A newcomer has arrived in a small Welsh seaside town - a one-armed Liverpoolian. Seeking to rebuild his life, if not his body, he is attempting to lead a life here unlike any he's lived before: a normal one - shopping, gardening, signing on, visiting friends, all the usual diurnal activities. Over a hundred miles to the north, however, two men in shellsuits are leaving Liverpool, heading south in a rickety old car. They have been sent by their gang-boss to wreak terrible, violent revenge, but have only a rough idea of their quarry: a one-armed man, maybe living somewhere in west Wales, in a small town by the sea.

'Malala is an inspiration to girls and women all over the world.' - J.K. Rowling *I Am Malala* tells the remarkable true story of a girl who knew she wanted to change the world - and did. Raised in the Swat Valley in Pakistan, Malala was taught to stand up for her beliefs. When terrorists took control of her region and declared girls were forbidden from going to school, Malala fought for her right to an education. And, on 9 October 2012, she nearly paid the ultimate price for her courage when she was shot on her way home from school. No one expected her to survive. Now, she is an international symbol of peaceful protest and the youngest person ever to win a Nobel Peace Prize. A must-read for anyone who believes in the power of change. * This teen edition is a first-hand account told in Malala's own words for her generation. The paperback includes extra material, a Q&A and updated discussion notes. * This book inspired the film HE NAMED ME MALALA, the winner of the BAFTA for Best Documentary.

"I've loved every one of Susanna's books! She has bedrock research and a butterfly's delicate touch with characters—sure recipe for historical fiction that sucks you in and won't let go!"—DIANA GABALDON, #1 New York Times bestselling author of *Outlander* Archaeologist Verity Grey has been drawn to the dark legends of the Scottish Borderlands in search of the truth buried in a rocky field by the sea, in this darkly romantic novel of historical fiction by bestselling author Susanna Kearsley. The invincible ninth Roman Legion marches from York to fight the Northern tribes, and then vanishes

from the pages of history. When Verity Grey goes looking for them in modern-day Scotland, she may find more than she bargained for. Her eccentric boss has spent his whole life searching for the resting place of the lost Ninth Roman Legion and is convinced he's finally found it—not because of any scientific evidence, but because a local boy has "seen" a Roman soldier walking in the fields, a ghostly sentinel who guards the bodies of his long-dead comrades. Here on the windswept Scottish shores, Verity may find the answer to one of the great unsolved mysteries of the historical record. Or she may uncover secrets from the romantic past that were buried for a reason. Fans of historical romance will be completely transported by *The Shadowy Horses*, an exquisite novel of Scottish historical fiction. Also by Susanna Kearsley: *The Winter Sea* *A Desperate Fortune* *The Firebird* *The Rose Garden* *The Splendour Falls* *Season of Storms* *Mariana* *Named of the Dragon* *Bellewether*

"I tied you up because I need you to listen," Derek says. "Focus." "Please... W-what do you want from me?" "The truth," he says. "About what happened the night my brother died." He reaches for my left hand. "If I think you're lying..." With his other hand, he flourishes a pair of flower cutters. Curved. Sharp. And he smiles. When Chris wakes up in a dark basement tied to a chair, he knows that he's trapped—and why. Eight nights ago a burglar broke into Chris' home. Eight nights ago Chris did what he had to do to protect his family. And eight nights ago a 13-year-old runaway bled to death on his kitchen floor. Now Derek wants the truth about what happened that night. He wants proof his little brother didn't deserve to die. For every lie Chris tells, he will lose a finger. But telling the truth is far more dangerous... A riveting, edge-of-your-seat thriller from Edgar Award-nominated author Jeffrey W. Johnston that explores the gray area between what is right and what we'll do to protect the people we love.

The Bitter Side of Sweet Simon and Schuster

An NPR Best Book of 2015 Love and sacrifice intertwine in this brilliant debut of rare beauty about a girl dealing with her mother's schizophrenia and her own mental illness. Fig's world lies somewhere between reality and fantasy. But as she watches Mama slowly come undone, it becomes hard to tell what is real and what is not, what is fun and what is frightening. To save Mama, Fig begins a fierce battle to bring her back. She knows that her daily sacrifices, like not touching metal one day or avoiding water the next, are the only way to cure Mama. The problem is that in the process of a daily sacrifice, Fig begins to lose herself as well, increasingly isolating herself from her classmates and engaging in self-destructive behavior that only further sets her apart. Spanning the course of Fig's childhood from age six to nineteen, this deeply provocative novel is more than a portrait of a mother, a daughter, and the struggle that comes with all-consuming love. It is an acutely honest and often painful portrayal of life with mental illness and the lengths to which a young woman must go to handle the ordeals—real or imaginary—thrown her way.

Hollow Dolls Penguin

Perfect for fans of suspenseful nonfiction such as books by Steve Sheinkin, this is a page-turning narrative about Dietrich Bonhoeffer, a pastor and pacifist who became an unlikely hero during World War II and took part in a plot to kill Hitler. Written by two-time National Book Award finalist Patricia McCormick, author of *Sold* and *Never Fall Down* and coauthor of the young reader's edition of *I Am Malala*. It was April 5, 1943, and the Gestapo would arrive any minute. Dietrich Bonhoeffer had been expecting this day for a long time. He had put his papers in order—and left a few notes specifically

for Hitler's men to see. Two SS agents climbed the stairs and told the boyish-looking Bonhoeffer to come with them. He calmly said good-bye to his parents, put his Bible under his arm, and left. Upstairs there was proof, in his own handwriting, that this quiet young minister was part of a conspiracy to kill Adolf Hitler. This compelling, brilliantly researched account includes the remarkable discovery that Bonhoeffer was one of the first people to provide evidence to the Allies that Jews were being deported to death camps. It takes readers from his privileged early childhood to the studies and travel that would introduce him to peace activists around the world—eventually putting this gentle, scholarly pacifist on a deadly course to assassinate one of the most ruthless dictators in history. *The Plot to Kill Hitler* provides fascinating insights into what makes someone stand up for what's right when no one else is standing with you. It is a question that every generation must answer again and again. With black-and-white photographs, fascinating sidebars, and thoroughly researched details, this book should be essential reading.

The Premonition: A Pandemic Story Simon and Schuster

The Perfect Cut Little, Brown Books for Young Readers

'But now, having travelled to the frontier of the world of sins, I no longer hesitated in trampling over the remnants of the goodness in my heart.' Manada, Maani didi, Feroza Bibi, Miss Mukherjee – the jostling identities of our beguiling and charming protagonist as she glides through a life that can be seen as exploitative yet, also, curiously, empowering and honest. Manada's fascinating life story takes her from her wealthy cossetted upbringing to a life of debauchery and prostitution after she elopes with her married lover when in her mid-teens. She is capable, attractive and doesn't ask for pity as she struggles with illness, poverty and abandonment, but ensures that she emerges relatively unscathed and carves a niche for herself in her profession. Manada matures and settles into a life of prostitution, entertains barristers, doctors and other men of high society. She describes her colourful life with relish but is often introspective as she places her own position as a sex worker in the context of the times, calling out young sanctimonious patriotic men who maintain a high standing in society yet secretly fancy prostitutes. Rather tantalisingly she takes no names, only occasionally hinting at their identities, to avoid scandals and protect the double lives of men who are well-known in Calcutta in the 1920s. Weaving together multiple strands, looking beyond ideas of

morality and accusations, we are presented a life of immense beauty and endurance, which is both grand in its scope and deeply intimate in its portrait.
