loved ones must fight for his life as he makes the dangerous journey across the Mexican border into the United States. When falling crop prices threaten his family with starvation, fifteen-year-old Victor Flores heads north in an attempt to "cross the wire" from Mexico into America so he can find work and help ease the finances at home. But with no coyote money to pay the smugglers who sneak illegal workers across the border, Victor struggles to survive as he jumps trains, stows away on trucks, and hikes grueling miles through the Arizona desert. Victor's passage is fraught with freezing cold, scorching heat,

hunger, and dead ends. It's a gauntlet run by many attempting to cross the border, but few make it. Through Victor's desperate perseverance, Will Hobbs brings to life a story that is true for many, polarizing for some, but life-changing for all who read it. Acclaim for *Crossing the Wire* includes the following: New York Public Library Books for the Teen Age, Junior Library Guild Selection, Americas Awards Commended Title, Heartland Award, Southwest Book Award, and Notable Books for Global Society.

Order a copy today and expand your appreciation of this amazing animal and learn how you can apply the knowledge in this book to get close to coyotes in the wild!

Track of the Coyote NorthWord Books for Young Readers

Coyote is three years old when she leaves her family in Algonquin Provincial Park in Ontario and embarks on a 500-mile odyssey eastward in search of a territory of her own and a mate to share it with.

Journeying by night through the dead of winter, she endures extreme cold, hunger, and a harrowing crossing of the St. Lawrence River in Montreal before her cries of loneliness are finally answered in the wilds of Maine. The mate she finds must gnaw off a paw to escape a trap. The first coyotes in the northern U.S., they raise pups (losing several), experience summer plenty, winter hardship, playfulness, and unmistakable love and grief. Blending science and imagination with magical results, this story tells how coyotes may have populated a land desperately in need of a keystone predator, and no one who reads it will doubt the value of their ecological role. Told through the eyes of a coyote, this is a riveting story with mythic dimensions. A work of creative nonfiction that adheres to the highest standards of wildlife biology. With deep insights into wild canine behavior, penetrates the veil of "otherness" that separates us from the animals with whom we share the planet. An appendix explores the history and current status of coyotes in North America. Native Americans considered them tricksters, messengers, and companions.

Given the disappearance of wolves, they are even more critical to ecosystem health today. The author explains how, without coyotes, prey species are weakened by disease and parasites. Geri Vistein speaks extensively about coyote-human interactions to a variety of audiences. She is a nationally recognized expert on the topic and maintains the website CoyoteLivesInMaine.com. A QR code in the book takes readers to a hauntingly beautiful recording of coyote song.

CreateSpace

Examines the physical characteristics, behavior, and habitats of coyotes, and discusses ecological and political issues relating to the control of the species.

Coyote Blue Tilbury House Publishers and Cadent Publishing

The most complete and user-friendly photographic field guide to the world's canids This stunningly illustrated and easy-to-use field guide covers every species of the world's canids, from the Gray Wolf of North America to the dholes of Asia, from African jackals to the South American Bush Dog. It features more than 150 superb color plates depicting every kind of canid and detailed facing-page

species accounts that describe key identification features, morphology, distribution, subspeciation, habitat, and conservation status in the wild. The book also includes distribution maps and tips on where to observe each species, making *Canids of the World* the most comprehensive and user-friendly guide to these intriguing and spectacular mammals. Covers every species and subspecies of canid Features more than 150 color plates with more than 600 photos from around the globe Depicts species in similar poses for quick and easy comparisons Describes key identification features, habitat, behavior, reproduction, and much more Draws on the latest taxonomic research Includes distribution maps and tips on where to observe each species The ideal field companion and a delight for armchair naturalists *Tracks, Sign, and Behavior of Eastern Wildlife* Rowman & Littlefield The author of "Across the Wire" offers brilliant investigative reporting of what went wrong when, in May 2001, a group of 26 men attempted to cross the Mexican border into the desert of southern Arizona. Only 12 men came back out. "Superb . . .

Nothing less than a saga on the scale of the Exodus and an ordeal as heartbreaking as the Passion . . . The book comes vividly alive with a richness of language and a mastery of narrative detail that only the most gifted of writers are able to achieve.- "Los Angeles Times Book Review." *The Remarkable Journey of Coyote Sunrise* Algonquin Books Mr. Coyote meets other animals and practices his numbers at the same time. *Master Coyote Hunting* Knopf Books for Young Readers From master of subversive humor Christopher Moore comes a quirky, irreverent novel of love, myth, metaphysics, outlaw biking, angst, and outrageous redemption. As a boy, he was Samson Hunts Alone—until a deadly misunderstanding with the law forced him to flee the Crow reservation at age fifteen. Today he is Samuel Hunter, a successful Santa Barbara insurance salesman with a Mercedes, a condo, and a hollow, invented life. Then one day, destiny offers him the dangerous gift of love—in the exquisite form of Calliope Kincaid—and a curse in the unheralded appearance of an ancient god by the name of Coyote. Coyote, the

trickster, has arrived to reawaken the mystical storyteller within Sam...and to seriously screw up his existence in the process.

Coyote's Guide to Connecting with Nature Coyote's Guide to Connecting with Nature Last Child in the Woods Saving Our Children From Nature-Deficit Disorder A complete guide to hunting coyotes, foxes, cougars, and other predators, with proven tactics and strategies. *Coyote's Pocket Guide to Connecting Kids with Nature* U of Nebraska Press

"A nonfiction picture book about coyotes hunting in suburban neighborhoods at night."--

In "Master Coyote Hunting", Michael Huff shares his expert knowledge of coyotes acquired over many years as a professional coyote hunting guide and a student of coyote research. This practical book, with new knowledge not available from other sources, will make you a more successful coyote hunter.

Two Teenage Immigrants Making a Life in America Henry Holt and Company (BYR)

Beloved storyteller Ivan Coyote returns with their most intimate and moving book yet. Writer and performer Ivan Coyote has spent decades on the road, telling stories around the world. For years, Ivan has kept a file of the most special communications received from readers and audience members—letters, Facebook messages, emails, soggy handwritten notes tucked under the windshield wiper of their truck after a gig. Then came Spring, 2020, and, like artists everywhere, Coyote was grounded by the pandemic, all their planned events cancelled. The energy of a live audience, a performer’s lifeblood, was suddenly gone. But with this loss came an opportunity for a different kind of connection. Those letters that had long piled up could finally begin to be answered. *Care Of* combines the most powerful of these letters with Ivan’s responses, creating a body of correspondence of startling intimacy, breathtaking beauty, and heartbreaking

honesty and openness. Taken together, they become an affirming and joyous reflection on many of the themes central to Coyote’s celebrated work—compassion and empathy, family fragility, non-binary and Trans identity, and the unending beauty of simply being alive, a giant love letter to the idea of human connection, and the power of truly listening to each other.

Return to Sender Simon and Schuster
From a national hunting expert and editor, comes the essential handbook with all the latest techniques.

Coyotes Bellwether Media
"Sometimes a story comes along that just plain makes you want to hug the world. The Remarkable Journey of Coyote Sunrise is Dan Gemeinhart’s finest book yet — and that’s saying something. Your heart needs this joyful miracle of a book." — Katherine Applegate, acclaimed author of *The One and Only Ivan* and *Wishtree* Five years. That's how long Coyote and her dad,

Rodeo, have lived on the road in an old school bus, criss-crossing the nation. It's also how long ago Coyote lost her mom and two sisters in a car crash. Coyote hasn't been home in all that time, but when she learns that the park in her old neighborhood is being demolished—the very same park where she, her mom, and her sisters buried a treasured memory box—she devises an elaborate plan to get her dad to drive 3,600 miles back to Washington state in four days...without him realizing it. Along the way, they'll pick up a strange crew of misfit travelers. Lester has a lady love to meet. Salvador and his mom are looking to start over. Val needs a safe place to be herself. And then there's Gladys... Over the course of thousands of miles, Coyote will learn that going home can sometimes be the hardest journey of all...but that with friends by her side, she just might be able to turn her “once upon a time” into a “happily ever after.”
