SARIAH SIMPSON

The Element Encyclopedia of Magical Creatures: The Ultimate A-Z of Fantastic Beings from Myth and Magic HarperCollins UK

A year-long collection of spells and rituals for harnessing the magical power of each day from the author of the Encyclopedia of 5000 Spells. We all could use a little magic in our daily lives. But while the year is filled with mystical dates, we don't always know when and how to celebrate them. By knowing and preparing for these special days we can use their inherent power to change our lives. Daily Magic is a perpetual calendar focused on days of spiritual and magical significance. April 30th for example, is perfect for spellcasting—especially spells for love, romance, fertility, and prosperity. Judika Illes teaches you how to create rituals and cast spells, provides recipes for potions, and offers advice on creating feasts to honor sacred beings. While the most spiritually significant power dates of the year are Midsummer's Eve, Halloween/Samhain, and New Year's, opportunities to use rituals and spells for the most popular goals—love, prosperity, fertility, healing, and protection—occur every week. Illes offers guidance on when to perform a spell—whether it's best to conjure now or to wait for a special power date later in the year. Daily Magic is a spiritual daily calendar that give us the power and the tools we need to take control of our destiny!

Suicide Notes Wellfleet Press

Witchcraft practices around the world and from many periods in history are defined and explained.

The Weiser Book of the Fantastic and Forgotten HarperCollins UK Throughout history, questions of life and death, famine and bounty, good and bad luck have puzzled people the world over, and they have attempted to solve mysteries and allay fears in the same way - through the worship of gods. Arranged alphabetically from A-a, the sun goddess of Mesopotamia, to Zurvan, the Persian god of fate, *Encyclopedia of Gods* is the most broadly based work of reference yet produced on gods from all over the world. Giving equal emphasis to ancient mythology and contemporary religions, the entries explain the culture of origin and the role of each god or goddess, while longer essays give details of artistic and literary references, known dates of worship and legends associated with the more important deities.

The Encyclopedia of Ghosts and Spirits Llewellyn Worldwide Harness the secret power of enchanted knots with *Knot Magic*.

Cast powerful spells with ancient knot magic that has been around for centuries. With a length of string, ribbon, cord, or anything that can be knotted, you can quickly make magic work for you, whether to enchant new love into your life, change your fortune, or manifest your dreams. You'll learn not only the best way to cast a spell, but also the best time to perform the spell to ensure success. Become a master knot maker as your spells take root. This unique collection includes all-powerful witch's ladders, where additional talismans are woven in with the knots to reinforce the desired outcome, and "unknotting" charms, which banish all forms of negativity. Enhance your magic and knowledge as you bring positive energy into your life. Plus, you'll have access to a "magical knot directory" that provides the tools you'll need to get started on your magical journey. *Knot Magic* is an approachable and ideal reference guide for seasoned and curious spiritualists who want to practice knot magic. The *Mystical Handbook* series from Wellfleet takes you on a magical journey through the wonderful world of spellcraft and spellcasting. The definitive magic reference book for Witches, Wiccans and all devotees of the magical arts. This is the real version of the archetypal master spell book of fantasy that has a place in our collective imagination.

The Mystery of the Grail Infobase Publishing

wide criticism both from Western and Eastern scholars.

The Spirit Book Oxford University Press

In this important study of the meaning of the Grail, one of Europe's greatest esoteric philosophers discloses the pre-Christian and initiatic sources of this symbolic motif that is so central to Western mythology and culture. He demonstrates how the main features of the legend are from an older tradition analogous to the great heroic sagas and cycles of the North, and that the Grail itself is a symbol of initiation. Evola uncovers the hidden meaning in the often surreal adventures of the knights who searched for the Grail, interpreting them as inner experiences and tests for the seeker. He also explores the history of the myth in the Middle Ages, its use by the Knights Templar and the Cathars, its legacy during the decline of the Holy Roman Empire, and its links with Rosicrucianism, alchemy, and Masonry. This excursion into the realm of the Grail throws new light on an endlessly fascinating subject.

Spirits, Fairies, Gnomes, and Goblins HarperCollins UK

Explains how to identify the many species of demons, where to find them, and the traditional ways of appeasing or dispelling them

Tales of the Supernatural, Strange, and Bizarre Visible Ink Press

The history of the divine is the history of human thought. For as long as men and women have pondered the mysteries of their existence, they have answered their own questions with stories of gods and goddesses. Belief in these deities shaped whole civilizations, yet today many of their names and images lie buried. *The Encyclopedia of Ancient Deities* makes those names available to the general reader as well as the scholar. This reference work lists all the known gods through recorded history. Alphabetically arranged entries provide the name of each deity (with alternate spellings), as well as notes on names that may be linguistically or functionally related. The tribe or culture that worshiped the deity is identified, and the god's origins and functions are explained. An extensive bibliography provides

opportunities for further research and an exhaustive index provides access to the entries through virtually all names, forms and kinds of deities.
