Feedback is an incredibly valuable source of information – it enables us to be more self-aware and understand what we are doing well, and it tells us what we could be doing differently, more of, or less of to improve our performance and achieve our goals. Feedback Fundamentals and Evidence-Based Best Practices: Give It, Ask for It, Use It provides an essential overview of feedback fundamentals, what gets in the way of effective feedback exchanges, and the impact of technology on feedback interactions. The value of feedback is often unrealized because people dread giving it, dread receiving it, and may not know what to do with it once they get it. Feedback Fundamentals and Evidence-Based Best Practices balances research, testimonials, and practical tools to provide readers with a thorough understanding of feedback exchanges. Critical findings from decades of research in psychology, business, and other disciplines are distilled into tools and strategies that readers can easily adopt in their own lives, regardless of who they are or what they do. Throughout the book are a wealth of examples from a variety of people and situations, both within and outside traditional work contexts. Feedback Fundamentals and Evidence-Based Best Practices: Give It, Ask for It, Use It is a crucial resource for professionals, leaders, and anyone of any industry or stage in life looking to give better feedback, proactively ask for feedback, gracefully receive feedback, and put that feedback to use. [Lucy & Andy Neanderthal](#) Disney Electronic Content A companion guide to THE TRIALS OF APOLLO series, set in the world of PERCY JACKSON. Camp Half-Blood FYI is the funny insider's guide to the demigod training camp in Long Island, narrated by none other than Percy Jackson himself, and other favourite characters will be heard from, too. In response to an awful camp orientation video created by the god Apollo, Percy Jackson and other residents of Camp Half-Blood answer such questions as "What is this place?" and "Do I get to keep the T-shirt?" Newbies can check out the section on the Divine Cabins, read up on Magical Landmarks, and consult the chapter of Training Arenas. But Camp Half-Blood Confidential explores much more than just the buildings and grounds. It includes info that can only be learned from those who live there. For instance, campers do not always co-exist in peace and harmony. The camp is not run with superior efficiency. Prophecies do not flow forth with great regularity. Sprinkled throughout are stories from heroes who have called Camp Half-Blood home or just passed through on their way to places unknown. Chiron himself introduces the book with a brief history of training based on his millennia of experience. And,

of course, divine words of wisdom from the god Apollo himself are included, because the demigod authors would prefer not to be struck down by him, thank you very much.

*Camp Half-Blood Confidential* Jimmy Patterson

Lara, or GM451 as she is known by the government, is a highly trained special agent, bred by the British Secret Service for use on dangerous missions around the world. But her last mission went wrong and now she is being hunted down by an evil drugs baron, Mr Big. Lara must go undercover as a normal dog, 'choose' a family to look after her and await her retrieval by the Secret Service. But can she keep her true identity a secret? Can she thwart the plans of Mr Big? And can she bear to return to government service, after weeks of cosy domestic bliss? After an exciting struggle, Mr. Big is captured and Lara finds a way to stay with her family. But her spying days aren't over completely...

**Generation One** HarperCollins

It's time to face the final trial... The battle for Camp Jupiter is over. New Rome is safe. Tarquin and his army of the undead have been defeated. Somehow Apollo has made it out alive, with a little bit of help from the Hunters of Artemis. But though the battle may have been won, the war is far from over. Now Apollo and Meg must get ready for the final - and, let's face it, probably fatal - adventure. They must face the last emperor, the terrifying Nero, and destroy him once and for all. Can Apollo find his godly form again? Will Meg be able to face up to her troubled past? Destiny awaits...

*The Maze of Bones* Aladdin

After angering his father Zeus, the god Apollo is cast down from Olympus. Weak and disoriented, he lands in New York City as a regular teenage boy. Now, without his godly powers, the four-thousand-year-old deity must learn to survive in the modern world until he can somehow find a way to regain Zeus's favor.

**The Serpent's Secret** Farrar, Straus and Giroux (Byr)

"The god Apollo, cast down to earth and trapped in the form of a gawky teenage boy as punishment, must set off on the second of his harrowing (and hilarious) trials. He and his companions seek the ancient oracles - restoring them is the only way for Apollo to reclaim his place on Mount Olympus - but this is easier said than done. Somewhere in the American Midwest is a haunted cave that may hold answers for Apollo in his quest to become a god again . . . if it doesn't kill him or drive him insane first. Standing in Apollo's way is the second member of the evil Triumvirate - a Roman emperor whose love of bloodshed and spectacle makes even Nero look tame. To survive the encounter, Apollo will need the help of a now-mortal goddess, a bronze dragon, and some familiar demigod faces from Camp Half-Blood. With them by his side, can Apollo face down the greatest challenge of his four thousand years of existence?"

Describes the quests of a variety of adventurers as they attempted to prove the existence of Bigfoot, the Loch Ness Monster, Noah's Ark, Atlantis, and the Lost Dutchman Mine. *Tyrant's Tomb* Simon and Schuster

Who cut off Medusa's head? Who was raised by a she-bear? Who tamed Pegasus? It takes a demigod to know, and Percy Jackson can fill you in on the all the daring deeds of Perseus, Atalanta, Bellerophon, and the rest of the major Greek heroes. Told in the funny, irreverent style readers have come to expect from Percy, ( I've had some bad experiences in my time, but the heroes I'm going to tell you about were the original old school hard luck cases. They boldly screwed up where no one had screwed up before. . .) and enhanced with vibrant artwork by Caldecott Honoree John Rocco, this story collection will become the new must-have classic for Rick Riordan's legions of devoted fans--and for anyone who needs a hero. So get your flaming spear. Put on your lion skin cape. Polish your shield and make sure you've got arrows in your quiver. We're going back about four thousand years to decapitate monsters, save some kingdoms, shoot a few gods in the butt, raid the Underworld, and steal loot from evil people. Then, for dessert, we'll die painful tragic deaths. Ready? Sweet. Let's do this.

"Perfect to be read late into the night."—Stefan Bachmann, internationally bestselling author of *The Peculiar* "A spooky sisterhood mystery that is sure to be a hit with readers."—School Library Journal (starred review) "Grab a flashlight and stay up late with this one."—Kirkus Reviews Once there were two sisters who did everything together. But only one of them disappeared. New York Times–bestselling author Jacqueline West's *Long Lost* is an atmospheric, eerie mystery brimming with suspense. Fans of Katherine Arden's *Small Spaces* and Victoria Schwab's *City of Ghosts* series will lose themselves in this mesmerizing and century-spanning tale. Eleven-year-old Fiona has just read a book that doesn't exist. When Fiona's family moves to a new town to be closer to her older sister's figure skating club—and far from Fiona's close-knit group of friends—nobody seems to notice Fiona's unhappiness. Alone and out of place, Fiona ventures to the town's library, a rambling mansion donated by a long-dead heiress. And there she finds a gripping mystery novel about a small town, family secrets, and a tragic disappearance. Soon Fiona begins to notice strange similarities that blur the lines between the novel and her new town. With a little help from a few odd *Long Lost* locals, Fiona uncovers the book's strange history.

*Long Lost* is a town of restless spirits, and Fiona will learn that both help and danger come from unexpected places—maybe even from the sister she thinks doesn't care about her anymore. New York Times–bestselling and acclaimed author Jacqueline West weaves a heart-pounding, intense, and imaginative mystery that builds anticipation on every page, while centering on the strong and often tumultuous bond between sisters. Laced with suspense, *Long Lost* will fascinate readers of Trenton Lee Stewart's *The Secret Keepers* and fans of ghost stories.

**Out of Darkness** Disney-Hyperion

A deluxe autographed edition of the second installment in the exciting new five-book quest adventure about the god Apollo by best-selling author Rick Riordan. Zeus has punished his son Apollo--god of the sun, music, archery, poetry, and more--by casting him down to earth in the form of a gawky, acne-covered sixteen-year-old mortal named Lester. The only way Apollo can reclaim his rightful place on Mount Olympus is by restoring several Oracles that have gone dark. What is affecting the Oracles, and how can Apollo/Lester do anything about them without his powers? After experiencing a series of dangerous--and frankly, humiliating--trials at Camp Half-Blood, Lester must now leave the relative safety of the demigod training ground and embark on a hair-raising journey across North America. Fortunately, what he lacks in godly graces he's gaining in new friendships--with heroes who will be very familiar to fans of the Percy Jackson and the Olympians and Heroes of Olympus series. Come along for what promises to be a harrowing, hilarious, and haiku-filled ride. . . .

**Percy Jackson and the Olympians:** Potter Craft

It's not easy being Apollo, especially when you've been turned into a human and banished from Olympus. On his path to restoring five ancient oracles and reclaiming his godly powers, Apollo (aka Lester Papadopoulos) has faced both triumphs and tragedies. Now his journey takes him to Camp Jupiter in the San Francisco Bay Area, where the Roman demigods are preparing for a desperate last stand against the evil Triumvirate of Roman emperors. Hazel, Reyna, Frank, Tyson, Ella, and many other old friends will need Apollo's aid to survive the onslaught.

Unfortunately, the answer to their salvation lies in the forgotten tomb of a Roman ruler . . . someone even worse than the emperors Apollo has already faced.
