The Finger Phonics books introduce young children to all of the letter sounds, not just the alphabet. The teaching in these books is multisensory. Each letter sound is introduced with an action and a large cut-out letter, which helps little fingers to feel the correct formation. Fun activities at the end of each book help children to use their new letter-sound knowledge and begin to develop their reading and writing skills. These refreshed editions are the same as previous editions in terms of number of pages, pagination and core content, but have been enhanced with: \* New cover designs, colour-coded to match each group of letter sounds across other Jolly Phonics resources\* Fresh and new full-page illustrations for each page\* New-style, easy-to-follow letter formation guides\* Information panels showing how to use each page\* Additional items within each picture to tie in with the vocabulary taught in Jolly English\* Updated activities at the end of each book to align with other Jolly Phonics resources Also available individually. **Phonics** Jolly Phonics The Jolly Phonics Workbooks are perfect for

practising phonics skills. Covering the 42 letter sounds of English, these books provide a wealth of material for children to practise their reading and writing skills. Each sound is presented with a simple story and action, a letter formation guide and a section for writing practice. Engaging exercises and fun activities allow children to apply their phonic knowledge in reading and spelling

regular words, as well as some 'tricky' words with irregular spellings. Each of the seven books helps children develop their phonic skills further.
