In His Steps is the dramatic story of a pastor and a small group of Christians who determined in their hearts to react in every situation as they thought Jesus would. Set against the hypocrisy and social upheavals of the 1890s, it provides delightful color and style, and depicts the same sordid plight of churches and Christians today. Founded upon God's Word, its focus is the verse in 1 Peter: "For even hereunto were ye called: because Christ also suffered for us, leaving us an example, that ye should follow his steps." Because of a sudden and upsetting incident which disrupted the Sunday morning worship service of a small congregation, the world has been set aglow for Christ. Souls have been challenged to find the perfect will of God for their lives, to follow the steps of the Saviour wherever they should lead and despite persecution or crucifixion that might follow--just to know the joy of walking In His Steps.

God needs people who are filled with the Holy Spirit, who are worried about their own will or future, and who have adopted the character of the Lord Jesus. These people need to think like He thinks, speak like He speaks, behave like He behaves, and feel like He feels. These people must embrace their faith in the Lord Jesus in order to be tools in God's hands and reveal His character to the world. The Lord Jesus said that many are called but few are chosen. But who is chosen. But who is chosen? How are they identified? Why were anointed men of the past different from men today? In The Profile of a Man of God, Bishop Macedo tries to answer these and many other questions based on what he has seen in the Work of God and, above all, in His Word.

Though some of the most basic elements of nature are used to describe the Holy Spirit (fire, water, wind), He still remains a mystery to many. Jesus said, 'You shall receive power when the Holy Spirit has come upon you,' but who is the Holy Spirit? What is baptism in the Holy Spirit? Who can receive Him and how does it happen? What are the benefits of being baptised in the Holy Spirit? What's in it for me? Find all the answers to these and many other questions in this book by Bishop Macedo. 'The Holy Spirit' is a detailed explanation of the Third Person of the Holy Trinity as well as a practical guide to people who truly desire to Know Him.

What Would Jesus Do? It's an excellent question. This time-honored book is the story of one church's pledge to ask "What would Jesus do?" before making any decision, however small or large. For some, following Christ's example brings great joy. For others, it causes misunderstanding, conflict, and suffering. In His Steps has a most unusual appeal to the Christian to follow in Christ's steps, regardless of what others may do. Without a doubt, you'll find this abridged and updated edition to be one of the most challenging yet entertaining books you have ever read. Now includes a special selection from the upcoming In His Place by Harry C. Griffith. When Pastor Long challenges his prominent but self-satisfied congregation to become a living force for Christ in their small North Georgia town, he is blindsided by personal trials. Responding to Christ's command "As the Father has sent me, so I send you," he tackles these difficult situations--and more--over a tumultuous week of trials and testing and ultimately learns (as he leads) what it means to walk In His Place.

From the lengthy research and pen of two lawyers, a judge and a former law professor, this book, *In His Footsteps: The Early Followers of Jesus*, is a guide to understanding the early Christian movement through a study of the lives and ministries of the first believers, most of whom had met with the risen Jesus and thus knew, without doubt, that Jesus was the Christ and Savior of the world. The book cites accounts from Eusebius, a third-century Greek Christian historian, who also referenced testimony from first-century Christians about the almost unbelievable courage of the early followers of Jesus, who willingly and fearlessly, despite tremendous persecution and sufferings, brought to an otherwise lost world an assurance of life eternal for all believers. The book also refers to the fulfillment of many of the biblical prophecies, the principal ones being the restoration of the nation of Israel and the return of many Jewish people to their homeland. This book is an indispensable resource for all persons, as the tremendous sacrifices of the first believers should never be forgotten.

Do Greater Things WaterBrook

One hundred years ago Christians read Charles Sheldon's *In His Steps* with runaway enthusiasm. Sheldon's story traces the account of the fictional Reverend Maxwell who challenges himself and his congregation to constantly ask, "What would Jesus do?" This question puts all of life's circumstances in a new light. Those characters in Sheldon's book who take the challenge of this question seriously live dramatically changed lives. // But a changed life responding to Jesus' example of compassion and grace does not always make things easier. People in Sheldon's story learn that acting like Jesus can alienate others who prefer status quo comfort and social respectability. The real challenge of the question, "What would Jesus do?" is not the initial fervor it evokes but the sustained devotion it can produce.

Fifth-century Christianity was a theological battlefield. With the Messalian heretics and their experientialist spirituality on the one side and the intellectualist school on the other, representatives of both extremes found themselves condemned by the Church. In this milieu of subjectivist notions of grace and negative anthropology, there appeared a true mystic, Diadochus, Bishop of Photike in Epiros. His is a theology whose two poles are God's grace and man's ability to cooperate with it by way of discernment of spirits. Diadochus's ability to salvage what was orthodox from the Messalians and the intellectualists proves that, rather than a reactionary, he was a true theologian capable of synthesis, open to the truth even if found in his adversary, and yet firm in his faith, unwilling to compromise. He is among the earliest witnesses of the Jesus Prayer. Diadochus is the most important spiritual writer of his century, whose influence can be found in the writings of Maximus the Confessor, Simeon the New Theologian, Gregory of Palamas, and the author of *The Way of the Pilgrim*. This is the first translation of his complete works in English. Cliff Ermatinger is a Chicago native and works as associate pastor of two parishes in that archdiocese. He is the author of several books on Byzantine and Carmelite spirituality as well as one on philosophy. He has written articles for Spanish, English, and German language periodicals. Along with his priestly duties, he coaches rugby, fly fishes, and competes as a bagpiper in Highland Games throughout the U.S.
