Examination British Medical
Journal Neurology from BMJ aims to
provide you with a mixture of the most
important neurology resources that we
publish with the latest, continually
updated research articles from the BMJ
and all of our specialist journals, plus
online education from BMJ

Learning.Neurology | The
BMJ Neurological examination (NE) is a
key part of practice for many doctors. UK
students learn NE from a variety of
specialty tutors and often find it difficult.
This article suggests one way of
introducing NE interactively with
students in their first clinical year
supplementary to clerking patients. The
content presupposes the author's
choices about core elements and
techniques of NE largely in ...Introducing
