Get Your Sh*t Together Simon and Schuster

Most business books are filled with B.S. "Hack this!" "10X that!" "Guaranteed!" But the business success you want isn't hidden inside thousands of buzzwords. Massive success only comes when you get massively clear about the one

outcome you can control in your business: YOU. In The No B.S. Small Business Book, you will learn how to get ruthlessly honest about yourself, your business, and what you really want from both-and how to get it. You'll roll up your sleeves and get your hands dirty, applying practical business strategies gleaned from decades of experience building and exiting successful companies. If you want to gain massive traction from achieving massive clarity as you take massive action at all levels

of business and life as a no-B.S. business owner, then buckle up... This is the business book you've been waiting for.

Break Through Your BS Houndstooth Press

#1 New York Times bestseller Featured on The Daily Show and 60 Minutes The acclaimed book that illuminates our world and its politics by revealing why bullshit is more dangerous than lying One of the most prominent features of our world is that there is so much bullshit. Yet we have no clear understanding of what bullshit is, how it's distinct from lying, what functions it serves, and what it means. In his acclaimed bestseller *On Bullshit*, Harry Frankfurt, who was one of the world's most influential moral philosophers, explores this important subject, which

has become a central problem of politics and our world. With his characteristic combination of philosophical acuity, psychological insight, and wry humor, Frankfurt argues that bullshitters misrepresent themselves to their audience not as liars do, that is, by deliberately making false claims about what is true. Rather, bullshitters seek to convey a certain impression of themselves without being concerned about whether anything at all is true. They quietly change the rules governing their end of the conversation so that claims about truth and falsity are irrelevant. Although bullshit can take many innocent forms, excessive indulgence in it can eventually undermine the bullshitter's capacity to tell the truth in a way that lying does

not. Liars at least acknowledge that the truth matters. Because of this, bullshit is a greater enemy of the truth than lies are. Remarkably prescient and insightful, *On Bullshit* is a small book that explains a great deal about our time.

Healy Quinn Publishers

NEW YORK TIMES BESTSELLER • A

stunning “portrait of the enduring grace of friendship” (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. NATIONAL BOOK AWARD

FINALIST • MAN BOOKER PRIZE FINALIST

• WINNER OF THE KIRKUS PRIZE A Little

Life follows four college

classmates—broke, adrift, and buoyed

only by their friendship and ambition—as

they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara’s stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara’s latest bestselling novel, *To Paradise*.

This Quest is Broken! Vintage

Which sort of seducer could you be?

Siren? Rake? Cold Coquette? Star?

Comedian? Charismatic? Or Saint? This

book will show you which. Charm,

persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an

Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of *The 48 Laws of Power*, *Mastery*, and *The 33 Strategies Of War*. **Daring Greatly** Prometheus Books Romi shares exactly how she talked her way into a Seven-Figure network marketing business and how you can too. You'll learn: The Posture to confidently connect with anyone about

your business and your products. The Possibilities for a lucrative, efficient and enormously fun turn-key business. The Power that's already within you to build the life you really want if you dare. Romi Neustadt is a former corporate chick (lawyer, PR executive) who traded in the billable hour for time and money freedom. She's built a 7-figure business that allows her and her husband John and two kids to LiveFullOut. And she's devoted to helping others design the lives they really want too!

Break Through the Noise Where
Publications

Are You Pissed Off That Life Didn't Give You An Instruction Manual? Do you find yourself struggling to figure out what you really want in life? Or do you know exactly what you want, but can't ever get it because you're trapped by fears, unwanted thoughts, and unshakeable habits? Are you successful in certain

areas, but still feel like something is missing in your relationships, finances, physical health, or overall happiness? No matter what your challenge is, the root cause of why we get stuck in any area of life is fundamentally the same. The good news is that when you understand what's really been secretly holding you back, you'll finally have the map for how to escape. You're about to discover:

- The secret to getting answers when you're feeling lost, confused, and have no idea what to do or where to even begin.
- How to tap into your inner strength to experience more motivation, happiness, and fulfillment on demand – regardless of what's happening in your life.
- How to get whatever you want even if you're stressed out, busy, or have a million excuses.
- What the 6

things are that drive all of your behavior and how to tap into them to reprogram any thought or habit on a neurological level.

- What the most common fear is that holds people back, and why you'll never overcome it until you understand this one simple thing.
- Why it's impossible to remove a bad habit, and what you must do instead.
- Why a force stronger than willpower may be your missing link to getting yourself out of any rut.
- Why much of the great advice you've heard, especially from self-help and personal development gurus, may be the very thing that's keeping you stuck.
- Why looking to find your life's purpose is almost always going to backfire on you.
- Why the truth gets you stuck more often than lies, and what the “real” truth is when it comes to you

becoming a master of your life. • How being selfish can be the best thing for you and for the rest of the world. • Why being stuck may be exactly what you need to make your next breakthrough. If you've ever asked yourself... • What's my purpose and how do I find it? • Why do I know I should feel grateful, happy, or fulfilled but still I feel absolutely miserable? • Why can't I get myself to do the things I say I'm going to do? • Why are people crazy and how do I learn to live with them? • How can I stop obsessive thoughts and get rid of unwanted emotions? • What can I possibly do to change things when everything seems so hopeless and beyond my control? If so, then this will be one of the most eye-opening books you'll ever read. How can I make such a bold

claim? I am regular guy who used to be out of shape, broke, and struggling to find answers to life's big questions. After years of study and thousands of dollars spent on education from the world's leading experts in psychology, neuroscience, spirituality, and personal development, I applied many great concepts to my own life. And... nothing much happened. At least not until I discovered a few more key insights that tied everything together into a concise system. Since then, I've become a bestselling author, achieved financial freedom, maintain a fit body year round, and am living a life of freedom and fulfillment. So I decided to write the book I wish I had handed to me from the very start of things, the instruction manual for life if you will, to help you achieve

whatever breakthroughs you desire in your life. This book is my gift to you, and I hope you enjoy reading it as much as I enjoyed writing it. To your happiness and success, Derek Doepker

The No B.S. Small Business Book: How to Win When Most Fail iUniverse

Get Over Your Damn Self: The No-BS Blueprint to Building A Life-Changing Business Profile Books

Thirty-one interviews drawn from three decades of "Writer's Digest" magazine offer revealing glimpses of how many prominent American writers work.

Leadership BS Penguin UK

This book is a part of the Self Vows program. The wonderful thing about this program is that even if you can't

complete the program face to face , private sessions or the retreats- you'll still experience life changing results. Enjoy the book that echoes my face to face sessions and stories from others that have taken the self vows and some who didn't. If you need to learn how to have and support everything about yourself or others, if you need to learn how to stop looking in the rear view mirror and move forward, if you want to learn how to commit to yourself and others or how to have a healthy relationship with finances while working through and forgiving unhealthy financial choices- you must continue reading. If you have a desire for a love that connects to daily evolution, happiness, and freedom, commit to this book of love. Finally, you will learn and

accept that you will never leave you. When you commit to self in that way, you will find it much easier to commit to another. I give you ultimate transparency in this book. My desire is to connect to you through my journey, the journeys of others, and well-thought-out questions that will penetrate deep within if you allow them to. I commit to taking this journey with you. Every time you open this book, it symbolizes me showing up to guide you through a path that can be a most difficult one. On the other hand, it will be the most amazing journey you will ever experience. You are the most important priority because without your peace of mind, everything else is meaningless. I have faith in you that, after reading this book, you will commit to the self vows as a daily inner

compass as it relates to you being healthy, happy, healed, and consistently authentic. Don't you think it's time to change your life and reset all that doesn't serve you? You can do it.

How to be an Author Little, Brown
Offers techniques and strategies for increasing income while cutting work time in half, and includes advice for leading a more fulfilling life.

Ten Points Simon & Schuster
Now in paperback! A book on DEI in the workplace that speaks not only to executives but to employees at all levels of a company, by award-winning diversity consultant Risha Grant. DEI consultant and corporate speaker, Risha Grant, shares her practice of learning how to welcome and embrace people's full humanity, without BS, full stop.

What's BS? It's bullshit for sure, but more specifically it's the powerful and often invisible belief systems we've been steeped in since birth—the judgment and bias we carry with us that impact our own lives and the many others we encounter every day. Risha teaches us about the inner work and the outer work we need to do to dismantle our “biasphere,” and change how we see ourselves and how we interact with others. The more people are willing to acknowledge and address the biases inherent in their belief systems, the more those biases will dissipate and the better our work environments will become. Readers will learn how to: Recognize when your BS manifests as “isms” and phobias that follow you to work Cure scarcity mentality, a

damaging byproduct of fear Validate other people's experiences Become a real ally Engage in micro efforts that can effect change on a macro level Create an environment that fosters a sense of belonging for everybody; that is, “get in where you fit in” Abolish groupthink and create space for diverse ideas Design explicit feedback channels Generate truly inclusive policies that people can trust Spot and stop bullying (it doesn't always look the way you think it does) Understand that equality isn't equity; the difference leads to everyone getting what they need

[Drop the Bullshit & Get It Done](#) Hachette Books

Alexandra's older brother died the night he graduated. That day changed everything for her. No longer was she

the party girl. No longer did she care about being popular and no longer was her family the happy unit she always thought existed. The only person who could help her heal is the same person who loved her brother as much as she did, his best friend. She only hopes to keep her entire heart from breaking when Jesse will move on, and she knows he will. After Ethan died, Jesse excelled at basketball, partying, and girls. He used it all to turn his emotions off, but the irony was that Alex was the only person who could do that for him. She helped him forget, but she was the one person he shouldn't be with because the secrets he knows could shatter everything. They could shatter her. This is part one, so expect a cliffhanger for an ending.

B. S. Incorporated HarperCollins
Of the eight million dedicated cyclists in this country, just 32,044 own amateur racing licenses. There's a reason for that: Racing is not only incredibly difficult, it's downright excruciating, with the possibility for public humiliation never more than one pedal away. So when Natalie, Bill Strickland's preschool-aged daughter, asked him if he could win ten points during one racing season - the bicycling equivalent of taking an at-bat against Randy Johnson or going one-on-one with LeBron James--a sensible man would've just said no and moved on. Instead, Strickland decided to try. In the process, he discovered that he was racing toward the loving home life he cherished and, at the same time, trying to get away from something far worse --

his legacy of horrific childhood abuse. Strickland's memoir is filled with lyrical insights on training and dedication, racing scenes packed with nail-biting suspense, and powerful reflections on the meaning of family. Because for Strickland, it's definitely not about the bike.

Hillbilly Elegy Writer's Digest Books

Seriously, what bullshit are you saying to yourself? Sorry to be blunt, but you are not where you want to be because of the story you are telling yourself, which is probably bullshit. Look, we've all been there, we all have baggage, stories, issues - call it what you want. However, if you want to get shit done you have to drop the BS and do it. This 90 day journal notebook starts out with you reflecting on why you are not where you

want to be. Be honest with yourself and write it out, come on no one else will see it just you. Then each day for the next 90 days you will plan out your day and make any notes about what you need to get done. Listen, stick to the plan and take action and you will see massive change in your life. So, are you ready to drop the bullshit and get it done? This handy notebook is 6 by 9 and ready to be carried around in your bag or backpack.

Broken and Screwed Ashton Publishing Group

Business Solutions, Inc., is falling apart at the seams. While employees kill time stalking free snacks and filming porn in the HQ stairwells, the company's co-CEOs bring in shadowy corporate consultants to shake up their business in

ways even they don't understand. As the communications manager tasked with translating C-suite doublespeak, Will Evans is constantly torn between his blue-collar warehouse past and his white-collar future. When he is put in charge of rolling out a dubious strategy the consultants brand Optelligence, Will is thrust deep into a muddle of absurdity and responsibility he never expected. Enter Anna Reed, corporate mercenary with heels as high as her ambition. To her, BSI is just a steppingstone to a better job at a smarter company. Demoted to Will's team on her first day, she's ready to steamroll anyone to get her career back on track.

Be Better Than Your BS EverAfter
Romance

THE #1 NEW YORK TIMES BESTSELLER IS

NOW A MAJOR-MOTION PICTURE
DIRECTED BY RON HOWARD AND
STARRING AMY ADAMS, GLENN CLOSE,
AND GABRIEL BASSO "You will not read a
more important book about America this
year."—The Economist "A riveting
book."—The Wall Street Journal
"Essential reading."—David Brooks, New
York Times *Hillbilly Elegy* is a passionate
and personal analysis of a culture in
crisis—that of white working-class
Americans. The disintegration of this
group, a process that has been slowly
occurring now for more than forty years,
has been reported with growing
frequency and alarm, but has never
before been written about as searingly
from the inside. J. D. Vance tells the true
story of what a social, regional, and class
decline feels like when you were born

with it hung around your neck. The Vance family story begins hopefully in postwar America. J. D.'s grandparents were "dirt poor and in love," and moved north from Kentucky's Appalachia region to Ohio in the hopes of escaping the dreadful poverty around them. They raised a middle-class family, and eventually one of their grandchildren would graduate from Yale Law School, a conventional marker of success in achieving generational upward mobility. But as the family saga of *Hillbilly Elogy* plays out, we learn that J.D.'s grandparents, aunt, uncle, sister, and, most of all, his mother struggled profoundly with the demands of their new middle-class life, never fully escaping the legacy of abuse, alcoholism, poverty, and trauma so

characteristic of their part of America. With piercing honesty, Vance shows how he himself still carries around the demons of his chaotic family history. A deeply moving memoir, with its share of humor and vividly colorful figures, *Hillbilly Elogy* is the story of how upward mobility really feels. And it is an urgent and troubling meditation on the loss of the American dream for a large segment of this country.

On Bullshit Princeton University Press
From the Whiting Award-winning author of *Pretend I'm Dead* and one of the most exhilarating new voices in fiction, a "thoroughly delightfully, surprisingly profound" (*Entertainment Weekly*) one-of-a-kind novel about a cleaning lady named Mona and her struggles to move forward in life. Soon to be an FX

television show starring Lola Kirke. Mona is twenty-six and cleans houses for a living in Taos, New Mexico. She moved there mostly because of a bad boyfriend—a junkie named Mr. Disgusting, long story—and her efforts to restart her life since haven't exactly gone as planned. For one thing, she's got another bad boyfriend. This one she calls Dark, and he happens to be married to one of Mona's clients. He also might be a little unstable. Dark and his wife aren't the only complicated clients on Mona's roster, either. There's also the Hungarian artist couple who—with her addiction to painkillers and his lingering stares—reminds Mona of troubling aspects of her childhood, and some of the underlying reasons her life had to be restarted in the first place. As she tries

to get over the heartache of her affair and the older pains of her youth, Mona winds up on an eccentric, moving journey of self-discovery that takes her back to her beginnings where she attempts to unlock the key to having a sense of home in the future. The only problems are Dark and her past. Neither is so easy to get rid of. Jen Beagin's *Vacuum in the Dark* is an unforgettable, astonishing read, "by turns nutty and forlorn...Brash, deadpan, and achingly troubled" (O, The Oprah Magazine). Beagin is "a wonderfully funny writer who also happens to tackle serious subjects" (NPR).

The Unfortunates Scribner
Bullshit isn't what it used to be. Now, two science professors give us the tools to dismantle misinformation and think

clearly in a world of fake news and bad data. “A modern classic . . . a straight-talking survival guide to the mean streets of a dying democracy and a global pandemic.”—Wired

Misinformation, disinformation, and fake news abound and it’s increasingly difficult to know what’s true. Our media environment has become hyperpartisan. Science is conducted by press release. Startup culture elevates bullshit to high art. We are fairly well equipped to spot the sort of old-school bullshit that is based in fancy rhetoric and weasel words, but most of us don’t feel qualified to challenge the avalanche of new-school bullshit presented in the language of math, science, or statistics. In *Calling Bullshit*, Professors Carl Bergstrom and Jevin West give us a set of powerful tools

to cut through the most intimidating data. You don’t need a lot of technical expertise to call out problems with data. Are the numbers or results too good or too dramatic to be true? Is the claim comparing like with like? Is it confirming your personal bias? Drawing on a deep well of expertise in statistics and computational biology, Bergstrom and West exuberantly unpack examples of selection bias and muddled data visualization, distinguish between correlation and causation, and examine the susceptibility of science to modern bullshit. We have always needed people who call bullshit when necessary, whether within a circle of friends, a community of scholars, or the citizenry of a nation. Now that bullshit has evolved, we need to relearn the art of

skepticism.
