*The Dorland Enigma*

*Solved* Saunders  
A comprehensive, well-  
documented genealogy  
of the descendants of  
Gerrit, Lambert, and  
Elias Dorland, early

settlers of New Netherland/New York. In addition to the male-lines, descendants of daughters are traced, in some cases for many generations. These families migrated early in large numbers to New Jersey, Pennsylvania, Kentucky, New York, Ohio, Indiana, Missouri, California and Oregon, as well as Canada. Many errors in earlier accounts of the Dorlands are corrected.

 Excerpt from John T. Dorland Perhaps in meditating on the order of a Divine Wisdom that is Love, and yet at times is so mysterious in its details, we can see how the sudden removal of such a life may have fruitful issues. We who in our measure feel the need of the world, and who rejoice to see those needs met, are apt too often tacitly to feel that such and such a work is being too well done to need help from us, and by the fatal process whereby we sometimes turn what ought to be a stimulant into a sedative we settle down into passivity. When, however, Death comes and in a moment slits the thin-spun life, we are roused again to our

responsibility, and to the need of a devotion in which there are no reserves. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work.
