Presented by Academy Award-winning director Sir Peter Jackson, the ultimate insider's look at the conflicts and battles waged in The Hobbit movie trilogy: how they were devised, composed, designed, staged and more. Smaug's fiery attack on Lake-town, the White Council's raid of Dol Guldur, the ferocious Battle of the Five Armies itself—all of the conflicts waged in The Hobbit motion picture trilogy are examined in exquisite detail from the first skirmish to the ultimate conflagration in the trilogy's dramatic conclusion. The Hobbit: The Art of War brings together all of the special effects imagery in the Weta archives and unprecedented access to Sir Peter Jackson—the genius behind some of the world's biggest motion-picture franchises, The Lord of the Rings and The Hobbit—who shares his expertise and encyclopedic knowledge with fans as never before. The Hobbit: The Art of War takes fans inside this creative visionary's mind and gives them an understanding of how he plotted each and every movement captured on film. Jackson offers in-depth discussions of the strategies of each army, the tactics they employed, and the significance of each collision between rival cultures. The cast members from the three films also share personal stories of how their characters' tales are resolved. Meet the armies of digitally generated creatures these heroes must overcome, delve into the world of Weta Digital and the Motion Capture Studio. Discover how the largely digital battles were achieved, from the design and creation of the battles' creatures and the fight choreography, to the extended environments and visual effects necessary to make Tolkien's world vividly real. The Hobbit: The Art of War is packed with lavish galleries showcasing the costumes, armor, weapons, and props integral to the battles, as well as the stories behind their creation. With never-before-heard behind-the-scenes, on-the-set, and in-the-studio stories, and exclusive detailed content, The Hobbit: The Art of War is the ultimate Hobbit fan's encyclopedia and a must have for all aficionados of the craft of filmmaking.

Selections From Harry Potter Instrumental Solos Movies 1-5 HarperCollins

An illustrated edition of the enchanting prequel to The Lord of the Rings, The Hobbit—the classic fantasy that inspired Peter Jackson's major motion picture trilogy—in a newly expanded edition. When Thorin Oakenshield and his band of dwarves embark upon a dangerous quest to reclaim the hoard of gold stolen from them by the evil dragon Smaug, Gandalf the wizard suggests an unlikely accomplice: Bilbo Baggins, an unassuming Hobbit

dwelling in peaceful Hobbiton. Along the way, the company faces trolls, goblins, giant spiders, and worse. But as they journey from the wonders of Rivendell to the terrors of Mirkwood and beyond, Bilbo will find that there is more to him than anyone—himself included—ever dreamed. Unexpected qualities of courage and cunning, and a love of adventure, propel Bilbo toward his great destiny . . . a destiny that waits in the dark caverns beneath the Misty Mountains, where a twisted creature known as Gollum jealously guards a precious magic ring.

Begin your journey into Middle-earth... The inspiration for the upcoming original series on Prime Video, The Lord of the Rings: The Rings of Power. The Fellowship of the Ring is the first part of J.R.R. Tolkien's epic adventure The Lord of the Rings. One Ring to rule them all, One Ring to find them, One Ring to bring them all and in the darkness bind them. Sauron, the Dark Lord, has gathered to him all the Rings of Power—the means by which he intends to rule Middle-earth. All he lacks in his plans for dominion is the One Ring—the ring that rules them all—which has fallen into the hands of the hobbit, Bilbo Baggins. In a sleepy village in the Shire, young Frodo Baggins finds himself faced with an immense task, as his elderly cousin Bilbo entrusts the Ring to his care. Frodo must leave his home and make a perilous journey across Middle-earth to the Cracks of Doom, there to destroy the Ring and foil the Dark Lord in his evil purpose.

For the first time ever, the epic, in-depth story of the creation of one of the most famous fantasy worlds ever imagined—an illustrious compendium that reveals the breathtaking craftsmanship, artistry, and technology behind the magical Middle-earth of the blockbuster film franchises, The Lord of the Rings Motion Picture Trilogy and The Hobbit Trilogy, directed by Peter Jackson. The Making of Middle-Earth tells the complete story of how J. R. R. Tolkien's magic world was brought to vivid life on the big screen in the record-breaking film trilogies The Lord of the Rings Motion Picture Trilogy and The Hobbit Motion Picture Trilogy. Drawing on resources, stories, and content from the archives of the companies and individuals behind the films, much of which have never appeared in print before, as well as interviews with director Peter Jackson and key members of the Art Department, Shooting Crews, Park Road Post, and Weta Digital teams who share their personal insights on the creative process, this astonishing resource reveals: How the worlds were built, brick by brick and pixel by pixel; How environments were extended digitally or imagined entirely as computer generated spaces; How the multiple shooting units functioned; How cast members and characters interacted with their environments. Daniel Falconer takes fans from storyboard concepts to deep into the post-production process where the films were edited, graded, and scored, explaining in depth how each enhanced the films. He also discusses how the processes involved in establishing Middle-earth for the screen have evolved over the fifteen years between the start and finish of the trilogies. Going region by region and culture by culture in this fantasy realm, The Making of Middle-Earth describes how each area created for the films was defined, what made it unique, and what role it played in the stories. Illustrated with final film imagery, behind-the-scenes pictures and conceptual artwork, including places not seen in the final films, this monumental compilation offers unique and far-reaching insights into the creation of the world we know and love as Middle-earth.

Music from all three films arranged for wind instruments. Desirable and collectible, these instrumental folios are loaded with black-and-white photos of scenes from all three films. They are printed on top-quality antique paper stock, and the covers showcase the new "trilogy" artwork. The wind

instrument books are completely compatible with each other and can be played together or as solos. Each book contains a carefully edited part that is appropriate for the Level 2-3 player and a fully orchestrated accompaniment CD. Each theme on the CD is presented as a "demo" track (which features that particular instrument) and as a "play-along" track without the solo instrument. New icons are used in the books to guide the players through the accompaniment options. A separate piano accompaniment book with CD is available for the wind series. The instrumental solo part, in concert pitch, is added above the piano part. The CD features live demonstration performances of various instrument tracks from the series. Titles are the twelve major themes from the blockbuster trilogy: from The Fellowship of the Ring: The Prophecy * In Dreams * Concerning Hobbits * Many Meetings * The Black Rider; from The Two Towers: Gollum's Song * Rohan * Evenstar * Forth Eorlingas; from The Return of the King: Into the West * The Steward of Gondor * Minas Tirith. This title is available in SmartMusic.
